Re: 1st Quarter Funding for Educational Access
Date: 5/27/09

Channel 13's series "A Window Into Our Schools" profiled the Intermediate and High Schools in West Allis and West Milwaukee. Again the programs look at what's unique about each school.

They have also recorded and broadcast varsity boys and girls basketball games between Central and Hale, and, the Central versus Hale wrestling match. The video clubs at all the schools have been active providing programs for Channel 13.

A new venture for Channel 13 was assisting the WM Intermediate School with a webinar from the Veteran's Hospital in West Milwaukee. It was a success and they received a lot of positive feedback for their efforts.

It is staff's recommendation to continue the funding for the educational access channel operations.

Respectfully submitted,

A handwritten signature in blue ink that reads "Jerry Musial".
