WHEREAS, the Authority manages federal HOME funds allocated to the City through an agreement with the Milwaukee County HOME Consortium; and,

WHEREAS, the City owns the over sixty year old facility recognized as the Beloit Road Senior Housing Complex located at 7205-7333 W. Beloit Rd., 2521-2529 S. 72 St., 7216-7312 W. WHEREAS, the Authority has expressed that there is a need and mission of maintaining the affordable senior housing in the City and, therefore directed staff to form a plan to revitalize the complex through the use of Section 42 Tax Credit financing, as more particularly described on attached Exhibit 2; and,

WHEREAS, the tenants qualify for occupancy based on meeting the 50% of County Median Income requirement with the rent calculated utilizing 30% of their income; and

WHEREAS, the City has started the planning process to renovate and update the property and is considering options and the ability in leveraging additional public and private equity (the "Project"); and,

WHEREAS, the Project would not be undertaken unless the public funding provided by the loan and grant becomes available, as the City can maximally raise only a portion of the debt and equity funds required to complete the Project; and,

WHEREAS, the Department of Development of the City of West Allis administers an allocation of H.O.M.E. Funds from the U.S. Department of Housing and Urban Development and the Department of Development has reviewed the Project and finds that the Project meets the federal guidelines for H.O.M.E. funds; and,

WHEREAS, the Authority, under Resolution #800 hereby incorporated by reference, approved allocating HOME funds to the Project in accordance with the following terms and conditions.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual representations, warranties, assurances, covenants and agreements hereinafter set forth, the parties agree as follows:

1. <u>AUTHORITY'S OBLIGATIONS</u>.

The Authority shall provide as follows:

- A. Loan. The Authority shall loan to the City, H.O.M.E. Funds up to the sum of One Million Two Hundred Forty Seven Thousand, Seven Hundred Fifty Eight and no/100 Dollars (\$1,247,758.00) pursuant to the terms and conditions outlined in a development agreement that will be structured upon final organization of the ownership structure and ability to leverage additional resources. Final documents for the loan will be subject to approval by both parties of this agreement.
- B. Zoning and Planning Approvals. The Authority shall use its best efforts to expedite the zoning and plan review process to accommodate Developer's development schedule for the renovation of the Property. To the extent not already approved on or prior to the date of this agreement, all such required approvals are subject to the final approval of the West Allis Common Council, Plan Commission and the Authority.

2. <u>DEVELOPER'S OBLIGATIONS</u>.

City shall be obligated as follows:

A. As security for the Loan, the City shall deliver to the Authority:

i. Loan Security.

- a. A third mortgage to the Authority, subordinated to Primary Lender and tax credit investor. Mortgage will be structured in the final organization of the Project and will require final approval of both parties.
- b. A Guaranty of Payment and Performance from the final ownership structure.
- B. Renovation of an Existing Building for Affordable Senior Housing.

 The City shall renovate the Property in accordance with formalized plans outlined in the April 2010 Capital Needs Assessment for the Beloit Road Senior Housing Complex. The City anticipates that the total development

costs of the Property will be approximately \$4,068,458. Before commencement of the renovation of the property, the City shall prepare its development budget for the Property. The City shall maintain records such that its actual expenditures may be ascertained and reconciled against said budget. From time to time, upon reasonable notice from the Authority, authorized representatives of the Authority or representatives from the U.S. Department of Housing and Urban Development shall entitled to examine such records to verify total development costs of the Property.

