Re: Denial of 2020-2021 Class B Beer and Class C Wine License Applications for Milwaukee Banquet LLC:

Dear Mr. Singh:

Your application for a new 2020-2021 Class B Beer and Class C Wine License in the City of West Allis for Milwaukee Banquet LLC, d/b/a WINI Kitchen, for the premises located at 10535 W. Greenfield Ave., was denied by the Common Council on December 15, 2020.

The Common Council's denial was based on the following reasons:

1. The proposed location was not ready to operate in its current condition.
2. The location and proximity to other licensed properties was not appropriate for the proposed license at this time.
3. The premises was not sufficient for the proposed uses and plan of operation, specifically noted was that there were no bathrooms on the proposed licensed premises for public use.
4. The adjoining property which is identified by the applicant as a separate premises already has an alcohol license issued by the City of West Allis

These rationale for denial and additional discussion related to the denial were held at the December 15, 2020 License and Health Committee meeting.

Please feel free to contact me should you have any questions with regard to the Council's decision.

Respectfully,

Rebecca Grill  
City Administrator/Clerk
