Powerful Voices. Positive Choices

December 20, 2011

Dear Common Council Members,

The West Allis-West Milwaukee Community Coalition is working to reduce underage alcohol and substance abuse in the communities of West Allis and West Milwaukee. One proven way to reduce underage alcohol abuse is to reduce youth access and availability to alcohol.

The passing of AB 63, allowing Class A retailers to sell alcohol at 6:00 AM, will increase the availability of alcohol in the community. The Coalition encourages you to keep the 8:00 AM time for the sale of alcohol to reduce availability and maintain a healthy and safe community for youth and families. Thank you for your consideration.

Sincerely,