- **E. Financing.** Prior to closing of this transaction, the City will provide to the Authority evidence satisfactory to the Authority that the City has available to it sufficient funds for the completion of the Project.
- F. <u>Affordability Requirement</u>. Because the project is funded with HOME funds which require a period of affordability, a low to moderate income person is defined as a member of a low to moderate income family within the applicable income limits for Section 8 Rental Assistance Programs which are set forth in **Exhibit 3**.
- G. Financial Statements and Leases. The City shall execute and deliver to the Authority such financing statements and other documents as may be required to create, perfect, preserve and maintain any security interest now or in the future granted to the Authority by the City. The City will provide the Authority with true and correct copies of leases and financial statements and a narrative statement of the state of the performance of the Property, including lease rates and trends and projections and disclosure of any material cost or liability not contained on the financial statement. All financial statements are to be prepared in accordance with generally accepted principles of auditing and accounting applied on a basis consistent with the City's accounting practices for the prior year.
- **H.** No Subdivision. No owner of any portion of the Property may further subdivide the Property or any portion thereof nor sell, transfer or convey fee simple title to less than the entire interest of the Property without the prior written consent of the Authority.
- I. Payment in Lieu of Taxes. Ownership of the property by any person or in any manner which, for a period of twenty (20) years from the execution of this agreement, would render any part of the property exempt from property taxation shall result in a payment in lieu of taxes (PILOT) from the City, or its heirs, successors, and assigns, to the City of West Allis each year in amount equal to the City's portion of the net general property taxes that would have been due and owning on the property if it was not

tax exempt. The PILOT shall be due and payable in the same manner as property taxes.

Failure to make the PILOT or a challenge to the ability of the City of West Allis to collect the PILOT by the Developer, its heirs, successors, or assigns shall result in payment to the City by Developer, its heirs, successors, or assigns, the sum that represents the fair market value of the property, less improvements, at the time of such failure to pay or challenge.

City and Authority specifically agree that funding under this Agreement and the PILOT are intrinsically tied together and are material inducements to this agreement.

- Taxes. The City will file when due or obtain valid extensions for all federal and state income and other tax returns which are required to be filed and will pay all taxes shown on said returns and on all assessments received by them to the extent that such taxes shall have become due. The City has no knowledge of any liabilities, which may be asserted against them upon, audit of their federal or state tax returns.
- **K.** <u>Legal Status.</u> Except as disclosed by the City to the Authority in writing prior to the date hereof, there is no action, suit, proceeding or investigation before any court, public board or body pending or threatened against the City or any of its property which, if adversely determined, would have a material adverse effect upon the business, properties or financial condition of the Developer.
- L. <u>Notice</u>. The City shall immediately notify the Authority in writing of the occurrence of any failure by them to observe or perform any covenant or agreement contained in any Loan Document or any other default hereunder or under any other Loan Document.
- 3. <u>BUILDING, SITE, AND ARCHITECTURAL APPROVALS</u>. The Plan Commission of the City of West Allis will review all building, site, landscaping and architectural plan as approvals are required for the Project under this Agreement.
- 4. <u>DISBURSEMENT OF FUNDS</u>. At closing, no funds shall be paid to the Developer. The funds shall be held by the Authority. The City shall submit invoices to the Housing Division for work on the Project. The Housing Division shall inspect the Project and the City hereby grants permission to employees of the Authority to conduct such inspections. Failure to allow said inspections shall constitute grounds for non-payment of the invoice. Within 10 days of presentation of an invoice, the parties shall arrange an inspection. Upon completion of the inspection, the Authority shall, within 10

days, either pay the invoice in full or notify the City in writing, the grounds for non-payment or partial payment. Disputes as to payment shall be handled as set forth in Section 13.

- 5. NO ASSIGNMENT. The City may not assign its rights and obligations in and to this Agreement without prior written consent of the Authority. With Authority's consent, the City may assign rights and obligations in and to this Agreement in the event of a sale or transfer of all of Developer's interest in and to the Property.
- 6. OTHER SITE IMPROVEMENTS. The location and design compatibility of all lanes, drives, parking arrangements and ingress and egress plans for the Property, including the impact on traffic circulation, are part of the site plan previously approved by the Plan Commission and the Authority. However, certain businesses or uses of the commercial space of the Property will require a Special Use Permit and additional review by the Plan Commission. Landscaping improvements are an integral part of the Property and shall be installed and maintained in accordance with the landscape plan for the Property previously approved by Plan Commission and the Authority. All required landscaping shall comply with Section 12.13 of the Revised Municipal Code of the City of West Allis, shall be completed within one year of the completion of construction of the principal buildings and shall, thereafter, be maintained in a manner acceptable to the Plan Commission. Landscape materials shall be suitable to the climate, soil conditions, and intended use of the Property and shall be of sufficient size and density to create an immediate landscaped environment consisting but not limited to window boxes, planters, 2 ½ inch caliper trees, and various plants.
- 7. SIGNAGE. The Plan Commission shall review all exterior signs and approve only those that are environmentally and aesthetically suitable. City shall submit a plan to the Plan Commission indicating, in sufficient detail for review and approval, the type, size, shape and location of its proposed signs. Any buildings intended predominantly for rental should be designed with a sign frieze to assure uniformity and continuity of style. Plan Commission approval shall be required prior to the fabrication or installation of a sign or the filing of a formal application for a permit with the Department of Building Inspection and Zoning of the City of West Allis. Off-premise and rooftop signs are expressly prohibited.
- 8. PARKING SPACES. Automobile parking and loading spaces are required by the City of West Allis Codes and shall be provided for the Property. Parking requirements are reviewed and approved by Plan Commission.

