Officer Carrie Novinska of the West Allis Police Department, being duly sworn on oath, deposes and states as a complaint under Wis. Stat. § 125.12(2)(ag) against STEFFEK LLC, doing business as “The Drunk Uncle” as follows:

1. That this complaint is based upon information contained within official records maintained by the City of West Allis, West Allis Police Department, and the Wisconsin Department of Revenue which the complainant has used in the past and found to be reliable.

I. PARTIES, LICENSE, AND PERMIT INFORMATION

2. That the complainant is a resident of the City of West Allis.

3. That STEFFEK LLC, doing business as “The Drunk Uncle” has been issued a Class “B” fermented malt beverage license and a “Class B” intoxicating liquor license (together identified locally as a “Class B Tavern License”) and a Public Entertainment Permit, issued collectively under license number ALC-22-130 for the premises located at 1902 S. 68th Street in

4. That license ALC-22-130 identifies Neal Steffek as the licensing agent appointed pursuant to Wis. Stat. § 125.04(6)(a).

5. That Neal Steffek has operated an alcohol establishment at the premises located at 1902 S. 68th Street since 2014. This location previously did business under the trade name “Mugshots” until changed by Neal Steffek on or about May 20, 2014, to “The Drunk Uncle.”

II. FACTUAL BASIS

7. That on or about March 8, 2025, a review was posted online by an individual identified in this complaint as B.D., regarding her experiences at “The Drunk Uncle.” Hereafter this original review will be identified as the “Original Complaint by B.D.” This review identified inappropriate behavior by the owner of the establishment towards a female friend of hers, including allegations of overservice and harassment. The Original Complaint by B.D. further identified that the bartender touched her (B.D.’s) face and requested that B.D. “make him a sandwich for International Women’s Day.”

8. In response to the Original Complaint by B.D., the official page for “The Drunk Uncle,” stated, “You are a fat nerd with no friends. That girl was hot AF for this giant huge snake. Go home and jerk it dork.” The complainant states that based on information and belief, the official page for “The Drunk Uncle” is controlled by Neal Steffek. These comments were all made in a public forum and drew attention from the general public.

9. That in response to the Original Complaint by B.D., the City of West Allis posted a public message inviting individuals to report similar behavior or harassment by bars or establishments. In response to the City's request for information, Neal Steffek, agent for "The Drunk Uncle," publicly posted that the huge snake referenced in the earlier post by "The Drunk Uncle" should be the "new city mascot!"

11. That prior to the Original Complaint by B.D., on or about April 5, 2024, the West Allis Police Department obtained a complaint from an individual identified in this complaint as L.E. Neal Steffek was also observed pouring himself and the unknown female large shots of alcohol and then attempting to get her to

take the shot. L.E. reported that he observed the female appear uncomfortable and decided to approach with his friends to diffuse the situation by distracting Neal Steffek. L.E. reported that around this time, an unknown male party that was associated with this female came back from the bathroom and the female became upset when describing her interactions with Neal Steffek to this male. This unknown male demanded an apology from Neal Steffek. L.E. reported that Neal Steffek began to argue back, started recording the group accusing them of lying about the interaction, and calling them “woke.” Eventually L.E. reported that Neal Steffek became aggressive and behaved threateningly before yelling “Leave a review I don’t care Ive had this bar for 11 years no one will take it from me.” [sic].

12. That after the Original Complaint by B.D., additional victims of harassment came forward. One individual that came forward, identified in this complaint as A.V., was the female individual referenced in paragraph 11 by L.E. A.V. reported to the police that on or about March 30, 2024, she went to “The Drunk Uncle” with her husband. A.V. reported that she had been to the bar before and was familiar with the owner, whom she identified as “Neal.” A.V. reported that she had been at the bar for approximately 30 minutes when her husband went to the bathroom. A.V. stated that “Neal” was heavily intoxicated and “could not stand straight up.” A.V. reported that “Neal” approached her when she was alone and he lifted up his shirt exposing his chest, and then stated that it was her turn. A.V. reported that Neal made this request approximately 5 times, making her feel uncomfortable. A.V. reported that around this time a group of three males saw what was happening and approached the interaction. This group include L.E. identified in paragraph 11. A.V. reported that Neal Steffek then took her wrist and stated, “come here, I need to tell you something.” A.V. reported feeling vulnerable and upset by this interaction. A.V. reported that Neal Steffek proceeded to pour two large shots and tried to

get A.V. to drink one, which she declined multiple times. A.V. reported that this apparently made Neal Steffek angry. A.V. reported that shortly thereafter, her husband returned from the bathroom and found her upset. A.V. reported that she began to cry, briefly explained the incident, and went to the bathroom to compose herself. A.V. reported that her husband began demanding an apology from Neal, which Neal refused to provide. She stated she became concerned there was going to be a fight so she and her husband left the bar and Neal began to follow them out and continued to harass them and cause a disturbance. A.V. reported that she did not originally report this information because she was concerned about retaliation.

Count 3 and 4: Disorderly or Riotous, Indecent or Improper House

13. That in response to the Original Complaint by B.D., the West Allis Police also had contact with an individual identified in this complaint as D.C. regarding her interactions at “The Drunk Uncle.” D.C. reported that on May 26, 2024, she had gone to “The Drunk Uncle” with a group of friends. D.C. reported that she was sober at the time and had only been at the bar for 20-25 minutes when she decided to take a cigarette break outside with her female friend, identified in this complaint as M.C. As she exited the bar, D.C. reported that she observed a man in a colorful outfit near the front door of the establishment. This male was staggering and “noticeably very intoxicated.” D.C. reported that this male eventually approached her and M.C. while identifying himself as the owner of “The Drunk Uncle.” Without provocation, this man, identified by D.C. as Neal Steffek, began to berate her and M.C. by calling the females “white trash,” “bitches,” and “sluts.” D.C. reported that Neal Steffek became increasingly agitated which caused the two women to move further away from the bar out of concern and fear of Neal Steffek’s behavior. D.C. reported that based on this threatening behavior by Neal Steffek, she decided to collect the rest of her group and have them all leave the bar. She attempted to enter

the establishment but was blocked at the door by Neal Steffek who called the women “white trash bitches” and then proceeded to threaten to shoot and kill the women. D.C. reported that while Neal Steffek was stumbling and slurring his speech, he told her “I’ve been killing for 20 years, I’ve killed plenty of pieces of shit like you before.” He then referenced a gun he owned and began to reach towards his waistband. Feeling immediately threatened, D.C. reports she left the area and went back to her vehicle to call her friends and call the police. Police were able to confirm that this call from D.C. to the police occurred, and reported it as call #24-020743. The call identifies a complaint that “the owner of the bar came outside and threatened to shoot them; happened at drunk uncle.” [sic.]

14. That based on this Original Complaint by D.C. police followed up with the female friend that was with D.C. at the time, identified for the purposes of this complaint as M.C. Police stated that M.C. reported that she had gone outside with D.C. to have a cigarette and that a male party called them “white trash.” M.C. reported that she and D.C. attempted to re-enter the bar to get their friends but were stopped at the door by this same male who threatened to pull out a gun and that he had “killed” plenty of people. M.C. described the male making the statements and threats as being a “white male” with a “beard”, “belligerent, and was ‘not dressed very nice’”. M.C. reported that this incident made her feel very unsafe and uncomfortable.

Count 5: Disorderly or Riotous, Indecent or Improper House

15. That after the Original Complaint by B.D., police were also in contact with an individual identified in this complaint as S.S. This individual reported that her experiences with Neal Steffek and “The Drunk Uncle” began in 2014 and ended in 2018. S.S. reported that she was in her mid-20s at the time and knew Neal Steffek from being a patron at the bar. S.S. reported that approximately 10 times when she was at “The Drunk Uncle,” Neal Steffek would

greet her by lifting up his shirt exposing his chest and then would tell her that it was her turn. S.S. stated that she felt this behavior was disgusting and felt violated. S.S. stated that she did tell Neal Steffek to stop that behavior as it was “not funny.” She reported that Neal Steffek persisted to engage in the behavior and request she expose herself to him and the bar several more times resulting in her feeling uncomfortable, violated, and eventually causing her to stop going to “The Drunk Uncle” all together. S.S. did not immediately report these behaviors due to fear of retaliation.

Count 6: Violation of Chpt. 125

16. That on or about September 14, 2024, at approximately 7:30 PM, West Allis Police Officer Mussatti conducted a routine tavern check at “The Drunk Uncle” located at 1902 S. 68th Street in West Allis. Officer Mussatti reported that he observed approximately 20 patrons in the bar, most of which had apparent alcoholic beverages. Officer Mussatti made contact with two female bartenders who had been serving the alcohol and confirmed that neither bartender had a valid operator’s license to tend the bar, as required by law. Officer Mussatti required that the bar stop serving alcohol at that time and had staff contact the owner/agent Neal Steffek. Officer Mussatti reported that eventually Neal Steffek came to the bar and he was advised that he needed to be at the business to supervise any unlicensed bartenders. Due to the Seller’s Permit issue identified in Count 7 of this complaint, Officer Mussatti asked what LLC “The Drunk Uncle” was operating under. Neal Steffek reported that he was currently operating under STEFFEK LLC.

Count 7: Continuing Violation of Law related to Operation Without Seller’s Permit:

17. That the renewal Tavern License for STEFFEK LLC, identified in this complaint as ALC-22-130, was granted by the West Allis Common Council and issued to begin the license

period on July 1, 2024. That, as identified in paragraph 6 of this complaint, the Wisconsin Department of Revenue has informed the City of West Allis that the Seller's Permit for STEFFEK LLC was revoked or suspended on or about July 18, 2024, approximately 18 days after the renewal licensed was granted by the City of West Allis.

Complaint Against**

**Steffek LLC
D/B/A The Drunk Uncle**

COMMITTEE REPORT

**Premises Location:
1902 S. 68th Street
West Allis, WI 53219**

Agent: Neal Steffek

On March 24, 2025, a sworn written complaint signed by West Allis Police Department Officer C. Novinska (“Complainant”) was filed with the West Allis City Clerk against Steffek LLC d/b/a The Drunk Uncle as holder of West Allis License ALC-22-130, with premises located at 1902 South 68th Street, West Allis, WI 53219 (the “Licensee”). The complaint included seven counts against the Licensee and sought discipline against Licensee’s Class “B” fermented malt beverage license, “Class B” intoxicating liquor license, and Public Entertainment License pursuant to Wis. Stat. §§ 125.12(1), 125.12(2), 125.12(3) and West Allis Municipal Code §§ 9.51, 9.60(5), and 9.67(5).

On April 3, 2025, the Licensee appeared in person via its appointed agent, Neal Steffek (“Steffek”), before the common council and denied the complaint in its entirety. On April 17, 2025, a hearing on the complaint was held at 7525 West Greenfield Avenue, West Allis, WI 53214, before the Public Safety Committee of the West Allis Common Council pursuant to Wis. Stat. § 125.12(2)(b).

The Complainant was represented by Attorney Nicholas S. Cerwin. The Licensee was represented by Steffek. The Committee submits this report after considering the evidence and argument presented at the hearing as required by Wis. Stat. § 125.12(2)(b)3.

