RE: City Attorney's Report of Claims/Lawsuits

Dear Council Members:

The enclosed claims have been referred to this office in accordance with Section 3.05 (8) of the Revised Municipal Code. This office has examined the facts of the claims/lawsuits and the applicable law. Our Opinion regarding liability is as follows:

It is the recommendation of this office that the following claims/lawsuits be placed on file:

Reinhart, Boerner, Van Deuren, S.C. on behalf of Walgreen Co. located at 2677 S. 108 St., 8333 W. Greenfield Ave. and 10725 W. Greenfield Ave. (Various Amounts)

These are claims for excessive assessment of Walgreen's property taxes for the years of 2006 and 2007 at 2677 South 108th Street, 8333 West Greenfield Avenue and 10725 West Greenfield Avenue, West Allis, WI. The claimant was asking for refunds on the assessments.

The City of West Allis has come to an agreement (settlement) with Walgreen in terms of an assessment adjustment for 2008. A State Supreme Court Decision, *Walgreens v. the City of Madison*, precipitated the settlement. The court ruled in Walgreen's favor and determined how the Walgreen stores must be valued for assessment purposes. The City, as a result of this decision, entered a settlement negotiation process that adjusted the assessments for 2006, 2007 and 2008. The adjustments were addressed by lowering the 2008 assessment and, by court order, the City re-opened the 2008 Board of Review and adopted the negotiated value for the 2008 assessment roll. Due to the settlement process, the City does not have to make any refunds on assessments and do not have to address interest or penalty issues.

Based upon the above, these claims should be placed on file.

Respectfully submitted,

Scott E. Post
City Attorney

RE: Walgreen Assessment Settlement

The City of West Allis has come to an agreement (settlement) with Walgreens, in terms of an assessment adjustment for 2008. This settlement was precipitated by a State Supreme Court decision, in the case of Walgreens vs. The City of Madison. The Court ruled in Walgreens favor, and thus determined how the Walgreen stores must be valued for assessment purposes. The City, as a result of this decision, entered a settlement negotiation process that effectively adjusted the assessments for 2006, 2007, and 2008. All of these adjustments were addressed by lowering the 2008 assessment. By Court order we reopened the 2008 Board of Review and adopted the negotiated value for the 2008 assessment roll. The City, due to the settlement process, does not have to make any refunds on assessments, and we do not have to address interest or penalty issues.

Sincerely,

Charles F. Ruud
City Assessor
