1.0 AMENDMENT TO COUNTY FUNDING REQUIREMENTS. The subsections of Article V are hereby amended as follows:

a. The ICC EMS Formula Schedule in Article V(B) will be used to calculate the funds to be distributed to the agencies providing ALS Transport capability. Annual amounts will be specified in Exhibit A. The funding is calculated using a formula that takes into consideration population, service area, and ALS call volume. Amendment #3 adds an additional \$1.5 million dollars to the Agreement for a total contract amount of \$3.0 million dollars.

b. The recognition of a new ALS transporting agency will be defined as the agency being considered operating at full practice as an ALS agency for more than 90 days (3 months), will be eligible for County funding in the next quarterly payment.

2.0 AMENDMENT TO MUNICIPALITY REQUIREMENTS. This will serve as written notice to Milwaukee County of [\_\_\_\_\_]'s commitment to participate in the data sharing and data consolidation to advance the health of the county. The intent of the information sharing clause is not to serve as a qualifier to receive the additional distributions. It is intended as a good faith effort to gather consistent information to improve system-wide operations. Additional sources of data that contribute to the advancement of healthcare operations in Milwaukee County will be proposed to MCAFC for consensus.

3.0 MISCELLANEOUS. Except as modified by this Amendment No. 3, the Agreement remains in full force and effect. In the event of a conflict between the terms of the Agreement, Amendment No. 2, and Amendment No. 3; Amendment No. 3 shall prevail. Capitalized terms used but not otherwise defined herein shall have the meanings provided for them in the Agreement.