FINDINGS OF FACT

1. On or about the evening of March 30, 2024, Steffek was intoxicated and behind the bar at The Drunk Uncle. He exposed his torso and chest to a woman (“A.V.”) and demanded multiple times that she expose her torso and chest to him.
2. After A.V. declined Steffek’s demands, Steffek grabbed A.V.’s wrist without her consent and attempted to bring her closer to him, causing her to quickly pull away. This act of grabbing her wrist was alarming to A.V. and her reaction raised the concerns of a nearby man (“L.E.”).
3. L.E. attempted to intervene between Steffek and A.V. multiple times, but Steffek continued to focus on A.V. and attempted to convince A.V. to consume a large pour of liquor she did not order or wish to consume.
4. Despite A.V. repeatedly declining Steffek’s demands and becoming visibly upset, Steffek continued to sexually harass A.V.
5. L.E. eventually consumed the alcohol Steffek intended for A.V. to distract Steffek. A.V. felt violated after the interaction with Steffek.
6. A.V.’s husband demanded an apology from Steffek, but Steffek instead declined and verbally assaulted A.V.’s husband. As the parties attempted to leave, Steffek followed them outside the bar while insulting them. Steffek then charged after L.E., causing him to fear that Steffek was attempting to instigate a fight.

7. On or about May 26, 2024, a woman ("D.C.") was standing on the sidewalk outside The Drunk Uncle smoking a cigarette with a friend when Steffek approached them while intoxicated and began to yell at them.
8. Steffek approached them while agitated. Without provocation, Steffek yelled multiple times at them that they were "white trash," "bitches," and "sluts."
9. D.C. and her friend attempted to enter the bar to get their friends and leave when Steffek blocked the door with his body and threatened to shoot them while gesturing as though he was reaching for a firearm, causing D.C. and her friend to fear for their safety and flee the area.
10. Between 2014 and 2018, Steffek routinely exposed his bare torso and chest to a woman ("S.S.") at The Drunk Uncle and demanded that she do the same.
11. Although S.S. attempted to brush off Steffek's behavior, it eventually became so uncomfortable that S.S. avoided future contact with Steffek.
12. Several witnesses expressed fear in coming forward to report the instances of Steffek's harassment due to Steffek's reputation for retaliation.
13. On or about September 14, 2024, West Allis Police Officer Mussatti observed during a routine tavern check that the agent was absent and there was no licensed bartender on the premises of The Drunk Uncle while the business was open and serving alcohol to customers.
14. Steffek has sold alcohol from The Drunk Uncle on a regular basis without a seller's permit since July 18, 2024.
15. Counts 1, 2, 3, 5, 6, and 7 described within the complaint are found to be true.

CONCLUSIONS OF LAW

16. The Licensee keeps or maintains a disorderly or riotous, indecent or improper house based on testimony indicating a pattern of sexual harassment, verbal harassment, aggressive behavior, and unprovoked threats committed by the agent of the Licensee against members of the public.
17. On or about September 14, 2024, the Licensee violated Wis. Stat. §§ 125.32(2) and 125.68(2) by being open for business without the agent or a licensed operator upon the premises.
18. Since July 18, 2024, the Licensee maintained an improper house by knowingly and regularly selling taxable goods without holding a valid seller's permit in violation of Wis. Stat. 77.52(1) and failing to pay state sales tax.

RECOMMENDATION

Based upon the Public Safety Committee's findings of fact and conclusions of law stated above, the Class "B" fermented malt beverage license, "Class B" intoxicating liquor license, and Public Entertainment License issued to Steffek LLC, d/b/a The Drunk Uncle as License # 22-ALC-130 shall be revoked.

 - .a Meeting(s) Time: More extensive time is needed for attendance of meeting(s)s, site visits and associated travel compared to the quantity identified in the Scope of Services.
 - .b Drawing Releases: Additional drawing releases (and reviews of these drawings) are added to the deliverables compared to the quantity identified in the Scope of Services.
 - .c Additional Deliverables: Additional reports which are not specifically identified within Deliverable sections of scope, including release of calculations used as the basis of recommendations.

- .d Schedule Extension: Further effort is necessary due to extensions of the schedule for each phase compared to the original schedule (monthly extensions to the schedule are valued at two-thirds the average monthly-fee-per-phase based on the original schedule).
 - .e Test Equipment: More extensive use of test equipment is requested than was identified in the Scope of Services (additional test equipment use will be valued as described in the Fee Summary).
 - .f Post-Bid Coordination: Further coordination is required during construction for the resolution of CD review comments provided by the Consultant during the CD phase.
 - .g Redesign due to Change in Instructions: Revisions are necessary to construction drawings or specifications due to changes from previous instructions from the Client.
- .3 ADDITIONS TO BUILDING PROGRAM: The scope of the Project may change compared to the Project definition within the Proposal, requiring additional work by the Consultant:
- .a Additional effort is necessary due to the addition of programmed spaces or changes in program requirements, significant changes in size, quality and complexity at any time or due to design requirements introduced after the release of the documents for bid.
 - .b Immediate design effort is required to accommodate future facilities, systems and equipment that are not included in the Project Overview for this Project.
- .4 CHANGES IN PROJECT CONDITIONS OR PROCUREMENT METHODS: Additional efforts may be required to accommodate design or procurement conditions that were not anticipated or communicated to the Consultant prior to the start of work:
- .a Design services are required due to site conditions, local code restrictions, Client policies, or other unforeseen project conditions which were not summarized in the materials provided to the Consultant prior to the start of work (examples include excessive ground borne vibration, highly restrictive property line noise requirements, limits on construction noise levels, restrictions/prohibitions on the use of glass fiber materials, etc.).
 - .b Redesign services are required due to unforeseen changes in market conditions that substantially increase construction costs, including currency valuation.
 - .c Redesign services are required due to cost containment exercises (such as "value engineering") beyond the 50% level of completion of the construction documents. The Client will have the option of authorizing Additional Services for the Consultant to participate in cost containment efforts beyond this level of completion, or to excuse the Consultant from participation in these efforts. Should the Client elect to excuse the Consultant from participation the Consultant will not be responsible for any adverse effects to the acoustics-, audio-, and/or video-related elements of the Project design due to changes in the Project resulting from these exercises.
 - .d Services are necessary to support a contracting procedure different from the conventional full documentation/bid method. Examples include design/build, "fast-track" or phased bidding, guaranteed maximum pricing or other similar alternative procurement methods used to establish construction contract prices prior to the completion of fully coordinated construction drawings and specifications.
- .5 ADDITIONAL EFFORTS IN SUPPORT OF CONFLICT RESOLUTION: Additional efforts may be required to support the resolution of project conflicts beyond the control of the Consultant:
- .a Additional coordination or design services are required due the replacement of the contractor or a member of the design team for any reason, including default.
 - .b Attendance is required to testify in a court proceeding, arbitration, mediation, or public hearing not directly citing the Consultant. Services for any proceedings at which legal counsel is present (e.g. court testimony, depositions, etc.) will be compensated at twice the Consultant's quoted hourly rates.
5. **COMPENSATION FOR ADDITIONAL SERVICES:** Except where specifically noted otherwise, Additional Services will be compensated at the hourly rates in the Proposal plus any reimbursable expenses.

ARTICLE 2: ACTIVITY GOVERNED BY THIS AGREEMENT

1. **START OF WORK:** The start of work for the Consultant will be based on the Client's direction that results in billable activity and a subsequent invoice at the end of a billing period unless the start of work is identified differently within written correspondence. A fully executed contract is not required to indicate the start of work; a letter of intent or other similar written direction will suffice.

2. **COMPLETION OF WORK:** This Agreement will be concluded when the Consultant has completed the tasks listed in the Scope of Services and has received payment for these services. There is no expressed or implied warranty period with this Agreement.
3. **TERMINATION OR SUSPENSION:**
 - .1 Either party may terminate this Agreement with or without cause upon 7 day written notice.
 - .2 Either party may suspend this Agreement upon 7 days written notice under these conditions:
 - .a The Client may suspend this Agreement with intent to resume under the original terms only if all other design and/or construction work on the Project is also suspended.
 - .b The Consultant may suspend this Agreement with intent to resume under the original terms due to non-payment by the Client within 90 days of receipt of an invoice. The Consultant will restart work within 2 days of receipt of payment for outstanding invoices. The Consultant is not responsible for any service delays, redesign fees demanded by other members of the design team, or construction change orders resulting from Consultant-recommended modifications to work completed during suspension due to non-payment. The Consultant is not responsible for any reduction in quality of the Project due to work completed by others during the Consultant's stop-work.
 - .c This Agreement will be suspended in the event of an occurrence commonly considered Force Majeure. Neither Consultant nor Client will be held responsible for delays due to Force Majeure. During such delays it is understood that no efforts will be made by either party to further the Project until the Client notifies the Consultant of a Project restart.
 - .d In the event of restart of work following a Client-invoked suspension which extends beyond the original schedule, the Consultant's compensation will be adjusted to reflect inflation, any changes in the Project, and the associated extra efforts.
 - .3 In the event that the Client is subject to a master agreement that is terminated or suspended, the Client will advise the Consultant within 2 business days.
 - .4 The Consultant will be paid for services rendered up to the notification of termination or suspension. Payments will be due based solely on the level of completion of the Consultant's services, regardless of the level of completion of the architect's and/or other design team member's services, even when the Consultant's work is significantly and demonstrably more complete than the work of other design team members.
4. **ASSIGNMENT:** Neither the Client or the Consultant may assign this Agreement to another party without prior notification and written approval.
5. **VALID FOR 60 DAYS:** The Consultant reserves the right to revoke or revise the Proposal if not accepted within 60 days of the date of original proposal of this Agreement.

ARTICLE 3: RELATIONSHIP BETWEEN CONSULTANT AND CLIENT

1. **INDEPENDENCE:** The Consultant is an independent advisor, is responsible for methods and means while performing services, and is not an employee, agent or partner of the Client. The Consultant will not enter into any undisclosed conflict of interest that may compromise the Consultant's professional opinions with respect to the Project.
2. **CONFIDENTIALITY:** The Consultant will maintain the confidentiality of information regarding the Project in accordance to written direction provided by the Client. The Consultant will not be restricted, however, from identifying its role on the Project within normal promotional material and activities once the existence of the Project has become public knowledge.
3. **OWNERSHIP OF DOCUMENTS:** All documents prepared by the Consultant are instruments of service for use solely for this site-specific Project executed within the original schedule. The Consultant will be deemed the author of these documents and will retain all common law, statutory, and other reserved rights, including the copyright. The Client may retain copies of the Consultant's documents for information and reference, but will not use the documents on other projects or for completion of this Project by others, or distribute copies of the Consultant's documents (including electronic distribution) to third parties except by written agreement accompanied by reasonable compensation. The Consultant is not liable for any unauthorized use of the documents.
4. **DESIGN CREDIT:** The Client will explicitly name the Consultant as providing acoustics, audio, and/or video consulting services in all Client-produced or Client-supported publications which discuss the acoustics, audio, and/or video features of the project. This includes, but is not limited to: the Client's promotional and/or fundraising materials; press releases; and other descriptions provided to journalists (written or verbal).

