RE: **Communication from City Engineer Regarding Painting of Bike Lanes Along 116th Street**

The resurfacing of 116th Street from Lincoln Avenue to about Rogers Street was approved. I am asking if the Board wants to include painted bike lanes at an estimated cost of \$6,800.

Since we don't have an approved bike plan nor a source of funding for bike lanes and maintenance thereof, I am concerned about continuing to fund bike lanes through the street construction program and of course, Michael Pertmer, is concerned with the cost of maintenance.
