E. ADJOURNMENT

All meetings of the Committee of the Whole are public meetings. In order for the general public to make comments at the committee meetings, the individual(s) must be scheduled (as an appearance) with the chair of the committee or the appropriate staff contact; otherwise, the meeting of the committee is a working session for the committee itself, and discussion by those in attendance is limited to committee members, the mayor, other alderpersons, staff and others that may be a party to the matter being discussed.

NOTICE OF POSSIBLE QUORUM

It is possible that members of, and possibly a quorum of, members of other governmental bodies of the municipality may be in attendance at the above-stated meeting to gather information. No action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.

NON-DISCRIMINATION STATEMENT

The City of West Allis does not discriminate against individuals on the basis of race, color, religion, age, marital or veterans' status, sex, national origin, disability or any other legally protected status in the admission or access to, or treatment or employment in, its services, programs or activities.

AMERICANS WITH DISABILITIES ACT NOTICE

Upon reasonable notice the City will furnish appropriate auxiliary aids and services when necessary to afford individuals with disabilities an equal opportunity to participate in and to enjoy the benefits of a service, program or activity provided by the City.

LIMITED ENGLISH PROFICIENCY STATEMENT

It is the policy of the City of West Allis to provide language access services to populations of persons with Limited English Proficiency (LEP) who are eligible to be served or likely to be directly affected by our programs. Such services will be focused on providing meaningful access to our programs, services and/or benefits.

Notes: The Evaluation Committee, comprised of representatives from the DPW and WAPD reviewed all submissions and have selected N&S Towing as the contractor that will be most advantageous to the City of West Allis. N&S Towing has shown that they are capable of meeting all towing and storage needs for the City, they provide competitive tow and storage fees, are able to provide quick services due to their location within the City. However, with the new contract, the WAPD has requested more report capabilities and timely payment of City administration fees for which N&S Towing has agreed to provide going forward.

RFP # PD-25019 VEHICLE TOWING SERVICES
DATA AND PROOF OF EXPERIENCE

Prepared By: Johnny Van
President
Finish Line Towing, LLC (*sometimes referred to as FLT*)
Cell: 920.277.5338
Email: John@FLT-WI.com

Experience: Finish Line Towing has extensive experience and qualifications to provide the best service for the City of West Allis, below is a list of what makes us the best choice.

Owner Johnny Van has over 16 years in the towing industry, growing up with a family in the business that provided services for the Outagamie County Sheriff's Office, the City Appleton, the town of Hortonville, and the town of Greenville.

Johnny Van has a BA of Science in Finance from the University of Stevens Point, as well as level 1, 2, and 3 wreck master certified.

FLT has six managers that directly report to the owner.

- Tim Nelson is our Milwaukee Area Supervisor, 20 years in the automotive industry with specifically 15 years in the towing industry. Tim has led our Milwaukee division since 2018 and has performed hundreds, if not thousands of service calls, tows, winch outs, recoveries, etc.
- Shane Phillips is our non-consensual towing specialist, focusing on abandonments and vehicle relocations. Before joining Finish Line in 2022, he spent 15 years in the repossession industry, operating in some of the toughest environments and gaining extensive hands-on experience moving vehicles without keys. Shane was brought onto our team specifically to build structure, training, and repeatable processes around this style of towing. He oversees operations, trains drivers, and ensures every non-consensual tow is performed safely, legally, and efficiently. His attention to detail and experience with complex moves make him a key part of our operation.
- Nick Kakuske is our Madison Area Supervisor; he has been in the automotive industry for 10 years and 8 of those years have been with us and towing. He is one of our first employees and guides Madison operations.

- Kaylie Kuhnke is our Dispatch Manager, overseeing a team of seven dispatchers and two customer service representatives. Since joining Finish Line in 2018, she has played a key role in shaping how we communicate and serve the public. Under her leadership, our call handling and follow-up systems have become one of our strongest operational advantages—ensuring every call is answered and every service is verified for quality and customer satisfaction. Kaylie is responsible for training and developing dispatch staff, making sure they fully understand service priorities, call protocols, and the expectations that define Finish Line’s standards. Her consistency, organization, and leadership help keep the operation running smoothly 24/7.
- Steve Leggett manages our heavy operations and all extensive recoveries. Steve has a total of 15 years in the towing business, he has been in every style truck from a small 3500 wrecker to a large 60-ton rotator. Steve guides all extensive recoveries. He has done all levels of Wreck master certification as well as JerrDan rotator training.
- Brennon Kroon – Light Service Manager, this does not always pertain to this contract, but he oversees managing all operations for our light service vehicles. These are the vehicles that perform jump starts, lock outs, tire changes, battery installs, etc.