5. **CLIENT'S REPRESENTATIVE:** The Client may assign or designate a third party representative to act on the Client's behalf for the execution of the Project. Any directives provided by the Client's representative will be considered to have equal effect to a directive received from the Client.
6. **COMMUNICATION:** Communication between the Consultant, the Client, the owner, members of the design team (including the Architect, Engineers, and other design consultants), and the users of the Project will not be restricted for the duration of this Agreement.
7. **ELECTRONIC EXCHANGE OF INFORMATION:** Communications, including official directives by the Client and deliverables may, if mutually agreed upon, be transmitted in electronic format.
 - .1 Electronic exchange of information will be considered equally valid to printed exchange of information. The electronic record of this information exchange will be considered the permanent record copy and, when feasible, record copies will be saved in a non-editable format.
 - .2 The Client agrees that the Consultant will not be responsible for any errors that may occur in the translation, interpretation or use of electronic design materials (Electronic Data) provided by the Consultant pursuant to this agreement. Corruption of Electronic Data is possible after it is initially transmitted and is beyond the control of the Consultant. Therefore, Electronic Data is supplied with no Expressed or Implied Warranties. If a conflict arises, the drawings and other information printed or plotted from the Electronic Data must be compared to the Consultant's electronic record copy.
 - .3 For projects where in-progress drawings and specifications are posted only in electronic format (i.e. no distribution of printed copies), the Client will notify the Consultant when major releases of in-progress documents have been posted to an electronic file storage site. The Consultant will not be responsible for service delays due to the lack of proper notification.
8. **COORDINATION OF CONSULTANT'S WORK:** The Client will assemble a design team consisting of a licensed architect (if the Client is not so licensed), licensed engineers, and other consultants to perform normally accepted design, documentation and construction administration services as defined by the American Institute of Architects. Also:
 - .1 **PROJECT MANAGEMENT:** The Client will be responsible for coordinating the Consultant's involvement in the Project relating to the schedule, meeting(s) notification, meeting(s) agenda and minutes preparation, drawing distribution, contractor submittal and correspondence distribution, notice of suspension and startup and other customary project management tasks for the Project.
 - .2 **INFORMATION DISSEMINATION:** The Client will be responsible for disseminating information and drawings to the Consultant in a regular and timely manner regarding the progress, documentation and changes with the Project. The Consultant will have the right to rely on the accuracy of any information provided by the Client and will not review this information for accuracy. The Client will be responsible for ensuring distribution of all information released by the Consultant to other design team members.
 - .3 **INTEGRATION OF CONSULTANT'S RECOMMENDATIONS:** The Client will, with the Consultant's assistance, coordinate the Consultant's recommendations with other Project requirements and will direct members of the design team to incorporate these recommendations into the Construction Documents.
 - .4 **REVIEW RESPONSIBILITY:** The Client will review and approve or direct to another qualified member of the design team to review and approve the Consultant's work with regard to compliance with building code, life safety, ADA and all other non-acoustic, non-audio, and non-video considerations. If the Consultant assists with the design of movable devices that are part of the Project, the Client will ensure that all functional, storage, and operational features of these devices are reviewed by appropriately licensed design team members prior to procurement.
9. **LICENSES:** The Consultant will not be responsible for any part of procuring licenses, permits, certificates, permissions, and the like that may be required for the execution of the Project.
10. **JOBSITE & CONSTRUCTION REVIEW:** Regarding on-site reviews during construction:
 - .1 The Consultant will have right of access to the jobsite when work is in preparation or progress.
 - .2 The Consultant will report to the Client, as soon as is reasonably possible, any construction that is observed to conflict with the intent of the construction documents. However, the Consultant does not have the authority to direct the contractor to cease or correct non-compliant construction (such authority is vested with the Owner and/or Architect only).
 - .3 The Consultant assumes no responsibility for jobsite safety or construction means and methods.
 - .4 The Consultant assumes no responsibility for the detection or removal of any hazardous substances found at the jobsite.

ARTICLE 4: COVERAGE, INDEMNIFICATION & DISPUTE RESOLUTION

1. **GENERAL:** The Consultant will maintain business and professional liability insurance to cover any claims that arise due to errors and omissions occurring during the execution of professional services.
 - .1 The Consultant's insurance coverage in place prior to preparation of this Agreement, summarized as follows, is considered the Consultant's base insurance coverage:

.a Business Liability:	\$1,000,000 each occurrence / \$2,000,000 general aggregate
.b Workers Compensation	\$1,000,000 each accident
.c Auto Liability Coverage	\$1,000,000 combined single limit each accident
.d Professional Liability	\$2,000,000 per claim / \$2,000,000 aggregate
 - .2 The Consultant will be reimbursed for the cost of additional premium payments to increase coverage beyond the base insurance coverage, if required by the Client.
2. **MAINTENANCE:** The Consultant will maintain the insurance coverage stated above from the start of work through a period of one year past substantial completion of the Project.
3. **ADDITIONAL INSURED:** The Client will name The Talaske Group, Inc. as an additional insured to the Client's General and Auto liability on a primary and non-contributory basis for the duration of the Project. Certificates of Insurance will be provided within 30 days of agreement and at policy renewal.
4. **NON-WAIVER:** Commencement of Services by the Consultant without the required Certificates of Insurance, or without compliance with any other provision of this Agreement, will not constitute a waiver by the Consultant of any rights in this Agreement. The obligation to procure and maintain any insurance required is a separate responsibility of the Client and independent of the duty to furnish a copy or certificate of such insurance policies.
5. **INDEMNIFICATION:** The Consultant agrees to indemnify the Client against all claims solely relating to negligent performance within the Consultant's Scope of Services, as explicitly identified in this Agreement. The Consultant will not indemnify the Client for any lawsuits, claims, losses, damages or demands arising out of either the Client's own negligence or any work performed by a third party including but not limited to all claims involving code, safety, structural, rigging, operations, ADA considerations, or for any other work outside of the Consultant's Scope of Services. The Client will indemnify the Consultant for all claims regarding all non-acoustics, non-audio, or non-video considerations to the extent that these services are provided by the Consultant for This Portion of the Project.
6. **AGREED REMEDY:** The Client agrees, to the fullest extent possible, to limit the liability of the Consultant so that the total aggregate liability of the Consultant will not exceed the Consultant's fees for services rendered on the Project. This limitation of liability applies to any cause of action, be it contract, tort, or any other theory. The Client agrees to bring any claims against the Consultant corporate entity, not any individual owners or employees of the Consultant. The Client and agrees to waive any claims for consequential damages.
7. **DISPUTE RESOLUTION:** In the event of a dispute between the Consultant and the Client and/or other involved parties regarding this Project, the process of mediation will be undertaken to resolve such disputes in accordance with the Construction Industry Mediation Rules of the American Arbitration Association. Demands for mediation initiated by the Consultant or the Client will be made within one calendar year of the termination, if terminated, or the substantial completion of the Project. The costs for such mediation will be shared equally between the Consultant and all other involved parties. The dispute resolution will occur in the general vicinity of the Project or, alternatively, another location if mutually agreed upon by all involved parties.

1. The Parties

This Agreement is between the Milwaukee Metropolitan Sewerage District (District), located at 260 West Seeboth Street, Milwaukee, Wisconsin 53204-1446, and the City of West Allis (Funding Recipient) located at 7525 West Greenfield Avenue, West Allis, Wisconsin 53214.

2. Basis for this Agreement

- A. Wisconsin law authorizes any municipality to establish an intergovernmental cooperation agreement with another municipality for the furnishing of services (Wis. Stats. § 66.0301).
- B. The District is responsible for collecting and treating wastewater from locally owned sewerage systems in the District's service area.
- C. During wet weather, stormwater enters the sewerage system, increasing the volume of wastewater the District must collect and treat.
- D. During wet weather, stormwater directly enters surface water, increasing pollution levels in those waterways and increasing the risk of flooding.
- E. Green Infrastructure (GI) such as constructed wetlands, rain gardens, green roofs, bioswales, and porous pavements, works to reduce the volume of stormwater in the sewerage system and the amount of pollutants discharged to surface waters.
- F. The District's Wisconsin Pollutant Discharge Elimination System (WPDES) permit includes a goal of 50 million gallons of GI capture capacity.
- G. The District wishes to expedite the amount of GI installed in its service area and this Agreement includes plans to install GI that supports the District's GI goals.

3. Date of Agreement

This Agreement becomes effective immediately upon the date of last signature below and ends when the Funding Recipient receives final payment from the District under this Agreement or when the parties terminate this Agreement according to Section 14 of this Agreement.

4. District Funding

The District will reimburse the Funding Recipient for the cost of the GI Project described in the attached project description (Project), up to \$452,000.00. The District will provide funding after the District receives the Baseline Report and the Maintenance Covenant.

- 2.7 **Services Evaluation.** Customer may order certain Services for an evaluation period, as further described in an Order Form, and such Services will be subject to the terms of this Agreement. Notwithstanding anything contained herein to the contrary, Services provided for evaluation purposes are provided "AS IS" and "AS AVAILABLE" without indemnification, warranty or condition of any kind from Field Effect and without Support Services (unless otherwise specified in an Order Form).
- 2.8 **Services through Authorized Partner.** If Customer receives, accesses or uses the Services through an Authorized Partner, these Terms of Service will govern Customer's use of the Services, provided that some of Customer's rights, responsibilities and obligations, and some of Field Effect's rights, responsibilities and obligations, under this Agreement may be the responsibility of, or exercised by, such Authorized Partner, as specified in the relevant agreement between Customer and such Authorized Partner, which may include payment obligations, support services, and responsibility for Account set-up and management. Notwithstanding the foregoing, Field Effect's rights under this Agreement and any terms of this Agreement concerning liability, indemnification, restrictions on use, suspension and termination will remain unchanged, unmodified and in full force and effect regardless of anything to the contrary. Field Effect is not responsible for Support Services where such Support Services are provided entirely by an Authorized Partner.

3. Customer Obligations and Restrictions on Use

- 3.1 Customer is responsible for ensuring that all Users comply with Customer's obligations under this Agreement. Customer is fully responsible for all activity that occurs in Customer's Account,

including for any actions taken by its Users as well as for the setting of notifications at the appropriate level of response in the active response section of Customer's Account.

- 3.2 Customer is responsible for maintaining a suitable connection to the Managed Service Network and for ensuring that Customer contacts identified in an Order Form are available and responsive when contacted by Field Effect to address and resolve Services-related incidents.
- 3.3 Customer and its Users must not: (i) resell, sublicense, or distribute any aspect of the Services, including any Licensed Software or Hardware; (ii) copy, modify, or create derivative works of, reverse engineer, decompile, translate, disassemble, or otherwise attempt to extract any source code of any Licensed Software; (iii) use the Services to directly or indirectly develop, create, provide or improve a substantially similar service or product for any competitive purposes; (iv) use the Services in connection with any High Risk Activity; (v) access the Services in a manner intended to avoid incurring Fees (as defined below) or accepting this Agreement or any other applicable terms; (vi) engage in, promote or encourage illegal activity; (vii) use the Services for any unlawful, invasive, infringing, defamatory or fraudulent purpose (e.g., phishing); (viii) use the Services to intentionally distribute viruses, worms, Trojan horses, corrupted files, hoaxes, or other items of a destructive or deceptive nature; (ix) disable, interfere with or circumvent any aspect of the Services; (x) use the Licensed Software for purposes of benchmarking or other competitive analysis; or (xi) use the Services or any interfaces provided by the Services in any manner or for any purpose not authorized by this Agreement or to access any other Field Effect product or service in a manner that violates or avoids the terms with respect to such other Field Effect product or service.
- 3.4 If Customer becomes aware that any Customer Data or any use of the Services violates Section 3.3, Customer must take prompt action to remove the applicable Customer Data and/or suspend such use of the Services. Field Effect may require that Customer take action within a specified period of time. If Customer fails to comply with such request, then Field Effect may suspend Customer's use of the Services pursuant to Section 10.
- 3.5 As part of or through Customer's use of the Services, Customer may receive access to Third Party Materials. Customer is responsible for complying with any terms that may be presented to Customer when Customer accesses or receives such Third Party Materials. Except as may be expressly provided, Third Party Materials are made available to Customer by Field Effect "AS IS" without indemnification, support (unless otherwise specified), or warranty or condition of any kind from Field Effect.

