Dear Ms. Schultz,

On behalf of the owners and operators of the proposed Bottoms Up venue to be located at 7127 W. National Ave, I would like to have the Site, Landscaping and Architectural Plans for the above location placed back on the Common Council's September 1st meeting agenda.

I am making this request because we believe that the Plan Commission's earlier denial of approval was without cause or justification.

Your time and consideration is greatly appreciated. If you have any further needs or questions, please let me know.

Best,

T. Hall
