

Reunion

Reunion will be a full-service Restaurant-Pub- and entertainment complex complete with outdoor courts for leagues, a large outdoor firepit, covered patio, an arcade, sports simulator, and party room.

Projected hours of operation at this point are from 10am-midnight. Some earlier hours may occur for brunch, and a few scattered later hours may occur for special outdoor summer events, however, we are not planning on staying open until bar time on a regular basis.

To begin with we are projecting to employ approximately 20 full time staff members, and 25 part time members.

We currently show 41 parking spots on our plans. There is an agreement with the owners of the buildings/parking lots to the north that allows us to use any and all of those spots after 4pm. There is also street parking on 65th street.

From the time construction begins we anticipate being able to open within 6-8 months.