4. Payment Terms

- 4.1 Customer will be responsible for paying any applicable fees for the Services (together the "**Fees**"), as set out in an Order Form. Unless otherwise expressly set out in an Order Form, payment obligations are non-cancellable and all Fees are non-refundable. Fees do not include any applicable commodity taxes, or other taxes levied or assessed by any local and/or government authority, as well as surcharges for foreign taxes or those imposed by third-party providers, and any applicable withholding tax (collectively "**Taxes**") and Customer will be responsible for paying such Taxes. Field Effect will invoice Customer monthly in advance (unless otherwise set out in an Order Form) for the monthly recurring Fees for the Services and Taxes. If Customer exceeds applicable limits on the number of Users, or other usage limits set out herein or in an Order Form, then such overage will be treated as an additional Customer order, as determined by Field Effect in its sole discretion, and shall be charged to Customer in accordance with the rates set out in the applicable Order Form.
- 4.2 **Payment.** Payment may be made by credit card, electronic funds transfer or wire transfer in the currency stated on an Order Form. Field Effect, in its sole discretion, reserves the right to change acceptable methods of payment upon prior notice to Customer. Customer must pay all Fees and

Taxes, in the amount and on the date specified in the applicable invoice. If no date is specified, payment shall be due no later than thirty (30) days after the invoice date. If any applicable laws permit the purchase of the Services (including any applicable Licensed Software and/or Hardware), without payment of commodity taxes, Customer must supply Field Effect with sufficient evidence of such authorization. Fees and Taxes are subject to a late payment charge at the rate specified in the invoice, which rate may vary from time to time, calculated from the invoice date, if Fees and Taxes are not paid when due.

- 4.3 **Disputed Charges.** Customer shall notify Field Effect within thirty (30) days of the date of the applicable invoice of any charges that Customer disputes and Customer shall provide Field Effect with sufficient detail supporting the basis of the dispute. If Field Effect determines that the basis for the dispute is correct, Field Effect will, at its option, either issue a corrected invoice or a credit memo for the incorrect amount.
- 4.4 If Customer accesses the Services through an Authorized Partner, any invoicing, pricing and/or payment terms specified in the relevant agreement between Customer and such Authorized Partner will apply in place of Section 4.

5. Support and Service Levels

- 5.1 Field Effect will use commercially reasonable efforts to: (i) ensure the Services perform substantially in accordance with this Agreement; and (ii) correct any material errors or deficiencies in the Services. The Support Services are included in the Fees, unless otherwise specified in the applicable Order Form. Field Effect shall provide the Support Services as specified at <https://support.fieldeffect.com/support/solutions/articles/16000148023>. Field Effect may change elements of the Support Services, including the methods of delivery, from time to time, in its sole discretion, provided such changes do not materially diminish the quality or level of Support Services provided. Any changes to the Support Services will be described at the above-noted hyperlink. Hardware support will be provided in accordance with Section 8.5.
- 5.2 Field Effect may make available to Customer certain Ancillary Services on an “as needed” basis, upon request by Customer, and such Ancillary Services may be set out in a statement of work, a new Order Form or in accordance with such other methods approved by Field Effect. Rates for such Ancillary Services requested by Customer will be charged at Field Effect’s then-current rates available on request by Customer. Ancillary Services may include:
1. Forensic Services – E.g., disk image analysis, network traffic capture analysis, log analysis
 2. Custom Services – E.g., tailored sensor alert configuration.

6. Proprietary Rights, Access and Privacy

- 6.1 **Ownership of the Services.** As between the parties, Field Effect owns and retains all right, title and interest, and all Intellectual Property Rights in and to the Services, including all improvements, enhancements, modifications and derivative works thereto or thereof. This includes any Derivative Data, Security Intelligence (as defined below) and other information (other than Customer Data) that Field Effect collects and analyzes in connection with the Services, any reports generated by Field Effect, including any AROs but excluding Customer Data contained within an ARO, and any suggestions, comments or ideas contributed or provided to Field Effect with respect to the Services, which will be treated as non-confidential. Customer’s rights to use the Services are limited to those expressly granted in this Agreement. No other rights with respect to the Services (which includes any Licensed Software and any Hardware) or any related Intellectual Property Rights are granted or implied.

- 6.2 **Data Ownership.** As between the parties, Customer retains all right, title and interest in and to any Customer Data and all Intellectual Property Rights in such Customer Data. Field Effect's rights to access and use Customer Data are limited to those necessary to deliver the Services. In delivering the Services, Field Effect may collect, anonymize and aggregate Customer Data, including System Logs (but excluding Personal Information) with other data and information that relates to potential threats to Customer's network(s) ("**Security Intelligence**"). Field Effect may, subject to Section 6.3, use such Security Intelligence to protect the networks of other Field Effect customers and to develop and improve Field Effect's products and services. Field Effect will retain all right, title and interest in and to any such Security Intelligence and all Intellectual Property Rights therein provided that Field Effect shall not disclose any Confidential Information of Customer, except as required by law.
- 6.3 Field Effect may collect, use, process, transfer, store and disclose Customer Data, including Personal Information, as required to provide the Services, and in accordance with applicable privacy laws, Section 9.1 and Field Effect's privacy policy, found at: <https://fieldeffect.com/terms-privacy/> ("**Privacy Policy**"). Customer warrants and represents that it has obtained all required consents and/or provided all required notifications, including from Users, to allow Field Effect to collect, use, process, transfer and disclose Customer Data, including Personal Information, as contemplated by and under this Agreement, Field Effect's Privacy Policy, and the terms set out in the DPA (applicable to Customers established in the European Economic Area or the United Kingdom).
- 6.4 Customer is responsible for: (i) ensuring that the scope and security model of the Services are appropriate for Customer's security requirements and intended use; (ii) maintaining the minimum requirements set out at <https://support.fieldeffect.com/support/solutions/articles/16000148027> ("**Minimum Deployment Requirements**"); and (iii) the storage, hosting and processing of any Customer Data. Customer is solely responsible for taking and maintaining appropriate steps to protect the confidentiality, integrity and security of all Customer Data from unauthorized access, use, loss or destruction. Those steps include, but are not limited, to: (i) implementing any Field Effect guidance on deployment conditions, including the Minimum Deployment Requirements; (ii) controlling the access provided to Users; (iii) configuring the Services appropriately; (iv) ensuring the security of Customer Data while it is in transit to and from the Services; (v) using encryption technology to protect Customer Data; and (vi) backing up Customer Data. Customer is responsible for providing any necessary notices to Users and obtaining any legally required authorizations or consents from Users regarding their use of the Services.

7. **Licensed Software**

- 7.1 Depending on the configuration and implementation of the Services that Customer has purchased, as specified on the applicable Order Form, Customer may have Licensed Software installed in Customer's on-premises network environment or be granted access to Licensed Software in order to use and access the Services.
- 7.2 Subject to the terms and conditions of this Agreement, Field Effect grants to Customer, during the Term, a non-exclusive, non-transferable, non-assignable, revocable and royalty-free license to install, access, display and use the Licensed Software solely for Customer's internal, business purposes and in connection with the Services. Such license grant will be subject to any restrictions or limits on the number of Users, or other usage limits set out in an Order Form. Customer shall not, except with prior written approval of Field Effect, use the Licensed Software for the benefit of, or disclose the Licensed Software to, any other agency, department, person, company or other entity. Nothing in this Agreement constitutes a transfer of any Intellectual Property Rights in the Licensed Software.

- 7.3 The Licensed Software is licensed, not sold. Field Effect and its licensors own and shall retain all right, title and interest (including without limitation all Intellectual Property Rights) in and to the Licensed Software and any corrections, bug fixes, enhancements, modifications or new versions thereof, all of which shall be deemed part of the Licensed Software and subject to all of the provisions of this Agreement. As between Field Effect and Customer, Field Effect owns all Intellectual Property Rights in the Licensed Software.
- 7.4 Field Effect may update and otherwise modify the Licensed Software at its sole discretion, provided such changes do not materially diminish the quality or level of Services provided.
- 7.5 Customer must not: (i) use the Licensed Software for any purpose or in any manner other than as strictly required for Customer's internal business purposes in connection with the Services; (ii) permit any third party to use the Licensed Software (except as may be permitted pursuant to Section 7.2); (iii) unless and to the extent expressly permitted by applicable law, decompile, disassemble or otherwise reverse engineer the Licensed Software or permit any third party to do so; (iv) circumvent any user limits or other license timing or use restrictions that are set forth herein or in the applicable Order Form or built into the Licensed Software; (v) remove any trademarks, copyright notices, restricted rights legends, proprietary markings on the copy of the Licensed Software originally provided to Customer; or (vi) use the Licensed Software for High Risk Activities.

8. Hardware

- 8.1 This Section 8 shall only apply if Customer's use of the Services includes Hardware.
- 8.2 If Customer orders any Hardware as part of the Services, Field Effect will ship, at its cost, the Hardware to the specified Customer or Authorized Partner site, as applicable. Customer will be responsible for ensuring the Hardware is properly installed, powered on and, if applicable, connected to Customer's network. Ownership of the Hardware remains with Field Effect at all times. In the event Customer requests assistance from Field Effect to install and configure the Hardware, Customer agrees that the correct installation and configuration remains the sole responsibility of Customer.
- 8.3 Unless otherwise indicated on an Order Form, all Hardware is to be returned to Field Effect in working order and at Customer's cost upon termination or expiry of this Agreement.
- 8.4 Where Customer uses non-Field Effect hardware (i.e., Third Party Materials), Field Effect will not be responsible for providing support related to such hardware, operating system configuration, hardware and system performance, or installation dependencies (including required hardware or software packages).
- 8.5 Hardware support will be provided by the Hardware manufacturer. In case of Hardware failure, Customer shall contact Field Effect through the Field Effect customer portal or by email at support@fieldeffect.com. Field Effect will notify the Hardware manufacturer and the Hardware manufacturer will deal with Customer directly to address the issue. Customer agrees to cooperate with the Hardware manufacturer for Hardware support activities, which may include a third party visiting Customer's premises or the shipment of the Hardware back to Field Effect or a third party (at no additional cost).

9. Confidential Information

- 9.1 Each party will: (i) protect the other party's Confidential Information with the same standard of care it uses to protect its own Confidential Information (but in no event less than a reasonable standard of care); and (ii) not disclose Confidential Information, except to its employees, contractors and

agents, who are bound by confidentiality obligations, on a need-to-know basis. Each party (and any employees, contractors and agents to whom a party has disclosed Confidential Information) may use such Confidential Information only to exercise its rights and fulfill obligations under this Agreement. Each party is responsible for any actions of its employees, contractors and agents in violation of this Section 9.1. Subject to Section 6.3, upon termination of this Agreement, the parties will promptly either return or destroy all Confidential Information, and, upon request, provide written certification of compliance with this Section 9.1.