WHEREAS, the Authority manages federal HOME funds allocated to the City through an agreement with the Milwaukee County HOME Consortium; and,

WHEREAS, the City owns the over sixty year old facility recognized as the Beloit Road Senior Housing Complex located at 7205-7333 W. Beloit Rd., 2521-2529 S. 72 St., 7216-7312 W. Dreyer Place and 7211-7341 W. Dreyer Place, City of West Allis, County of Milwaukee, State of Wisconsin (the "Property") containing 104-units of affordable elderly housing units, as more particularly described on attached Exhibit 1; and,

WHEREAS, the Authority has expressed that there is a need and mission of maintaining the affordable senior housing in the City and, therefore directed staff to form a plan to revitalize the complex through the use of Section 42 Tax Credit financing, as more particularly described on attached Exhibit 2; and,

WHEREAS, the tenants qualify for occupancy based on meeting the 50% of County Median Income requirement with the rent calculated utilizing 30% of their income; and

WHEREAS, the City has started the planning process to renovate and update the property and is considering options and the ability in leveraging additional public and private equity (the "Project"); and,

WHEREAS, the Project would not be undertaken unless the public funding provided by the loan and grant becomes available, as the City can maximally raise only a portion of the debt and equity funds required to complete the Project; and,

WHEREAS, the Department of Development of the City of West Allis administers an allocation of H.O.M.E. Funds from the U.S. Department of Housing and Urban Development and the Department of Development has reviewed the Project and finds that the Project meets the federal guidelines for H.O.M.E. funds; and,

WHEREAS, the Authority, under Resolution #800 hereby incorporated by reference, approved allocating HOME funds to the Project in accordance with the following terms and conditions.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual representations, warranties, assurances, covenants and agreements hereinafter set forth, the parties agree as follows:

1. <u>AUTHORITY'S OBLIGATIONS</u>.

The Authority shall provide as follows:

- A. Loan. The Authority shall loan to the City, H.O.M.E. Funds up to the sum of One Million Two Hundred Forty Seven Thousand, Seven Hundred Fifty Eight and no/100 Dollars (\$1,247,758.00) pursuant to the terms and conditions outlined in a development agreement that will be structured upon final organization of the ownership structure and ability to leverage additional resources. Final documents for the loan will be subject to approval by both parties of this agreement.
- B. Zoning and Planning Approvals. The Authority shall use its best efforts to expedite the zoning and plan review process to accommodate Developer's development schedule for the renovation of the Property. To the extent not already approved on or prior to the date of this agreement, all such required approvals are subject to the final approval of the West Allis Common Council, Plan Commission and the Authority.

2. <u>DEVELOPER'S OBLIGATIONS</u>.

City shall be obligated as follows:

A. As security for the Loan, the City shall deliver to the Authority:

i. Loan Security.

- a. A third mortgage to the Authority, subordinated to Primary Lender and tax credit investor. Mortgage will be structured in the final organization of the Project and will require final approval of both parties.
- b. A Guaranty of Payment and Performance from the final ownership structure.
- B. Renovation of an Existing Building for Affordable Senior Housing.

