Subject: Gas station

Good Afternoon.

This is Ameer Ali and I am the owner of Pak Daman on 8601 w greenfield ave and I do not think that a gas station will be beneficial for the neighborhood. It is very quiet and if there will be a gas station then there will be people hanging around and doing things that don't need to be around kids. Please reconsider adding this new addition to this neighborhood. Thank you so much!

Sincerely,
Ameer Ali
