Overview

The Department of Development has received an application from Cobalt Partners, LLC to request a change of zoning for the property located at 8** S. 72 St. and 1000 S. 72 St. (McKinley Park), as well as a request to amend the Future Land Use map for the property at 1000 S. 72 St. The request is to rezone both properties from P-1 Park District to C-3 Community Commercial District, and to update the Future Land Use for 1000 S 72 St. from Public and Semi-Public to Commercial. A public hearing regarding this request will be held on March 19, 2019.

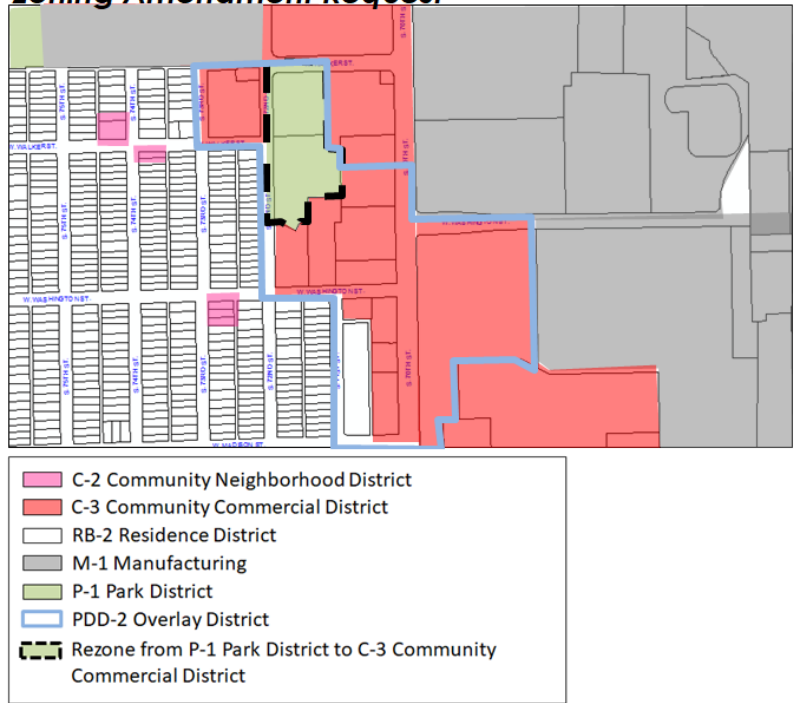

8** S. 72 St is 1.722 acres and 1000 S. 72 St. is 2.411 acres, for a total acreage of 4.133 acres. Amenities at McKinley Park include: McKinley Fieldhouse, softball, basketball, and tennis. The park will be relocated within the neighborhood, with the exact location still under consideration.

Zoning Amendment Request for 8 and 1000 S. 72 St.**

This request is being made as part of the West Quarter redevelopment project, which is envisioned to be a transit-oriented, amenity-rich, mixed-use district. While there is no specific use being proposed at this time, the proposed zoning amendment will allow the two parcels to be of the same zoning (C-3 Community Commercial District) as the rest of the West Quarter redevelopment project. A majority of the surrounding land is zoned C-3 Community Commercial District, along with a section of RB-2 Residence District on the west side of S. 72 St.
