Subject: Palo Alto Firewall Subscription Sole Source

This letter is to recommend the sole source purchase of a subscription service for the city's perimeter network firewall for the amount of \$8,710. This subscription service provides Threat Prevention, URL Filtering and yearly maintenance for our main firewall. These subscriptions allow our firewall to be updated daily to guard against the latest threats as they arise. Palo Alto is the only source of these subscriptions as they are specific to their firewalls.

Sincerely,

Jim Jandovitz
