Officer Hakala reports:

All Others-City Tree vs Car- 824 S 120 St

On 10/20/18, I responded to 824 S 120 St for a city tree that fell onto a car. Barbara J Keopke-Eron, FW [REDACTED] advised that a city tree fell onto her vehicle in her driveway, causing damage. She indicated that the tree fell approximately an hour and a half before she called. Barbara indicated she expressed concern about the tree approximately 2 years prior. She informed me that she spoke with the city and advised that the tree was dying. and the city told her that the tree was fine and there was nothing that needed to be done for it. I took photographs to document the tree and damage and attached them to the case. The West Allis Forestry Division Man on Watch responded to the scene. He confirmed that the tree was a city tree. He took photographs of the tree and moved the portions that were in the roadway out. He advised I did not need to remain on scene. I left a business card with the call number for Barbara.