- 9.2 If the receiving party is compelled by law to disclose Confidential Information of the disclosing party, the receiving party shall provide the disclosing party with prior notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance, at the disclosing party's cost, if the disclosing party wishes to contest the disclosure.
- 9.3 If the receiving party discloses or uses (or threatens to disclose or use) any Confidential Information of the disclosing party in breach of this Section 9, the disclosing party will have the right, in addition to any other remedies available to it, to seek injunctive relief to enjoin such acts, it being specifically acknowledged by the parties that any other available remedies are inadequate.
- 9.4 Neither party will issue any press release, public announcement, or public statement regarding the existence or content of this Agreement without the other party's prior written approval. Field Effect may include Customer's name and logo online or in promotional materials. Customer may revoke Field Effect's right to use Customer's name and logo under this Section 9.4 with written notice to Field Effect and a reasonable period to stop such use.

10. Suspension

- 10.1 Field Effect may suspend Customer's and any User's use of the Services if: (i) Field Effect has not received payment for all undisputed amounts due hereunder within thirty (30) days after the date on which such payments are due; (ii) Customer is in breach of the Agreement; (iii) Customer's use of the Services poses a security risk to the Services or to other users of the Services; or (iv) suspension is required pursuant to a court order or other legal requirement. Field Effect will give Customer notice before suspending Customer's use of the Services if permitted by applicable law or unless Field Effect determines that providing notice presents a risk of harm to the Services, to other users of the Services, or to any person or property, in which case Field Effect will notify Customer as soon as feasible or permitted. Customer will remain responsible for all Fees incurred before or during any suspension.

11. Term and Termination

- 11.1 **Term.** This Agreement commences on the Effective Date and, unless terminated earlier as provided herein, will continue for the "Contract Term" specified in an Order Form (the "**Initial Term**").
- 11.2 **Renewal.** Unless otherwise stated in an Order Form, this Agreement will automatically renew at the end of the Initial Term for successive twelve-month terms, unless either party gives written notice of non-renewal at least thirty (30) days before the expiry of the then-current term (each a "**Renewal Term**" and together with the Initial Term, the "**Term**"). In the case of month-to-month subscriptions, one calendar month's notice is required for termination. Subject to Section 11.3, pricing for any Renewal Term will be calculated based on the then-current standard rates for the Services, minus applicable discounts, if any. Field Effect will provide Customer with at least sixty (60) days advance notice of any increase to the Fees for a Renewal Term before the end of the then current Initial Term or Renewal Term, as applicable. For clarity, pricing for monthly subscriptions

may be increased at any time upon the provision of sixty (60) days' advance notice to Customer. All other terms and conditions in this Agreement will remain in effect for the Renewal Term(s).

- 11.3 **Price Adjustment.** Where the Initial Term is a multi-year term, the parties acknowledge and agree that the monthly recurring Fees set out in an Order Form are fixed for the first twelve (12) months of the Initial Term. Thereafter, Field Effect may, if expressly stated in an Order Form, once in each subsequent twelve (12) month period calculated from the Effective Date, increase the monthly recurring Fees for the Services by no more than the percentage set out in an Order Form to cover increased operating costs and inflation, provided that Field Effect will provide Customer with thirty (30) days prior written notice of any such increase. Customer will be responsible to pay the new monthly recurring Fees for the remainder of the Initial Term or Renewal Term, as the case may be, or until a subsequent price adjustment takes effect.
- 11.4 **Services Beyond Term.** If Customer has sent a notice of non-renewal but continues, for any reason, to access and use any of the Services after the expiry of the then-current Term, this Agreement shall continue to apply for so long as Customer accesses and uses the Services, except that the Fees shall be the then-current rates in effect for the Services.
- 11.5 **Termination for Cause.** This Agreement may be terminated at any time by:
- (a) either party, effective on written notice to the other party, if the other party materially breaches this Agreement, and such breach is: (i) incapable of cure; or (ii) being capable of cure, remains uncured thirty (30) days after receiving written notice of the breach;
 - (b) either party, effective immediately, if the other party enters into a compulsory or voluntary liquidation, or convenes a meeting of its creditors or has a receiver appointed over any part of its assets or takes or suffers any similar action in consequence of a debt, or ceases for any reason to carry on business;
 - (c) Field Effect, if Customer does not resolve the underlying cause resulting in a suspension pursuant to Section 10 within ten (10) days after such suspension of Services to Customer;
 - (d) Field Effect, if Customer is established in the European Economic Area or the United Kingdom and fails to comply with a binding decision of a competent court regarding its obligations pursuant to the DPA (where applicable);
 - (e) Field Effect, if Customer is established in the European Economic Area or the United Kingdom and after Field Effect has informed Customer that its instructions infringe applicable legal requirements in accordance with clause 7.1 (b) of the DPA (where applicable), Customer insists on compliance with such instructions;
 - (f) Field Effect, effective on written notice to the Customer, if Customer fails to pay any undisputed Fees, taxes or other amounts when due under this Agreement; and
 - (g) Customer, if the processing of Personal Information by Field Effect has been suspended by Customer pursuant to clause 10 (a) of the DPA (where applicable) and if compliance with the DPA is not restored within one month following suspension.
- 11.6 **Termination for Convenience.** Subject to any early termination fees specified in an Order Form, either party may terminate this Agreement for any reason by providing the other party with at least sixty (60) days' advance written notice.

11.7 **Effect of Termination.**

- (a) Upon the expiry or termination of this Agreement for any reason, all rights granted to Customer under this Agreement, including Customer's right to use the Services, including any Licensed Software, will immediately terminate and Customer must: (i) stop all use of the Services (including any Licensed Software); (ii) return or, if Field Effect requests, destroy any documentation and Field Effect Confidential Information; (iii) delete and destroy all Licensed Software within Customer's possession or control within thirty (30) days; (iv) return any Hardware owned by Field Effect; and (v) pay all Fees owing as of the termination date, including any early termination fees specified in an Order Form.
- (b) As between Customer and Field Effect, Customer is responsible for ensuring that Customer has necessary copies of all Customer Data prior to the date of expiry or termination, except for System Logs which, upon written request from the Customer within fourteen (14) days following the effective termination date, Field Effect will provide to Customer in a commercially standard and readable format. Following delivery of the System Logs requested by Customer within such fourteen (14) day period or the expiry of the fourteen (14) day period without receiving such a request, Field Effect may delete all of Customer Data, including System Logs, in accordance with its standard schedule and procedures.
- (c) Except to the extent permitted under Section 2.6, Sections 11.5(a) in the case of a breach by Field Effect, 11.5 (g), or Section 13.3 due to a breach by Field Effect, termination of this Agreement will not entitle Customer to any refunds, credits or exchanges.

11.8 **Survival.** Any provision that, by its nature and context is intended to survive termination or expiration of this Agreement, including Sections 1, 4, 6.1, 6.2, 9, 11.4, 11.7, 11.8, 12, 13 and 14 will survive.

12. **Warranty and Disclaimer**

12.1 FIELD EFFECT DOES NOT WARRANT THAT THE OPERATION OF THE SERVICES, INCLUDING ANY LICENSED SOFTWARE OR HARDWARE, WILL BE UNINTERRUPTED OR ERROR FREE, OR THAT THE SERVICES (INCLUDING ANY ON-SITE INSTALLATION ASSISTANCE PROVIDED BY FIELD EFFECT) WILL MEET (OR ARE DESIGNED TO MEET) CUSTOMER'S BUSINESS REQUIREMENTS. SUBJECT TO SECTION 14.3, FIELD EFFECT IS NOT RESPONSIBLE OR LIABLE FOR THE DELETION OF OR FAILURE TO STORE ANY CUSTOMER DATA OR THE DISABLING OF OTHER COMMUNICATIONS MAINTAINED OR TRANSMITTED THROUGH CUSTOMER'S USE OF THE SERVICES, EXCEPT FOR SYSTEM LOGS WHICH ARE STORED FOR THE DURATION SELECTED BY CUSTOMER ON AN ORDER FORM. CUSTOMER IS SOLELY RESPONSIBLE FOR SECURING AND BACKING UP CUSTOMER DATA, INCLUDING SYSTEM LOGS, AT ALL TIMES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, FIELD EFFECT DOES NOT MAKE ANY WARRANTIES OR CONDITIONS OF ANY KIND RELATED TO THE SERVICES, INCLUDING ANY LICENSED SOFTWARE OR HARDWARE, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING WARRANTIES AND CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OR RELIABILITY. FIELD EFFECT DOES NOT WARRANT THAT ITS STORAGE OF SYSTEM LOGS WILL MEET CUSTOMER'S COMPLIANCE OBLIGATIONS UNDER ANY APPLICABLE LAWS. NOTWITHSTANDING THE FOREGOING, FIELD EFFECT WARRANTS THAT THE SYSTEM LOGS WILL BE STORED BY FIELD EFFECT, SUBJECT TO THE STANDARD STORAGE AND RETENTION TERMS OF THE CLOUD SERVICES PLATFORM USED BY FIELD EFFECT, FOR THE TIME PERIOD SELECTED IN AN ORDER FORM.

12.2 CUSTOMER ACKNOWLEDGES AND AGREES THAT THE NATURE OF THE SERVICES MAY: (I) REQUIRE THAT SPECIFIC WEBSITES BE RENDERED UNREACHABLE OR UNAVAILABLE BY THE

SERVICES OR FIELD EFFECT FROM TIME TO TIME IN ORDER TO MITIGATE ANY SUSPECTED, POTENTIAL OR ACTUAL THREAT; (II) RESULT IN THE DISRUPTION OF ANY NETWORK CONNECTION(S) (INCLUDING INTERNAL AND EXTERNAL NETWORK CONNECTIONS) TO THE CUSTOMER'S NETWORK OR THE MANAGED SERVICE NETWORK; (III) PREVENT EXTERNAL DEVICES (SUCH AS USB KEYS) FROM FUNCTIONING IN A COMPUTER; (IV) RESTRICT CHANGES TO COMPUTER OR NETWORK SETTINGS; (V) PREVENT CERTAIN NETWORK OR COMPUTER PROCESSES; AND (VI) RESULT IN FIELD EFFECT BLOCKING CERTAIN ACTIVITIES OR MATERIALS DUE TO SUSPECTED OR CONFIRMED THREATS. FIELD EFFECT IS NOT RESPONSIBLE OR LIABLE WHATSOEVER FOR ANY CLAIMS, FINES, LOSSES, DAMAGES, OR OTHER COSTS OR EXPENSES INCURRED BY CUSTOMER ARISING OUT OF OR OTHERWISE RELATING TO SUCH ACTIONS.

