RE: **2010 – 2014 Capital Improvement Paving Program**

Attached is our proposed 2010 – 2014 Capital Improvement Paving Program. The Advisory Capital Improvement Committee recommended this program for approval.

This is a planning document. It will change based on the needs of the City and available local and Wisconsin Department of Transportation (WisDOT) funding.

Highlights of the program is the reconstruction of 60th Street, still scheduled to start in 2010 and the reconstruction of National Avenue, from 85th to 92nd Streets, scheduled to start in 2011.
