Honorable Members of the
West Allis Common Council
City Hall
West Allis, Wisconsin

Dear Council Members:

I am herewith appointing Mr. Justin Hern as a member of the West Allis Board of Health. This appointment relates to the recent modification of the composition of the Board of Health. The ordinance change stipulates that one position for a West Milwaukee representative be established on the Board of Health as a means of complying with the requirement to create a board of health in individual communities. Because West Milwaukee contracts with the City for public health services, this is a viable solution for representation while avoiding redundancy.

Mr. Hern is a Trustee for the Village of West Milwaukee, and his two-year term will expire on January 1, 2007.

Your confirmation of this appointment will be appreciated by the undersigned.

Sincerely,

Jeannette Bell,
Mayor