13. Indemnification

- 13.1 **Indemnification by Customer.** If Field Effect or any FES Parties are subject to any third party claim or demand concerning: (i) any Customer Data; (ii) any infringement or misappropriation of any Intellectual Property Rights by Customer or any Users in connection with the use of the Services; (iii) any violation of law by Customer or any Users in connection with the use of Services; (iv) Customer's or Users' use of the Services in violation of this Agreement; (v) unauthorized disclosure of Customer Data to Field Effect or any FES Parties; or (vi) Customer's or Users' use of any Third Party Materials (collectively, "**Claims**"), Customer will defend, indemnify and hold Field Effect and the FES Parties harmless from and against any such Claims and any and all fines, penalties, losses, damages or other costs arising out of or otherwise relating to the Claims, including reasonable legal fees, disbursements and charges and costs of enforcing any right to indemnification hereunder, or agreed to in settlement of the Claims. Field Effect will: (i) notify Customer as soon as possible, in writing, of any Claim; (ii) give Customer control over the defence regarding any Claim; and (iii) reasonably cooperate in response to Customer's requests for assistance. Subject to the foregoing, Field Effect may participate in the defence or settlement of the Claim, at its own expense. Customer will not settle any Claims, without Field Effect's prior written consent, not to be unreasonably withheld.
- 13.2 **Indemnification by Field Effect.** Field Effect agrees to defend, indemnify and hold Customer harmless against any third-party claims alleging that the Services or use of the Services for purposes authorized in this Agreement infringes any Intellectual Property Right or other proprietary right of such third party or constitutes misuse or misappropriation of a trade secret of a third party (an "**Infringement Claim**"). Customer will: (i) notify Field Effect as soon as possible in writing of any Infringement Claim; (ii) give Field Effect control over the defence regarding the Infringement Claim; and (iii) reasonably cooperate in response to Field Effect's requests for assistance. Field Effect will pay all damages finally awarded against and reasonable legal expenses incurred by Customer.
- 13.3 If the Services become or in Field Effect's opinion are likely to become the subject of an Infringement Claim, Field Effect will, at Field Effect's option and expense: (i) procure the rights necessary for Customer to keep using the Services; (ii) modify or replace the affected Services to make them non-infringing; or (iii) terminate the Agreement and refund any prepaid Fees for the remaining portion of the Term.
- 13.4 Field Effect will have no obligation under Section 13.2 or otherwise with respect to any Infringement Claim based on: (i) Third Party Materials; (ii) any combination of Field Effect products and services with products or services not provided by Field Effect, including any Third Party Materials; (iii) use of the Services for a purpose or in a manner not permitted under this Agreement; (iv) any modification to the Services made without Field Effect's express written consent; or (v) any aspect of the Services that are provided on a no-charge, trial, beta or evaluation basis.

- 13.5 This Section 13 sets out Customer's sole remedies and Field Effect's sole liability and obligation for any actual, threatened, or alleged claims that the Services infringe, misappropriate, or otherwise violate any Intellectual Property Rights of any third party.

14. Limitation of Liability

- 14.1 **LIABILITY FOR DAMAGES.** THE TOTAL, CUMULATIVE, AGGREGATE LIABILITY OF FIELD EFFECT AND THE FES PARTIES TO CUSTOMER FOR DAMAGES, EXPENSES, COSTS, LIABILITY, CLAIMS OR LOSSES (COLLECTIVELY "DAMAGES") ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE PROVISION OF SERVICES HEREUNDER, WHETHER ARISING IN NEGLIGENCE, TORT, STATUTE, EQUITY, CONTRACT, COMMON LAW, OR ANY OTHER CAUSE OF ACTION OR LEGAL THEORY EVEN IF FIELD EFFECT OR THE FES PARTIES HAVE BEEN ADVISED OF THE POSSIBILITY OF THOSE DAMAGES, IS LIMITED TO DIRECT, ACTUAL, PROVABLE DAMAGES AND WILL IN NO EVENT EXCEED AN AMOUNT EQUAL TO THE TOTAL AGGREGATE MONTHLY FEES PAID BY CUSTOMER FOR THE SERVICES DURING THE TWELVE-MONTH PERIOD BEFORE THE EVENT GIVING RISE TO THE DAMAGES. THE LIMITATIONS SET OUT IN THIS SECTION 14 WILL SURVIVE AND APPLY EVEN IF ANY LIMITED REMEDY SPECIFIED IN THIS AGREEMENT IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE.
- 14.2 **NO LIABILITY FOR CERTAIN DAMAGES.** IN NO EVENT WILL EITHER PARTY BE LIABLE FOR ANY LOST BUSINESS REVENUE, LOSS OF PROFITS, OR FAILURE TO REALIZE EXPECTED PROFITS OR SAVINGS OR ANY INDIRECT, CONSEQUENTIAL, EXEMPLARY, INCIDENTAL, SPECIAL OR PUNITIVE LOSSES OR DAMAGES REGARDLESS OF THE FORM IN WHICH ANY ACTION IS BROUGHT, WHETHER ARISING IN NEGLIGENCE, TORT, STATUTE, EQUITY, CONTRACT, COMMON LAW, OR ANY OTHER CAUSE OF ACTION OR LEGAL THEORY EVEN IF SUCH PARTY HAS BEEN ADVISED OF OR HAD KNOWLEDGE OF THE POSSIBILITY OF SUCH DAMAGES OR SUCH DAMAGES WERE OTHERWISE FORESEEABLE. FIELD EFFECT AND THE FES PARTIES WILL NOT BE LIABLE FOR ANY DAMAGES WHATSOEVER FOR DAMAGE TO CUSTOMER NETWORKS OR THE NETWORK OF ANY THIRD PARTY AS A RESULT OF THE DELIVERY OF THE SERVICES, INCLUDING ACCESS TO CUSTOMER NETWORKS AND CUSTOMER DATA.
- 14.3 NOTWITHSTANDING ANYTHING IN THIS AGREEMENT, INCLUDING THIS SECTION 14, IF ANY CUSTOMER DATA IS LOST, DAMAGED, OR CORRUPTED AS A RESULT OF FIELD EFFECT'S OR THE FES PARTIES' GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, FIELD EFFECT'S AND THE FES PARTIES' ONLY LIABILITY IS, AT FIELD EFFECT'S EXPENSE, TO RESTORE CUSTOMER DATA USING THE MOST RECENT BACK-UP KEPT BY CUSTOMER, OR IN THE CASE OF CLOUD-BASED STORAGE OF SYSTEM LOGS, TO RESTORE BASED ON THE APPLICABLE PLATFORM'S LOCALLY REDUNDANT STORAGE CAPABILITY. CUSTOMER IS RESPONSIBLE FOR MAINTAINING AT ALL TIMES AN ADEQUATE BACK-UP OF CUSTOMER DATA.
- 14.4 Nothing in this Agreement is intended to exclude or limit in any way the liability of either party for death or personal injury resulting from such party's negligence or its own fraud or fraudulent misrepresentation. The limitations set out in Section 14.1 and Section 14.2 shall not apply to any indemnification obligations of either Field Effect or Customer under this Agreement.

15. GENERAL

- 15.1 **Assignment.** Customer may not assign this Agreement, in whole or in part, without the prior written consent of Field Effect. Field Effect may, without the consent of Customer, assign any of its rights or delegate any of its duties under this Agreement if such assignment or delegation, or both, is to: (a) a FES Party. (b) a successor of Field Effect, by amalgamation or operation of law. (c) a purchaser of all or substantially all of Field Effect's assets. Or (d) a lender to Field Effect as collateral security. Upon the completion of a permitted assignment of rights and/or delegation of duties,

obligations or liabilities by Field Effect under this Agreement, the assignee is deemed to be substituted for Field Effect as a party to this Agreement and Field Effect is released from all of its obligations and duties to perform under this Agreement. This Agreement shall bind and enure to the benefit of the parties and their respective successors and permitted assigns.

- 15.2 **Notices.** All notices and consents provided to Customer shall be given in writing and will be: (i) sent to the email address associated with Customer's Account or as may be updated from time to time by Customer; or (ii) posted on <https://my.fieldeffect.net>. All legal notices or other correspondence to Field Effect must be sent to legal@fieldeffect.com.
- 15.3 **No waiver.** No waiver of any provision of this Agreement shall bind a party unless consented to in writing by that party. No waiver of any provision of this Agreement shall be a waiver of any other provision, nor shall any waiver be a continuing waiver, unless otherwise expressly provided in the waiver.
- 15.4 **Severability.** If any provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or unenforceable, the other provisions of this Agreement shall not be affected or impaired, and the offending provision shall automatically be modified to the least extent necessary in order to be valid, legal and enforceable.
- 15.5 **Force Majeure.** Field Effect will not be liable for any delay or failure to perform its obligations under this Agreement to the extent that the failure is caused by an Event of Force Majeure, provided that Field Effect provides notice to Customer and keeps Customer informed in such circumstances and uses reasonable endeavours to rectify the situation. Re: Request for waiver of conflict

Dear Attorney Decker:

Our firm has had a long relationship with the City of West Allis handling labor and employment and other unique matters that we called upon to advise from time to time. We appreciate the opportunities to serve the City. I am writing to advise you of a potential conflict of interest between our representation of the City of West Allis (the "City") and Fairview Partners, LLC.

We have represented the City on various labor and employment and other matters when called upon. von Briesen & Roper, s.c. is being asked to perform legal services for Fairview Partners regarding billboards and other outdoor advertising matters. The work we would perform for Fairview Partners is unrelated to the matters our firm performs for the City.

Presently, we are advising the City on specific matters involving labor and employment issues and other specific matters requested by the City. Accordingly, I am writing to ask for the City's consent to our representation of Fairview Partners, and a written waiver of any potential conflict pursuant to the Wisconsin ethics rules governing attorneys, so that we may continue rendering services to the City and Fairview Partners. Under Wisconsin Supreme Court Rule 20:1.7, where there is a potential for a conflict of interest, our Firm may only represent both clients if: (1) we reasonably believe that we can provide competent and diligent representation to each affected client; (2) the representation of each client is unrelated; (3) the representation of both clients is not prohibited by law; and (4) each client gives informed consent to the representation, in writing.

We have analyzed this Supreme Court Rule and under the present circumstances, our firm reasonably believes that we can provide competent and diligent representation to both the City and Fairview Partners. The work which we perform for the City is unrelated to the work which we would perform for Fairview Partners. We are not prohibited by law from representing either of you.

Kail Decker, City Attorney

April 25, 2025

Page 2 of 2

While we do not anticipate that this situation will adversely affect our representation of the City, Wisconsin Supreme Court Rule 20:1.7 requires the City's informed consent be in writing if we are to undertake such work for Fairview Partners. Accordingly, we would appreciate your confirming the City's waiver and consent to our concurrent representation of the City and Fairview Partners, as described in this letter, by signing a copy of this letter and returning it to me as soon as possible. By signing a copy of this correspondence and returning it, you are providing the Firm with consent to our representation of the City with respect to the issues outlined in this letter.

We appreciate your understanding of our professional obligations with respect to matters of conflict. If you have questions or concerns, please call me. We very much appreciate your courtesy in considering this request for a waiver of any potential conflict of interest.

Please feel free to contact me with any questions.

Very truly yours,

von BRIESEN & ROPER, s.c.

Re: Engagement Letter Agreement

Gentlemen:

Thank you for selecting Foley & Lardner LLP (the “Firm”) to represent the City of West Allis, Wisconsin (“City”) and the Community Development Authority for the City West Allis (“CDA”) (collectively, “Client”) in connection with condemnation of property in West Allis, Wisconsin (the “Matter”). The purpose of this Engagement Letter and the enclosed Standard Engagement Terms (collectively, the “Agreement”) is to ensure that we have a clear understanding of our working relationship going forward. Should the Client retain the Firm for subsequent matters, this Agreement will apply, and the terms and conditions of the Firm’s engagement will remain the same unless otherwise communicated.

Staffing and Fees. I will have primary responsibility for the Matter and will utilize other Firm attorneys and paraprofessionals when it is appropriate and cost effective.

It is agreed that the Client will compensate the Firm for services, subject to the professional responsibility rules governing our practice, based on the time devoted to the Matter at the hourly rates charged by the Firm. Currently, the hourly rates of the attorneys who likely will work on this Matter range from \$575 to \$875. Paraprofessional rates range from \$155 to \$580. My hourly rate for the Matter is currently \$875.