 The City shall renovate the Property in accordance with formalized plans outlined in the April 2010 Capital Needs Assessment for the Beloit Road Senior Housing Complex. The City anticipates that the total development

costs of the Property will be approximately \$4,068,458. Before commencement of the renovation of the property, the City shall prepare its development budget for the Property. The City shall maintain records such that its actual expenditures may be ascertained and reconciled against said budget. From time to time, upon reasonable notice from the Authority, authorized representatives of the Authority or representatives from the U.S. Department of Housing and Urban Development shall entitled to examine such records to verify total development costs of the Property.

- **E. Financing.** Prior to closing of this transaction, the City will provide to the Authority evidence satisfactory to the Authority that the City has available to it sufficient funds for the completion of the Project.
- F. <u>Affordability Requirement</u>. Because the project is funded with HOME funds which require a period of affordability, a low to moderate income person is defined as a member of a low to moderate income family within the applicable income limits for Section 8 Rental Assistance Programs which are set forth in **Exhibit 3**.

I.

Payment in Lieu of Taxes. Ownership of the property by any person or in any manner which, for a period of twenty (20) years from the execution of this agreement, would render any part of the property exempt from property taxation shall result in a payment in lieu of taxes (PILOT) from the City, or its heirs, successors, and assigns, to the City of West Allis each year in amount equal to the City's portion of the net general property taxes that would have been due and owning on the property if it was not

tax exempt. The PILOT shall be due and payable in the same manner as property taxes.

City and Authority specifically agree that funding under this Agreement and the PILOT are intrinsically tied together and are material inducements to this agreement.

- Taxes. The City will file when due or obtain valid extensions for all federal and state income and other tax returns which are required to be filed and will pay all taxes shown on said returns and on all assessments received by them to the extent that such taxes shall have become due. The City has no knowledge of any liabilities, which may be asserted against them upon, audit of their federal or state tax returns.
- **K.** <u>Legal Status.</u> Except as disclosed by the City to the Authority in writing prior to the date hereof, there is no action, suit, proceeding or investigation before any court, public board or body pending or threatened against the City or any of its property which, if adversely determined, would have a material adverse effect upon the business, properties or financial condition of the Developer.
- L. <u>Notice</u>. The City shall immediately notify the Authority in writing of the occurrence of any failure by them to observe or perform any covenant or agreement contained in any Loan Document or any other default hereunder or under any other Loan Document.

- 4. <u>DISBURSEMENT OF FUNDS</u>. At closing, no funds shall be paid to the Developer. The funds shall be held by the Authority. The City shall submit invoices to the Housing Division for work on the Project. The Housing Division shall inspect the Project and the City hereby grants permission to employees of the Authority to conduct such inspections. Failure to allow said inspections shall constitute grounds for non-payment of the invoice. Within 10 days of presentation of an invoice, the parties shall arrange an inspection. Upon completion of the inspection, the Authority shall, within 10

days, either pay the invoice in full or notify the City in writing, the grounds for non-payment or partial payment. Disputes as to payment shall be handled as set forth in Section 13.

- 5. NO ASSIGNMENT. The City may not assign its rights and obligations in and to this Agreement without prior written consent of the Authority. With Authority's consent, the City may assign rights and obligations in and to this Agreement in the event of a sale or transfer of all of Developer's interest in and to the Property.
- OTHER SITE IMPROVEMENTS. The location and design compatibility of all 6. lanes, drives, parking arrangements and ingress and egress plans for the Property, including the impact on traffic circulation, are part of the site plan previously approved by the Plan Commission and the Authority. - 17. <u>CONSTRUCTION</u>. The Authority and City and/or counsel acknowledge that each party and its counsel have reviewed and revised this agreement and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this agreement or any amendments or exhibits hereto.

- **22. CONTINUITY**. The property shall be conveyed subject to the restrictions, covenants, agreements and conditions contained herein, all of which are to run with the land and shall be binding on all parties and all persons claiming the Property in perpetuity, unless a resolution adopted by the Authority and the Property owners has been recorded, agreeing to change, modify, or amend the Agreement in whole or in part.
