RE: City Attorney's Report of Claim

Dear Council Members:

The enclosed claim has been referred to this office in accordance with Section 3.05 (6)(a) of the Revised Municipal Code. This office has examined the facts of the claim and the applicable law. Our Opinion regarding liability is as follows:

It is the recommendation of this office that the following claim be denied:

Nicole Nyhof - Amount: \$ 145.68

This is a claim for damages sustained to the claimant's vehicle when it struck a pothole in the road on South 70th Street and West Main Street on April 5th, 2008. The claimant's car required a new tire as a result of the accident. The claimant obtained an estimate for repairs and filed a claim against the City on April 28th, 2008.

Our investigation into this claim indicated that the location where the accident occurred, on South 70th Street and West Main Street, is located in the City of Milwaukee and not the City of West Allis. Therefore, the claimant filed her claim with the wrong legal entity, as the City is not liable for any damages sustained by the claimant in this case. The claimant was notified of this issue by a letter from the City Attorney's Office dated May 19th, 2008.

Based upon the same, it is the recommendation of the City Attorney's Office to deny this claim pursuant to the provisions of Wisconsin Municipal Claims Statute 893.80.

Respectfully submitted,

Jeffrey J. Warchol
Assistant City Attorney

APR 28 2008

CITY OF WEST ALLIS
CLERK/TREASURER

To Common Council:

On Saturday, Apr 5th at approximately 10:00pm I was travelling towards the freeway entrance on South 70th Street when I struck a large, square shaped pothole. I was travelling at the speed limit in the far right lane. There were so many potholes in that area that I could not avoid them all. Unfortunately, I struck the large square pothole and it gave me a flat tire on the front passengers side. I proceeded to pull over on 70th & Main (near Jets Convenience store) to avoid further damage. I called AAA and waited 3 hours for a tow. My tire was a high performance tire and had to be special ordered; I had to wait 4 days (April 9th) before I could get the tire and have it put on. I went to Tires Plus in Germantown since they were the cheapest and had a sale. Please consider covering this expense for me. It was a major inconvenience to me and also an expense for me that I could not afford due to my recent job layoff. Enclosed is the receipt from Tires Plus for my replacement tire.
