

5-10-10

James + Kristine Ostlund strongly
oppose the outdoor dining addition
at Jonny Tanner's tavern at
6300 W. Lincoln Ave.

We already have difficulty
with parking on our block because
their customers take all the
available parking. Kristine is
disabled, in a wheelchair + is unable
to park in front of our house.

This is a residential neighborhood
with a lot of small children. Outside
seating would disrupt our lives.
