## Let Us Help!

Need assistance with household and brush pick-up? Our dedicated team is here to make it easy for you. Simply request a pick-up, and we'll take care of the rest. Enjoy a cleaner, clutter-free space with our reliable service. Contact us today to schedule your pick-up!

To ask a question, express a comment or suggestion, report a concern or issue, or request a service, access the City's Online Help System at [www.WestAllisWI.gov/LetUsHelp](http://www.WestAllisWI.gov/LetUsHelp).

## Your Collection Day

Garbage from one-to-three-family homes is picked up weekly by the City of West Allis. Recycling is picked up every other week from one-to-four-family homes. To find your pick-up day and recycling week, visit the City's website at [www.WestAllisWI.gov/PropertySearch](http://www.WestAllisWI.gov/PropertySearch).

## Make Sure Your Carts Are City-Approved

All residential properties with City garbage or recycling pick-up must have approved carts from the Department of Public Works. If you don't have an approved cart for collection, the City will provide them at your expense.

Order your carts at:  
[www.WestAllisWI.gov/Carts](http://www.WestAllisWI.gov/Carts).

# ✔ Do This

## Do This:

Place garbage and recycling carts neatly at the curb so they don't block sidewalks, streets, or pose a risk to people or property.

# ✘ Don't Do This

## Don't Do This:

Do not leave garbage loose or overflowing—uncontained items create safety hazards for DPW workers and attract rodents.

## Do This:

Clear snow and ice around carts so they are easy for DPW crews to access and move safely.

## Don't Do This:

Do not leave carts blocked, buried, or covered in snow and ice, making them unsafe for DPW crews to access and empty.

## Do This:

Place garbage and recycling carts properly at the alley edge with all items fully contained inside the cart for pickup.

## Don't Do This:

Bagged garbage should always fit inside the cart – loose or overflowing items can create unsafe conditions for DPW workers and invite rodents and other pests. Bring excess bagged garbage to the McGeoch drop-off site.

## Garbage Pick-Up Guidelines

### What's New – January 2026

Items placed outside the garbage cart are properly prepared and will be collected without a fee if:

- The total of all items does not exceed one cubic yard (3' x 3' x 3'), estimated size of a standard clothes dryer.
- Limited to 3 items or less, and are solid and not bendable. If more than 3 items are placed outside of the cart for collection, the additional item(s) will be subject to an additional collection fee based on volume.
- Full, twin, and crib size mattresses will be collected as one of the 3 items placed outside of the cart.
- Queen size and larger mattresses will be collected for a fee.
- No single item exceeds 50 pounds. Items greater than 50 pounds will be subject to an additional fee.
- No items should pose a threat to people or property.
- Nails and screws must be removed or pounded down and broken glass contained.
- Loose and uncontained materials shall not be placed outside the garbage cart.
- Items should be less than 5 feet in length.
- Items must be safe and easy to remove.
- Items cannot be a food source or attractive to rodents.
- Bags should not be placed outside the cart. To be collected, all bags must be in the cart.

### What's the Same

- Contractor-generated materials will NOT be removed by the City.
- Items placed outside the garbage cart that are greater than one cubic yard may be collected for an additional fee. Items exceeding eight cubic yards will be evaluated for collection at the Director's discretion.
- Permits may be requested to bring up to eight cubic yards of non-contractor-generated materials to the Municipal Yard drop-off site. Materials are subject to a fee based on volume.
- Contain all items in City-approved carts, free of liquid
- Put garbage and recyclables out by 7 a.m. at the curb/alley edge or drive approach on your pick-up day.
- Return garbage and recycling carts to storage area by 8 p.m. on the day of pick-up.
- Please make garbage and recycling carts accessible to crews. Carts that are frozen to the ground or buried in snow can cause injury to the collection crew or damage to the cart if they attempt to move the carts.
- Bag or box loose materials like shredded paper, sawdust, dampened ashes, animal waste and bedding, Styrofoam, etc. so they don't blow away when carts are dumped.
- Dry out latex paint and leave cans open for pick up.
- Bag fruit and vegetable waste (including pumpkins).
- Keep cart lids tightly closed.
- Garbage and recyclables shall not be placed at the curb or alley edge before 6 p.m. on the day before the scheduled collection.
- Garbage and recyclables should not be placed in the street or block the City sidewalk.
- Recyclables should not be bagged - place loose in cart.
- Yard waste and brush should not be placed in the alley.

## Seasonal Services

### Yard Waste Collection

- **Spring collection of yard waste:** April 19–May 10
- **Fall collection of yard waste:** Sept. 27–Nov. 15
- Yard waste includes leaves, weeds, flowers, vines and other non-fruit or vegetable material. It should be placed in the curb-line of the street only during spring and fall collections.
- Remove pots and dirt from potted plants before placing plants in the curb-line.
- Yard waste can be composted at home or disposed of, without charge, at a City drop-off site.
- When parking on the street, be mindful of leaf piles and allow a 15-foot clearance.
- Find out when crews will be collecting leaves and yard waste in your neighborhood at [www.WestAllisWi.gov/LeafPickUp](http://www.WestAllisWi.gov/LeafPickUp).
- **Do not** put yard waste in bags, boxes or containers in the street.
- **Do not** mix brush into yard waste piles. It clogs the City's equipment rakes.
- **Do not** mix bricks, concrete, etc. into yard waste piles.
- **Do not** put fruit and vegetable material in the curb-line. Bag it and place in the garbage cart.

### Christmas Trees

- After removing all decorations, Christmas trees should be put where garbage is collected for pick up. Please do not place trees in the street.

### Brush Collection

- Brush is woody material from trees and shrubs and trimmings from bushes. On recycling day, one cubic yard of brush (sticks and branches) will be collected curbside from June 1 (red week) through Oct. 2 (black week). Brush will not be collected during the holiday weeks of June 29 and Sept. 7.
- Cut brush into lengths of five feet or less and no greater than 4" in diameter.
- Bundle the brush pile and place parallel between the sidewalk and curb. Do not place in the street.
- Put smaller pieces of brush in a box or can marked "brush."
- **Do not** put brush in bags.
- **Do not** mix yard waste into brush piles.

### Grass Clippings

- Grass clippings are not collected or accepted by the City.
- Grass clippings cannot be raked or allowed to blow into the streets where they can clog storm sewers and contaminate run-off water.
- Leave grass clippings on the lawn, add to your compost pile or use as mulch under trees and shrubs.
