RE: Incident #23-046847
On Tuesday, December 5, 2023, I was driving on 94-E on my way to work. At about 3:15am, I saw something in the road at the Hawley Road on ramp. I swerved and braked to avoid the object but it was too late. My driver's side tires connected with the spike strip that Patrol Officer Vanden Boogard had set out to stop a driver in a high speed chase. A few seconds later, the out of control driver that the police were after sped by the location. The Patrol Officer apologized, gave me his card and rejoined the chase. He told me to stay where I was and he would be back. A few minutes later, a Milwaukee Sheriff's deputy came and waited with me for the Patrol Officer to return. All the officers I dealt with that day were very nice and helpful. They arranged for my car to be towed and they even gave me a ride to work.
I am thankful that no one was hurt and the officers caught the person they were after.
I am filing a claim for the towing charges and for 2 new tires. The first tow was from the incident to the tow lot the officers had arranged (Brew City Auto Repair LLC, 1107 Montana Av, South Milwaukee). The second tow was from that lot to my mechanic (Bluemound Car Care, 18795 W. Bluemound Rd, Brookfield) because the people at Brew City Auto Repair could not repair my car that day.
\$163.53 (Initial Tow)
\$264.81 (Tow to mechanic)
\$590.00 (2 new tires)
I would like to thank all the officers involved for their service and their help on that day. They were very kind.
