Subject: Unitrends Sole Source Acquisition

I am requesting that the new Unitrends Data Protection unit be purchased as a sole source acquisition.

The Unitrends unit will be an upgrade to our present system and will enhance our data protection and recovery system. We have many years of experience with this system and to make a change would be costlier in equipment, training and present effectiveness.

Weighing all factors, this purchase will be in the best interest of the City.

A handwritten signature in black ink, appearing to read "Jim Jandovitz".
