WHEREAS, The Purchasing/Central Services Division has reported that it has received a proposal for furnishing GIS software and maintenance for the Information Services Division of the City of West Allis, that the proposal received was reasonable; and,

To Whom It May Concern,

This letter is to recommend the sole source purchase of GIS software and maintenance from the Intergraph company. This is the only vendor that sells the products and services we need for our GIS platform. Also, we have been dealing with this vendor for over 5 years and their product and support has been exemplary. You will also find their pricing to be fair and reasonable. I respectfully request your approval of this vendor for this purchase of product and service for the GIS application. Thank you.
