Description of Proposal

Details of proposal; plans of operation; hours of operation; frequency of deliveries to site; number of employees; description of any interior/ exterior modifications or additions to be made to property; frequency of customer visits; any outside storage (dumpsters, trucks, materials...); number of parking stalls; screening/buffer type; any other information available.
 PLEASE EXPLAIN IN DETAIL (Attach additional pages if necessary)

We are proposing to install an ATM (automatic teller machine) on our existing parking lot. It will be a free standing kiosk. Our architect gave us three possible locations for the machine. We have eliminated location A as it would adversely impact our current drive-thru lanes. Our preferred location would be location B. It would be next to our parking lot light standard which would provide security and power to the kiosk. It would also be closer to our branch building, enabling easier servicing of the machine.