Conflicts of Interest. As we previously have discussed, the Firm has a conflict or potential conflict arising out of its existing representation of other clients in the following matters involving the Client:

- (1) The Firm represents MSP Real Estate, Inc. (“MSP”) in connection with a variety of matters, including in the acquisition of land from the City and CDA, and development of apartments.
- (2) The Firm represents Bear Development, LLC (“Bear”) in connection with a variety of matters, including in advice regarding a property tax assessment from the City.
- (3) The Firm represents Mayfair Village Mobile Home Court LLC (“Mayfair”) in connection with a variety of matters, including in a tax appeal adverse to the City.
- (4) The Firm represents Greenfield Terrace LLC (“Greenfield”) in connection with a variety of matters, including in a tax appeal adverse to the City.
- (5) The Firm represents Stand Rock Hospitality Group LLC (“Stand Rock”) in connection with a variety of matters, including in a tax dispute adverse to the City.

Representation of the Client at the Firm may create a conflict or potential conflict of interest because in the above-mentioned matters, the interests of MSP, Bear, Mayfair, Greenfield and Stand Rock (collectively, the “Existing Clients”) are adverse to the interests of the Client. We believe that we can accept this representation if each of you consents. We believe this representation will not be compromised by our relationship with the Existing Clients and that we will be able to provide competent and diligent representation to the Client in these matters. By signing this letter, the Client is expressly waiving these conflicts.

Standard Engagement Terms. By engaging the Firm, the Client agrees to the attached Standard Engagement Terms, and acknowledges that they are fully incorporated into the Agreement by reference. The Standard Engagement Terms contain several important provisions, including additional billing terms, an agreement to resolve disputes through arbitration, and an advance waiver of conflicts.

* * *

Please confirm the Client's acceptance of this Agreement by returning a counter-signed copy to me by email or mail or confirming your agreement by reply email. If you do not return a signed copy, but after receiving this Agreement request that the Firm perform work on the Client's behalf, the Client will be deemed to have accepted this Agreement.

Please do not hesitate to contact me if you have any questions. We look forward to working with you on the Matter.

Sincerely,

FOLEY & LARDNER LLP

STANDARD ENGAGEMENT TERMS

Agreement. These Standard Engagement Terms are incorporated into the Agreement between the Firm and the Client. The Agreement, which includes these Standard Engagement Terms, will apply to all Client matters handled by the Firm unless otherwise communicated, and will control over any outside counsel or billing guidelines unless agreed to in writing by the Firm.

Corporate Transparency Act/Beneficial Ownership Reporting. The Corporate Transparency Act (CTA) became effective on January 1, 2024, and imposes specific reporting obligations on both domestic and foreign entities that are registered in the United States and are not subject to certain exemptions. Information regarding the beneficial ownership information (“BOI”) reporting requirements can be found at <https://www.fincen.gov/boi>. The Client understands that it has sole responsibility for its compliance with the CTA, including but not limited to its BOI reporting and filing requirements and the collection of relevant ownership information. The Firm will not be undertaking any BOI reporting or filing services on the Client’s behalf. If our engagement includes assistance in connection with (i) forming, registering, licensing, or otherwise qualifying a new legal entity, or (ii) a transaction that may trigger a reporting obligation, we will not be advising in connection with the CTA or any other similar state or local reporting obligations absent a separate express written agreement that sets forth the specific parameters of our assistance. In no event shall we have any obligation to notify the Client or monitor for changes that may require updates or amendments to the Client’s CTA reports even if we become aware of them.

Fees & Billing. Unless otherwise agreed to in writing, the Firm’s fees and costs are not contingent upon the outcome of the matters the Firm handles for the Client. Any fees and costs the Firm might have discussed previously are estimates only and the Firm cannot guarantee what fees or expenses will be necessary to resolve

or to complete the matters handled by the Firm. The Firm’s rates will increase annually.

The Firm will bill for costs and support services, such as delivery service, travel, word processing, and court and filing costs. Certain support services that involve equipment or staffing or that require payments to third parties may include additional charges that reflect the Firm’s internal costs. The Client is responsible for third party costs, such as costs for consultants, appraisers, court reporters, technical support, foreign attorneys, or other parties that render services during the Firm’s representation of the Client. The Firm may make arrangements to have the Client billed directly by these third parties, and the Client will pay such invoices directly to the third parties. If arrangements have not been made, the Firm may pay these third-party invoices on the Client’s behalf subject to reimbursement from the Client, and may require that the Client first pay the Firm for such costs. Please note that if the Client requests the Firm to conduct electronic processing, we will charge a fee. Foley’s fees associated with data processing and hosting are designed to provide lower overall cost than third party vendors for the Firm’s clients and recover the Firm’s cost associated with processing, hosting and managing the data, however, in some cases the Firm may make a profit for these services.

In the regular course, the Firm’s invoices will be issued and sent to the Client on a monthly basis, and each month’s invoice will reflect the services rendered and expenses incurred during the previous month. Payment is due promptly upon receipt. The Firm will assess a late charge of 1% per month on any outstanding balance older than 60 days. Subject to the rules of professional responsibility, the Firm may cease performing services for the Client until satisfactory arrangements have been made for payments of amounts outstanding in excess of 60 days and the payment of future amounts.

Advance Waiver of Conflicts. The Client agrees that the Firm is permitted to represent other clients in matters directly adverse to the Client, including in the following categories of matters, as long as such matters are not substantially related to the legal services the Firm provides to the Client:

- (i) Counseling, advice, or negotiations regarding transactions, contracts, agreements, rights, or obligations, or preparation of documents;
- (ii) Arbitration, litigation, or other contested proceedings;
- (iii) Advocacy before federal, state, or local governments, or non-judicial governmental entities;
- (iv) Bankruptcy or insolvency proceedings in which the Client may have an interest; or
- (v) Evaluation of intellectual property rights, such as claim scope analysis, infringement analysis, invalidity analysis, or analysis with respect to any other statutory or non-statutory requirement, participation in connection with contested and uncontested intellectual property proceedings before the U.S. Patent and Trademark Office, or prosecution of non-interfering intellectual property rights in a related technology.

The Client also agrees that the Firm may represent adverse parties involved in matters that the Firm handles for the Client, as long as the Firm's representation of those parties is not substantially related to the work that the Firm performs for the Client.

Affiliates. Unless specifically requested by the Client and agreed to by the Firm, the Firm's representation does not extend to the Client's parent company, affiliates, subsidiaries, employees, directors, or other constituents ("Affiliates"). Accordingly, the Firm may represent other clients in matters directly adverse to those Affiliates. If the Firm agrees to represent an Affiliate, the Client agrees that the Affiliate is bound by the Agreement, which includes these Standard Engagement Terms.

Limitations of Liability. Foley & Lardner LLP is a limited liability partnership under the laws of Wisconsin. This means the Client's right to recover damages in a legal malpractice action that may exceed the Firm's insurance and Firm assets is limited to the personal assets of the attorneys whose acts or omissions gave rise to the Client's claim.

Arbitration. If a dispute arises between the Firm and the Client related in any way to the interpretation, application, or enforcement of this Agreement, any acts or omissions related to or arising from services provided in connection with this Agreement, or the issue of arbitrability of the dispute, the Client and the Firm agree that the dispute will be resolved solely through confidential binding arbitration.

The Federal Arbitration Act ("FAA") shall govern the interpretation and enforcement of the arbitration, and, to the extent not inconsistent with the FAA, the arbitrator(s) shall apply the law of Wisconsin to any claims or defenses thereto. The arbitration shall be held in Milwaukee. JAMS will serve as the arbitration administrator, and the arbitration shall proceed pursuant to the JAMS Comprehensive Arbitration Rules and Procedures (the "Rules") as they exist on the effective date of this Agreement, except to the extent provided for herein or otherwise agreed to in writing. In the event of a conflict between the terms set forth herein and the Rules, these terms shall govern.

If the amount in dispute is less than \$1 million, the dispute will be resolved by one neutral arbitrator who is a former judge and affiliated with JAMS. The parties will mutually select the arbitrator, but if they are unable to agree, the arbitrator will be selected pursuant to the procedures set forth in the Rules. If the amount in dispute is \$1 million or more, the dispute will be resolved by a panel of three (3) neutral arbitrators, with the chairperson being a former judge and affiliated with JAMS. The parties will mutually select the panel, but if the parties are unable to agree on a panel, the arbitrators will be

selected pursuant to the procedures set forth in the Rules.

Notwithstanding any limitations in the Rules to the contrary, the parties shall be entitled to conduct discovery in accordance with the Federal Rules of Civil Procedure (“FRCP”), including but not limited to (and to the extent in accordance with the FRCP) depositions and written discovery of the parties and third parties, and shall be permitted to file partially or fully-dispositive motions prior to a full arbitration hearing, on which the arbitrator or panel of arbitrators shall issue a ruling prior to said hearing. The parties agree that the arbitrator(s) can render any such dispositive rulings, should the arbitrator(s) deem appropriate, without a hearing. No demand for arbitration may be sustained after the date on which the institution of legal or equitable proceedings based on such claim or dispute would be barred by the applicable statutes of limitation or statute of repose if the dispute was filed in court. The arbitrator(s) are authorized to dismiss the arbitration at any stage based on a determination that the claim is time barred or for any other legally or factually supported reason. Each party is limited to pursuing its own individual claims and shall not pursue class or collective action.

If the net amount of the final arbitration award is \$1 million or more, inclusive of interest, any party shall have the right to appeal the award pursuant to the JAMS Optional Arbitration Appeal Procedure, as it exists on the date of this Agreement. Notwithstanding any Appeal Procedure to the contrary, the three neutral members of the Appeal Panel shall consist of: (a) a chairperson having served at least five years as a judge or justice on federal or state appellate courts, (b) one member having served at least five years as a judge or justice on a federal or state trial or appellate court or as a federal magistrate judge; and (c) one member with 10 or more years of recent private appellate practice.

The costs of arbitration, including the arbitrator(s)’ fees and administrative expenses, shall be paid as follows: fifty percent (50%) by

the claimant(s) and fifty percent (50%) by the respondent(s), such that no side shall bear more than half the costs of the arbitration. If the respondent(s) also assert a claim or counterclaim against the claimant(s), the respondent(s) asserting that claim or counterclaim shall be deemed to be the respondent(s) for purposes of the division of the costs. Each party will bear that party’s own attorneys’ fees and costs, and the prevailing party will not be entitled to reimbursement by the other party of any of its fees or costs incurred in connection with the arbitration, regardless of any rule to the contrary. The arbitration proceedings, including but not limited to partial and final awards, shall be maintained by the arbitrator(s), parties, and witnesses as strictly confidential, except as is otherwise required by court order or as is necessary to confirm, vacate, or enforce the award(s) and for disclosure in confidence to the parties’ respective attorneys, tax advisors, insurers, and senior management. Any action or proceeding preliminary or ancillary to an arbitration, including to confirm, vacate, or enforce the award(s), shall be brought in the state trial court (subject to removal) or the federal district court serving Milwaukee.

For New York Clients: The Client also waives its rights under Part 137 of the Rules of the Chief Administrator of the Courts of New York to mediate and/or arbitrate any fee dispute if the fee is between \$1,000 and \$50,000 and to commence an action for review in a court of competent jurisdiction if you are aggrieved by the award.