FLT provides services for the Dane County Sheriff’s department, Columbia County Sheriff’s Department, Sun Prairie Police Department, Deforest Police Department, Waunakee Police Department, Fitchburg Police Department, Stoughton Police Department, and the Wisconsin State Patrol.

Attached to this email is an excel doc, showing all 766 police calls we have performed from 1.1.25 – 12.8.25. You will see a consistent fast ETA and proper reporting.

These calls are abandon cars, accidents, recoveries, winch outs, flooded cars, stolen cars, disabled cars, etc – very similar to the same kind of calls West Allis will have.

Finish Line Towing, LLC

john@flt-wi.com

Finish Line Towing is an active member of the Wisconsin Towing Association, we regularly attend trainings when they are available. The WTA helps towing companies stay compliant and updated on changes in rules and regulations.

Finish Line Towing has won the “provider of excellence” award from AAA every year since 2017, this is a small group of providers that meet certain ETA and customer service goals each year.

Finish Line Towing is also a two-time winner of the national ACE award, which is an award given to the top 1% in customer service ratings amongst every single towing company that provides service for road side assistance programs such as swoop, agero, Allstate, Tesla, or Geico.

In closing, we wanted to provide a clearer picture of our operational capacity and experience. Based on the scoring, it appears we may not have fully communicated the scale of our team or resources. Finish Line Towing always maintains a staff of approximately 50 trained operators — a level of staffing and readiness that is not commonly matched in the West Allis region. We hope this additional context helps demonstrate our ability to meet and exceed the demands of this contract.

Hello -

My name is John Van, I am the owner of Finish Line Towing (*sometimes referred to as FLT*) located at 9745 W. Schlinger Ave West Allis, WI 53214.

I'm writing today ahead of the upcoming decision regarding the towing contract for the City of West Allis. Before the final selection is made, there are a few concerns I feel are important to address and clarify.

- The scoring criteria used to determine the recommended provider is not entirely clear. Finish Line Towing received the lowest score in the category of operational experience and qualifications, despite operating with a large, diverse fleet, a well-staffed team, and a proven history of high-volume service delivery. Based on the information available, the scoring outcome does not appear to reflect the scale, capacity, or demonstrated performance of our organization.

I have attached some additional information in regard to our experience, it seems that it was not communicated well enough about our level of experience and qualifications.

- We received a lower score in the category of equipment and facility adequacy, despite having significantly more resources than the selected provider. Our fleet size, equipment mix, and storage capabilities exceed both industry standards and the needs outlined by the City. In addition, our facility provides ample indoor and outdoor secured storage, along with modern office space that meets — and in many cases surpasses — the requirements listed in the RFP.

I have attached our equipment list and an extensive explanation about our facilities.

- Finish Line Towing has earned a strong reputation with the public, serving more than 85,000 customers each year across Southern Wisconsin — with roughly half of those calls coming from the West Allis and Milwaukee area. Our reviews speak for themselves. We encourage you to compare our public feedback and customer experience ratings with those of the currently selected provider. We're proud of how we treat people, and the community response reflects that commitment.

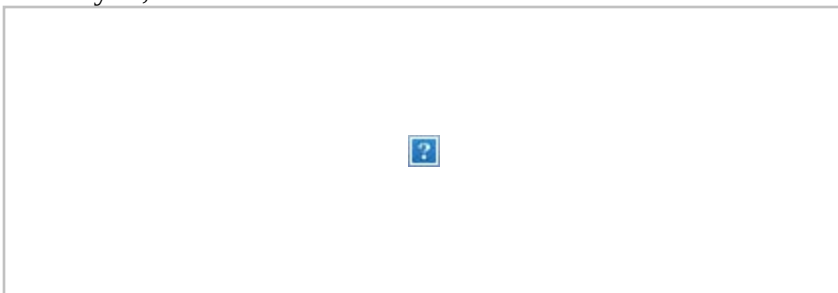

I've included screenshots of current Google ratings for reference. In today's service industry, Google reviews are widely recognized as a reliable measure of customer experience and public perception. Based on that standard, we believe this is a fair and meaningful metric when evaluating towing providers.

In closing, our primary concern is that the only factor separating bidders appears to be prior experience specifically with the City of West Allis—something only the current provider was in a position to demonstrate. If this was intended to be a weighted factor in the evaluation, we believe that should have been communicated clearly in advance so all bidders could prepare accordingly and be evaluated on equal footing.

Thank you for taking the time to review the information shared in this message. I appreciate the opportunity to participate in this process, and I hope the points raised are helpful as the City moves toward a final decision.

