Subject: Communication

I like to have a discussion regarding property code maintenance enforcement and time extensions at our next Safety & Development recess meeting. This discussion will relate to both residential and commercial properties, the desire to obtain compliance more quickly, and ideas on how this may be achieved.

I am sorry I wasn't able to produce a more formal letter. I was going to write it when I arrived in Dallas this morning (off to a wedding in Texas this weekend) but I am finding myself on waiting lists chasing down flights at O'Hare due to an emergency landing enroute from Milwaukee to Dallas.

I am copying Ald. Probst as I believe she will be serving as chair on Tuesday in President Lajsic's absence.

Regards,
~Mike
