By signing this petition I am against the Wollmer repaving/surfacing project.

I believe that the project will not increase property values, but will reduce them because if paid over time it will scare potential buyers away upon disclosure of taxes or assessments still owed against property.

Listed Below are additional reasons why I am opposed to the project:

- Road is in not in immediate need of repaving/surfacing
- Recession/ Poor Economic Times
- Fixed Incomes, Retired, Loss or Reduced Income
- Declining Property Values
- Rental Increases
- Access to National Ave, Root River Parkway and 114th street will be hindered
- Unable to get a loan or refinance to pay for project
