

WAWM HEROIN/OPIATE TASK FORCE

Mission: To improve the quality of life in our community by preventing the harmful consequences of opiate/heroin use. We will utilize multiple community stakeholders focused on prevention, education and support.

Objective: To raise awareness and educate youth and adults about the devastating and deadly effects of opiates and heroin and to prevent those in our community from EVER trying heroin.

Primary Goals: To reduce opiate/heroin overdoses and deaths, support addict families and connect those affected to needed resources.