Before you sign this agreement, you should consider consulting with another lawyer about the advisability of making an agreement with a mandatory arbitration requirement. Arbitration proceedings are ways to resolve disputes without the use of the court system. By entering into agreements that require arbitration as the way to resolve disputes, you give up (waive) your right to go to court to resolve those disputes by a judge or jury. These are important rights that should not be given up without careful consideration.

If any portion of this arbitration provision is held to be illegal or otherwise unenforceable, the remainder of this arbitration provision will still apply.

Termination of Representation. Either the Firm or the Client may terminate this Agreement at any time for any reason by written notice, subject to the applicable Rules of Professional Conduct. Unless previously terminated, the Firm's representation of the Client shall conclude when the Firm sends its final invoice, or when more than six months have elapsed from the last time the Firm furnished legal services to the Client. After the Firm's services are complete, there might be developments or changes in laws that might affect the Client's future rights and liabilities, but the Firm does not have an obligation to continue to advise the Client about such subsequent factual or legal developments unless the Client specifically engages the Firm to do so.

Data Management & Disposition of Records. Pursuant to the Firm's document retention policy and Rules of Professional Conduct, the Firm may retain the files pertaining to the matters handled by the Firm for a minimum of 10 years following the conclusion of any such matter. After that time, the Firm reserves the right to dispose of file materials without further notice, other than certain original trust and estate planning documents. Upon the Client's reasonable request, the Firm will provide such portions of these file materials as required by the applicable Rules of Professional Conduct or other legal requirements. Unless applicable law requires an

earlier return, the Firm may retain such file material pending receipt of payment of any outstanding fees or costs. The Firm reserves the right to retain a copy of the Client's files.

In addition to our information governance policies, the Firm manages your information in accordance with its data protection policies, which are fully incorporated into the Agreement and located at <https://foley.com/clientprivacy>.

Communication. The Client will keep the Firm informed of developments that may affect the Firm's representation of the Client as soon as the Client becomes aware, and will be available when the Firm needs to consult with the Client. The Firm might express opinions or beliefs concerning the Firm's services and the results that might be anticipated based upon information known to the Firm at the time, but any such statement is an expression of opinion only and is not a promise or guarantee of results. The Client agrees that the Firm may communicate with the Client by email on an unencrypted basis.

Information Distribution. The Client agrees that the Firm may send information about the Firm or legal matters of interest by email or other means. The Client also agrees that the Firm may use the Client's name and logo, without seeking further permission from the Client, on publicly disclosed lists of Firm clients, as well as: (i) brochures; (ii) pitch books and proposals; (iii) the Firm's website; (iv) attorney biographies; and (v) Firm submissions for attorney awards and rankings within the legal profession.

SoNa Phase 2 – Apartment Community

Description of building improvements

Mandel Group conceived of a mixed-use project called “The Market at Six Points” utilizing best-in-class urban design principals to activate this previously vacant land. Since our original submission and selection by the City of West Allis, Mandel Group has completed investment of over \$75 million on lands north and south of National Avenue and west of 66th Street. We are now focusing on the area north of Mitchell Street and are submitting for approval plans for a highly detailed residential project. An additional \$13-15 million of new development is envisioned once this parcel is developed.

This project consists of new construction of 54 apartment homes; 48 of which are in floors two through four and six of which are ground level walk-up units. These walk-up units provide an alternate to traditional apartment living with independent entry along the private drive. Architecturally, these units also provide visual interest; they are divided into 6 geometric forms that ring this prominent east side of the building. The southeast corner of the building is the culmination of these forms with the larger club room massing focused on the corner of the site. The upper floors fenestration and materiality follow a logical geometric pattern and rhythm to complement the more active

ground floor. Red is utilized as an accent throughout the development. The overall form of the building is modern and unique and will present a high-quality design statement along Mitchell Street and the private drive (entrance into the public parking resource). SoNa Phase 2 has an indoor parking garage that is at grade level but masked by apartment homes and amenities on two sides. The other two less prominent sides will have a large-scale mural applied. This pattern shown is only representative and will be submitted for review along with signage in the future.

Timeline for when work will be completed

This project will start construction in Q4 2025 and will be 15 months of construction to complete. Anticipated occupancy will be in Q1 2027.

Description of all operations/services

SoNa Phase 2 will provide 54 Class-A apartment homes to add to our existing apartment community of SoNa Lofts (110 apartment homes) and The West (177 apartment homes). This property will have a club room with patio/grill station, fitness studio, pond overlook deck, package room, and indoor and outdoor parking. SoNa Phase 2 provides best in contemporary amenities to make residents feel at home.

This property will be managed by Mandel Property Services Inc., which provides high-quality management to Mandel Group developments. Particular emphasis is placed on the level of service provided at Mandel Group's luxury apartment communities. We are committed to continuing our tradition of excellence and to further enhance the sustainability and livability of this apartment community.

Days and hours of operation

The apartment community is open to its residents 24/7. Our leasing office for this property is located in The West Living at 6620 W National Ave and is open M-F 9am-5pm and Sat 9am-2pm. We will staff SoNa Phase 2 from this centralized office along with 24/7 emergency maintenance.

---	---

The signatory, **City of West Allis**, hereinafter called the Municipality, through its undersigned duly authorized officers or officials, hereby requests the State of Wisconsin Department of Transportation, hereinafter called the State, to initiate and effect the highway or street improvement hereinafter described.

The authority for the Municipality to enter into this agreement with the State is provided by Sections 86.25(1), (2), and (3) and Section 66.0301 of the Statutes.

NEEDS AND ESTIMATE SUMMARY:

All components of the project must be defined in the environmental document if any portion of the project is federally funded. The Municipality agrees to complete all participating and any non-participating work included in this improvement consistent with the environmental document. No work on final engineering and design may occur prior to approval of the environmental document.

Existing Facility - Describe and give reason for request: W National Avenue is a 4-lane roadway with an urban cross section and 12ft lanes. The pavement is HMA on PCC with a parking lane and sidewalk on both sides and spot lighting. The roadway is in poor condition and has cracking, heaving and potholes.

Proposed Improvement - Nature of work: Reconstruction with curb and gutter, signals at 102nd St and Cleveland, lighting, pavement marking, signing and storm sewer will be included in the project. A bike lane, transit stops, and bump outs will be evaluated. Curb ramps will be upgraded where needed.

Describe non-participating work included in the project and other work necessary to completely finish the project that will be undertaken independently by the Municipality. Please note that non-participating components of a project/contract are considered part of the overall project and will be subject to applicable federal requirements: work could include, but may not be limited to, adjustment of water service boxes, gate valves, and manholes; adjustment of sanitary sewer manholes, placing of new sanitary manhole seals and covers, haul road.

The Municipality agrees to the following 2023-2026 and 2024-2029 STP Urbanized Area project funding conditions:

Project design and construction costs are funded with up to 80% federal funding up to a funding limit of **\$12,482,880**. The Municipality agrees to provide the remaining 20% and any funds in excess of the **\$12,482,880** federal/state funding limit. Real estate, railroad, and utility costs are 100% locally funded. Non-participating costs are 100% the responsibility of the Municipality. Any work performed by the Municipality prior

Urbanized Area STP-Urban (206) Standard SMA Template

to federal authorization is not eligible for federal funding. The Municipality will be notified by the State that the project is authorized and available for charging.

This project is currently scheduled in State Fiscal Year **2026**. Sunset date: **June 30, 2031**.

Sunset Date is determined based on the date a project is scheduled to be authorized. Sunset date is calculated as six years from the beginning of the state fiscal year (SFY) in which a project is initially scheduled.

Extensions may be available upon approval of a written request by or on behalf of the Municipality to State. The written request shall explain the reasons for project implementation delay and revised timeline for project completion.

The dollar amounts shown in the Summary of Costs Table below are estimates. The final Municipal share is dependent on the final federal participation, and actual costs will be used in the final division of cost for billing and reimbursement. In no event shall federal or State funding exceed the estimate of **\$12,482,880** in the Summary of Costs Table, unless such increase is approved in writing by the State through the State's Change Management Policy prior to the Municipality incurring the increased costs.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Wisconsin Department of Transportation (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

Dear Mr. Pfaff, Mayor Devine, and Common Council:

The City of West Allis holds many first for me. I rented my first apartment on 62nd Street, bought my first house on 104th Street, opened my first joint checking account from Allco Credit Union, participated in my first neighborhood association in Rosehill, and served on my first Plan Commission just to name a few. My family lived 12 years in the City of West Allis and to this day, I see what a wonderful, diverse, and welcoming community it is. I am always in awe when I look around the city and see how it has evolved over the last 20 years, and I am even more excited to see how it's going to transform in the next 20 years. I am respectfully submitting my application for the opportunity to be the next City Administrator of West Allis and would be honored to be considered for the position.

I am a lifelong learner and that is always a huge aspect of working in new municipalities. My will and drive for the success of the West Allis community will show in everything I do starting on day one. I have almost 10 years in government and another 10 years in the healthcare industry. This has afforded me many different learning opportunities, including how to collaborate and create efficiencies in every day operations as well as creating resources for my team to excel and expand their capabilities. I have to admit that some of my biggest successes may seem small, but they are more about relationships and empowerment. During my time in Germantown, I worked alongside a water operator who wanted to learn how to use Excel to transform the way his department collected data that needed to be reported annually. By spending a few months of training and collaborative planning, he was able to morph their collection process from paper to electronic, reducing the hours spent inputting data and increased the amount of time available for other projects

I have also been faced with challenges during my career including being the first City Administrator in a small municipality when COVID hit, mitigating and managing community safety while maintaining city operations. I've also had to assist in addressing unhappy residents regarding an eminent domain case, as well as supporting staff during major technology upgrades. Thankfully, I love challenging myself and others to see things in different perspectives, making collaboration and new initiatives more successful.

I would welcome the opportunity to further discuss my experiences and qualifications with you, to learn more about the role and the board's vision for this position going forward, and to discover the myriad ways in which I may be able to aid in the future development and growth of the City of West Allis.

Sincerely,

Erin M. Hirn, MPA

RESOLUTION R-2025-1412**

**RESOLUTION TO AMEND CITY ATTORNEY'S OFFICE ORGANIZATIONAL
CHART TO ADD PART-TIME PRINCIPAL ASSISTANT CITY ATTORNEY (NET
INCREASE OF 0.2 FTE)**

WHEREAS, the city attorney's office has strived to provide quality legal services with existing staffing, but several proactive projects have been unable to start due to the demands of necessary daily work; and

WHEREAS, the city attorney's office seeks to reduce outside counsel expenditures to the minimum needed; and

WHEREAS, the addition of a fifth attorney working 0.5 FTE creates additional opportunities to timely address nuisance properties, update codes and policies, and take on special projects that daily workload causes indefinite delays or take years to finish; and

WHEREAS, a vacancy has created savings within the wages and benefits accounts that can be used to partially pay for additional staffing in 2025; and

WHEREAS, one full-time attorney position can be reduced to 0.7 FTE so that employee can take on a 0.3 FTE position within the city clerk's office, thereby covering the remaining 2025 expense within the salary and benefit accounts caused by adding 0.2 FTE to the city attorney organizational chart; and

WHEREAS, the city attorney budget will need to increase in 2026 to account for a full year of wages and benefits, but that increase would be partially offset by reducing the outside counsel budget; and
