Proposed banner location

I have a good option on the brackets.
You would need one for the top and bottom of the signs.
These are for 24" signs (width)
So you can to the 2'x3' you wanted.
I will quote 18"wide x24" too.

Two sided poly metal signs printed and UV laminated face
24"x36"
Qty of 10
Cost per = \$105.00
Wing Bracket raw finish
Qty of 20
Cost per = \$48.00

Two sided poly metal signs printed and UV laminated face
18"x24"
Qty of 10
Cost per = \$54.00
Wing Bracket raw finish
Qty of 20
Cost per = \$21.00

These will have to be applied to poles with metal strapping that the city yards can provide.
Please let me know of any questions.
We can turn these around in one week no problem!

Thank you,

Bill Duewel
