RE: **Thanks for All the Help!**

Dear John and Staff:

Please accept our most sincere thanks in helping us put together the strongest possible application to WHEDA. Throughout this process, you and your staff have gone above and beyond the normal course of municipal business to ensure that our application had "all the right stuff," including support letters, appropriate documentation and signatures. On several occasions I noticed that your e-mails were sent late at night or that a voice mail was recorded at a ridiculously early hour. Thanks to Patrick, Steve, Jonathan, Jean and Barb for their hard work at chasing down letters and providing the support necessary to have all the pieces in place for our application.

Please also give our most sincere thanks to Scott Post. We apologize for the scramble, but thanks for getting the deal done!

Finally, we are very confident that our application will be approved and that our project will get off the ground on schedule. If (actually, when) this deal moves ahead, it will be in no small part to the help and support you have given us up front. Thanks again, and we look forward to giving you good news in April.

Sincerely,
General Capital Group
