## CITY OF WEST ALLIS RESOLUTION R-2025-2874

## RESOLUTION DIRECTING THE CITY ADMINISTRATOR TO PREPARE AND PRESENT WITHIN 30-90 DAYS AN EXECUTIVE SUMMARY DESCRIBING A POTENTIAL JOINT FIRE DEPARTMENT FORMED BY WEST ALLIS AND WAUWATOSA

WHEREAS, a report submitted by McMahon & Associates recommends that Wauwatosa and West Allis consolidate their fire departments into a joint fire department that provides fire protection and emergency services to both communities; and

WHEREAS, the recommendation is supported by information showing that the departments are functionally set up well to merge because they are similar in staffing, call volume, and excellent quality of service; and

**WHEREAS**, the recommendation finds that if the departments remain separate, levy limit laws on both Wauwatosa and West Allis will soon impact each fire department, causing significant budget deficits in each community; and

**WHEREAS**, by merging departments, the joint fire department is eligible to operate under a more flexible financing model of CPI 2% rather than restrictive traditional levy limits, thereby creating long-term viability of fire protection and emergency services to both communities while sustaining or improving services; and

**WHEREAS**, the common council desires to explore this concept more and dedicate city resources to drafting an agreement to create a joint fire department;

**NOW THEREFORE,** be it resolved by the Common Council of the City Of West Allis, in the State of Wisconsin, that the city administrator shall have city staff draft an agreement that transfers fire protection and emergency services to a joint fire department between the Cities of Wauwatosa and West Allis in the manner contemplated by Wis. Stat. 66.0602(3)(h)1.;

**BE IT FURTHER RESOLVED,** that the city administrator, or a designee, shall endeavor to present an executive summary of this draft agreement to the common council for its consideration within 30 to 90 days.

**SECTION 1: ADOPTION** "R-2025-2874" of the City Of West Allis Municipal Resolutions is hereby *added* as follows:
