9. Ordinance to amend Section 12.42(1)(ee) of the Revised Municipal Code in order to limit the restrictions on Tobacco Retailers.

In July 2016 Common Council adopted an Ordinance Amendment relative to tobacco retailers which established clearer definitions and regulations. As a result of the Ordinance Amendment, tobacco retailers are considered as Permitted uses within the C-3, C-4, and M-1 zoning districts. However, tobacco retailers must not be located within 1,000 feet of parcels occupied by: a public or private kindergarten, elementary, junior high school or high school; libraries; zoned parkland; or another tobacco retailer or establishment licensed to sell any tobacco product or tobacco paraphernalia.

The proposed Ordinance Amendment would eliminate two of the four requirements for tobacco retailers within C-3, C-4, and M-1. Zoned parkland, and another tobacco retailer or establishment licensed to sell any tobacco product or tobacco paraphernalia, would be removed from the requirements.

Recommendation: Common Council consideration of an Ordinance to amend Section 12.42(1)(ee) of the Revised Municipal Code in order to limit the restrictions on Tobacco Retailers.
