

Proposal

Date: 01/31/2024

Location: West Allis City Hall

Project: City Hall Hallway

Safe Haven Defense, LLC. is pleased to provide you with this proposal.

Scope: Furnish and install Riot Control film on windows per take off. Safe Haven Defense will caulk any window that film is installed on per manufacturer's specifications. Note: It will be the owners responsibility to move any objects obstructing the installation area, to include desks or cabinets. It is also the owners responsibility to remove or coordinate the removal of any door crash bars (electric or manual), window blinds, shelves, and displays if necessary. Safe Haven Defense installers will need approximately 2.5-3ft of space between objects and the installation area.

Existing Glass Notes: Safe Haven Defense installation crews will remove any vinyl lettering prior to the installation of our security laminate. We do not replace vinyl lettering, but we will take photos of what was there prior. All glass must be clear of existing cracks/ damage prior to our crews arrival and installation.

Pricing:

Smash Resistant - 000 /sqft: \$

Riot Control - 141 /sqft: \$9,165.00

Bullet Resistant Laminate -000/ sqft \$

Caulking - 167 LF: \$789.91

Total Project Cost: \$9,954.91

Exclusions: Sales Tax is not included. This proposal does not include any adjustments to the windows or frames not discussed in "Scope". Any work not listed in "Scope" and not included in take-off provided. Unforeseen issues with glass or frames. Overtime, Holiday work, Night work and Weekends work. Miscellaneous permits.

Thank you for this opportunity, please do not hesitate to contact me directly with any questions or comments.

Respectfully submitted,

Ryan Vossekuil

Disclaimer

Since films are applied with a water-based solution, it is normal for minor bubbling and hazing to occur during installation before curing. This curing period will vary in time depending on the level of exposure to direct sunlight and time. All moisture and water bubbles will disappear with time. SAFE HAVEN DEFENSE will take every necessary action possible to clean all windows prior to the installation of the window film; minor dust particles may appear after the installation of the window film as a result of airborne dust. These particles will dissipate with time and should not be visible when looking through the glass at a distance of 6 feet. (Ask for further details). Security Films/Laminates are a deterrent and may not prevent ultimate entry.
