RE: 2012 – 2016 Capital Improvement Paving Program

Attached is our proposed 2012-2016 Capital Improvement Paving Program. The Advisory Capital Improvement Committee recommended this program for approval.

This is a planning document. It will change based on the needs of the City and available local and Wisconsin Department of Transportation (WisDOT) funding.

Highlights of the program is the reconstruction of National Avenue from 85th to 92nd Street, resurfacing of 76th Street from Greenfield Avenue north to the City limits, and resurfacing of Greenfield Avenue from IH-94 to 124th St. All three are sponsored by the Wisconsin Department of Transportation.
