Ald. Lajsic made a motion and Ald. Vitale seconded the motion to approve this item with the understanding that the Department of Public Works would continue to thoroughly review combining positions, especially at the supervisory level.

2. [2016-0571](#) Discussion regarding the City's recycling program.

The Committee agreed on a bright blue cart with a yellow cover. Proposals for processing of recycling will be accepted until 5:00 p.m. on Thursday, September 8, with review and negotiating with 1 or 2 of the 4 firms that will probably be submitting. There will not be a formal bid because of too many variables, but we will be looking at what the firm(s) can do for the City and negotiate a contract accordingly.