--

Thank you,

Johnny Van | *President*

Finish Line Towing has 15 tow trucks in the West Allis area, as well as 11 that are dedicated to light service work only. This is nearly double the other contractor that was awarded more points on their bid. We believe a reevaluation of the fleets would be fair.

TOWING SERVICES CONTRACT

Pursuant to West Allis Municipal Code § 4.25, this towing services contract is made and entered into as of December 9, 2025, by and between the City of West Allis, a municipal corporation ("City"), and N&S Towing, Inc., a domestic corporation ("Contractor"), to establish the terms under which vehicles within the City of West Allis may be moved, removed, and impounded at the direction of the City.

WHEREAS, the common council finds it is in the public interest to contract with a towing company for the removal of: 1) vehicles standing upon a highway in violation of a prohibition, limitation or restriction on stopping, standing or parking imposed under Wis. Stat. Chs. 346 or 349,, 2) abandoned vehicles under WAMC § 6.015 and Wis. Stat. § 342.40, and 3) disabled vehicles that obstruct the roadway of a freeway or expressway; and

WHEREAS, the City sought proposals from vehicle towing companies and received multiple responses; and

WHEREAS, in the judgment of the common council, the Contractor is the responsive bidder that shall render the most satisfactory and dependable service to the City;

NOW THEREFORE, in consideration of the following mutual covenants and conditions, the municipalities agree as follows:

1. Term. This contract shall commence on January 1, 2026, and shall expire on December 31, 2028. After expiration, this contract shall automatically renew for 3 additional years unless one party notifies the other by October 1, 2028, that it declines to renew this contract.
2. Incorporation of Bid Materials. Unless inconsistent with the terms of this contract, the terms of the request for proposals and responsive materials from the Contractor shall be incorporated into this contract.
3. Compliance with Applicable Laws. The Contractor shall comply with all applicable laws regarding the towing, impounding, storage, return, and disposal of vehicles in its possession.
4. Response Time. The Contractor shall respond to a request by a duly authorized officer or employee of the City, arrive on-site, and be prepared to remove a vehicle within 30 minutes after the request is made unless a bona fide emergency prevented the Contractor from timely responding.
5. Dedicated Equipment. The Contractor shall have at least 2 tow trucks available to exclusively respond to calls from authorized City representatives during declared snow emergencies.

6. Contractor Fees. The Contractor's compensation for the rendition of services shall be paid by the owner of the vehicle or, where required by law, by the City according to the fee schedule submitted with the Contractor's bid. The towing Contractor may not charge a fee in excess of the fee schedule submitted with the Contractor's bid, where an authorized agent of the City has called for the Contractor's services.
7. City Fee. The Contractor shall collect the applicable fee listed in the City's Fee Schedule for services related to the towing of vehicles from a highway under Wis. Stat. § 349.13(3) or from private property under Wis. Stat. § 349.13(3m). All City fees collected by the Contractor under this paragraph shall be aggregated and forwarded together to the City treasurer at the same time as the monthly statement of work is submitted to the police chief.
8. Monthly Statement of Work. The Contractor shall submit to the chief of police, on or before the tenth day of each month, a sworn statement covering all operations performed under the towing contract for the preceding month. The statement shall contain the following information:
 - a. Name and address of owner of vehicle.
 - b. Date of removal of vehicle.
 - c. Make and model of the vehicle.
 - d. Location from which the vehicle was removed.
 - e. Location to which the vehicle was towed.
 - f. The total charge made for such removal.
9. Surety Bond. During the term of this contract, the Contractor shall maintain a surety bond in the amount established by the board of public works as a guaranty of satisfactory performance of this contract.
10. Insurance Requirements. Proof of worker's compensation insurance and liability insurance in minimum amounts established by the board of public works covering all operations, premises, storage of vehicles and the contents thereof, and vehicles used in carrying out the work required under the contract is attached and marked **Exhibit A**. The Contractor shall maintain such insurance for the term of this contract. The policy shall name the City as an additional insured and shall provide for a 30-day notice to the City in the event of cancellation.
11. Indemnification. The Contractor shall agree to hold the City harmless for any and all claims and damages resulting from operations conducted under the towing contract, including damage or loss to vehicles and personal property contained in said vehicles held in storage by the Contractor. The Contractor further agrees to defend any claim on behalf of the City and to pay all costs, damages and attorneys fees which may result from such claims.

12. Prices Posted. The Contractor shall post a list of prices in conformity with the bid in a location and form designed to give reasonable notice to a person retrieving a towed vehicle.

13. Miscellaneous. This contract shall be construed under the laws of the State of Wisconsin.

14. Termination. Notwithstanding any other provision in this contract, the City may terminate this agreement at its discretion without advanced notice.
