Re: Application of EZ Money Corp to place store at 11000 W National Ave.  
Meeting being held at Common Council Chambers July 27, 2006 at 6 p.m.

To Whom It May Concern:

I own the home located at 10949 W Mequanigo Drive, West Allis, WI 53227. I have lived in this home since February, 2002. I have enjoyed my neighborhood and the quiet respite it provides.

There are currently several check cashing establishments on 108<sup>th</sup> St. I do not believe that the people of West Allis, want to become known as the check cashing capitol of the state. In fact, I have always thought of West Allis as substantially more than simply a collection of loan sharks and places of usury.

West Allis has struggled through the past decade as many reliable and well paying jobs have left the area. This has happened for many reasons. Regardless of the reason, the loss of those jobs does not and should not mean the only place working people have to go to keep up with their monthly bills is to a "payday loan" store.

I encourage the neighborhood and the Common Council to vote down the application of EZ Money Corp.

I regret that my work currently has me in New York and I will be unable to attend the meeting.

Sincerely,

Michael F Torphy
