RE: City Attorney's Report of Claim

Dear Council Members:

The enclosed claim has been referred to this office in accordance with Section 3.05 (6)(a) of the Revised Municipal Code. This office has examined the facts of the claim and the applicable law. Our Opinion regarding liability is as follows:

It is the recommendation of this office that the following claim be denied:

Paul Esperes - Amount: \$2,800.00

This is a claim for property damage to the claimant's vehicle on September 23rd, 2008, when the claimant's vehicle collided with a refuse truck operated by a City of West Allis employee at 84th Street and Lincoln Avenue in the City of West Allis. At said date and time, while picking up garbage and recyclables with emergency lights in operation, the city employee attempted to turn right on a green signal at 84th Street and Lincoln Avenue when the claimant attempted to make a right turn from the lane next to the parking lane directly in front of the garbage truck causing the two vehicles to collide. The claimant's vehicle sustained damage to the rear fender and right quarter panel in the approximate amount of \$2,800.00. The claimant obtained two estimates and filed a claim against the City on October 6th, 2008, for the cost to repair his vehicle.

Our investigation into this claim indicated that the claimant was more negligent than the City employee in attempting to make a right hand turn in front of the garbage truck. Two independent witnesses at the scene of the accident collaborated the City employee's rendition of the facts that the claimant turned directly in front of the garbage truck as said truck was attempting a right turn on a green light at 84th Street and Lincoln Avenue. The accident report filed by the claimant in this case indicates that the claimant was negligent in the manner in which he improperly attempted to overtake another vehicle. Based on the facts and statements of witnesses, it is unlikely that the claimant would recover on this claim in a court of law.

Based upon the above, it is the recommendation of the City Attorney's Office to deny this claim pursuant to the provisions of Wisconsin Municipal Claims Statute 893.80.

Respectfully submitted,

Jeffrey J. Warchol
Assistant City Attorney

JJW:da

On Sept 23, 2008 I was involved in an accident on 84th and Lincoln Ave.

On that date I was stopped at a stop sign in the left lane, with my signals on to make a right turn on to Lincoln Ave. A Garbage truck was in the right lane collecting recyclables when the Garbage truck pulled forward hitting me in the rear right fender and bumper, causing damage to my truck.

Accident Investigation

Event #: **08044104**
Date of Accident: **09/23/08** Time of Accident: **1026**
Location: **S. 84 St. at W. Lincoln Ave.**
Investigating Officer(s): **T. I. Mark Sopa** Assisting Officer(s):
Traffic Investigator: **T. I. Mark Sopa**

Investigation

On the above date and time I was dispatched to investigate a 2 vehicle PDO at 84th and Cleveland. Upon my arrival, I was advised the crash actually occurred at 84th and Lincoln.

Witness statement of Rick Turner:

I spoke with Rick A Turner DOB 01/23/67 of 942 S. 56 St. West Allis, WI 53214, H# 763-9891. Rick stated he was S/B on 84 St. stopped behind a pick up truck. He observed a garbage truck in the right lane with all of its flashing lights on. The pick up truck ahead of him then tried to make a right turn from the left lane in front of the garbage truck as the garbage truck pulled forward on the green light.

Witness statement of Kathy Turner:

I also spoke with Kathy L. Turner DOB 08/12/65 of 942 S. 56 St. West Allis, WI 53214, H# 763-9891. Kathy was a passenger in the vehicle driven by her husband when she also observed the pick up truck ahead of them try to turn right from the center lane in front of a garbage truck with its flashing lights on. The light turned green and when the garbage truck pulled forward, it struck the truck. She did not recall seeing the turn signal on the pick up truck.

Statement of unit #1:

Paul Esperes stated he was S/B on 84 St. approaching Lincoln. A Garbage truck was in the right lane and he saw a garbage man collecting recyclables. There were 2 cars stopped ahead of him. The light turned green and he put his signal on and was going to make a right turn. As he turned right, the garbage truck pulled forward and hit him. He pulled over but the garbage truck kept going. He followed the garbage truck and told him to pull over at Cleveland.

Statement of unit #2:

William Bradetich stated he was on his garbage route and was operating the vehicle from the passenger side. He was in the curb lane with all of his flashing lights operating. The light turned green at Lincoln and he began to pull forward when he unknowingly hit a pickup truck. He continued driving S/B until the driver of the truck told him to pull over.

Accident Investigation

Officer Observations:

The garbage truck had on its flashing lights. Garbage trucks generally do not stay in one place for long while picking up trash. The driver of the pick up attempted to make a right turn from the left lane instead of waiting for the garbage truck to move first.

Private Party Value is what a buyer can expect to pay when buying a used car from a private party. The Private Party Value assumes the vehicle is sold "As Is" and carries no warranty (other than the continuing factory warranty). The final sale price may vary depending on the vehicle's actual condition and local market conditions.
