Mayor Dan Devine
City of West Allis
7525 W. Greenfield Avenue
West Allis, WI 53214

Dear Mayor Devine:

I am writing to you regarding the current legal sale of synthetic marijuana (K2, Cloud 9, Spice, etc.) in the City of West Allis.

Synthetic marijuana is currently sold in smoke shops and convenience stores as incense but has the same effect as marijuana. Children are allowed to buy it and use it without breaking the law.

For the safety of the children in our community, I ask that you please work with the City of West Allis Common Council to ban the sale of synthetic marijuana. Other municipalities, such as Waukesha and Milwaukee, are already taking a step to ban the sale of synthetic marijuana in their communities, and I strongly encourage West Allis to consider the same. Please contact me with any questions.

Respectfully,
