**Subject:** opinion on restaurant at 76th & Greenfield

I received a notice of public hearing in regards to a special use permit for a restaurant to be located at 7629 W Greenfield Ave. I will not be attending the meeting but the letter states to express my opinion in writing to you.

I live just down the street at 1437 S 77th St, and last week I said to my husband, what downtown needs is a coffee shop and a week later it appears! As a neighbor I have no issues with this restaurant and look forward for a short stroll to visit it.

City of West Allis, City Hall

February 7, 2022

Dear Honorable Mayor Devine and Common Council Members:

The Promotions Committee of the ***Downtown West Allis Business Improvement District (DWABID)*** has again committed the first Sunday in June to the ***West Allis A la Carte***. ***This event will be held on Sunday, June 5, 2022, from 12 Noon to 5pm.*** Each year this event attracts visitors from the area as well as neighboring communities and with the positive feedback we receive, we anticipate an increase in the number of people to West Allis Downtown.

For West Allis A la Carte, we are asking for your permission to close Greenfield Avenue, to traffic, for our event. We ask that Greenfield Avenue from 70<sup>th</sup> to 76<sup>th</sup> street and the adjacent side streets, north and south to the alleys, be closed from the hours of **5:00am until 8:00pm on Sunday, June 5<sup>th</sup>. Alleyways will remain open.** Each year, with Greenfield Avenue closed, visitors were greeted to a festive-type atmosphere with live music, food vendors, children's games, artists, local organizations, and City Hall activities. We are also, once again, **requesting to declare, this Sunday event, "West Allis A la Carte," as a Community Event.**

This will be our ***13<sup>th</sup> Annual West Allis A la Carte*** and will try our best to ensure everyone's safety. For this reason, we are shortening the event by one hour and changing the footprint. **(See attached map).** For safety reasons, we will have our two large tents placed at 70<sup>th</sup> & 76<sup>th</sup> streets on Greenfield Avenue. Each location will have one A 30' X 60' tent with tables and chairs.

As in previous years, the DWABID requests the assistance from the City of West Allis for parking restrictions and the use of signs and supplies to ensure event safety. A letter and map, outlining these requests will be submitted to Department of Public Works at a later date. Additional police presence is requested in the area, on Sunday, June 5<sup>th</sup>, to monitor safety conditions. We invite the display of a Police vehicle and an Officer in or around Greenfield Avenue.

Our organization holds a one-million-dollar event insurance policy with the City of West Allis listed as an additional insured. (See enclosed.)

Downtown West Allis extends its thanks to Mayor Devine and the Common Council for their continued support and consideration in this matter. If you have any questions, please call 414-774-2676.

Sincerely,

Donald Falk

**RE: Association of Equipment Manufacturers  
Personal Property Claim under 74.35  
ACCT 26053 6737 W Washington Street, Suite 2400**

**Served via email to [clerk@westalliswi.gov](mailto:clerk@westalliswi.gov) and [ggresch@westalliswi.gov](mailto:ggresch@westalliswi.gov)**

Dear Ms. Grill and Gresch:

We hereby file a claim for refund under Wisconsin Statutes 74.35 [Recovery of unlawful taxes] for a portion of the personal property taxes assessed to this taxpayer for the 2021 tax year. The claim is based upon 74.33(1)(c) which states: ***The property is exempt by law from taxation, except as provided under sub. (2).***

The claim relates to property that is exempt under several statutory provisions including:

- 70.111(27), which states:

**(27) MACHINERY, TOOLS, AND PATTERNS.**

***(a) In this subsection, "machinery" means a structure or assemblage of parts that transmits force, motion, or energy from one part to another in a predetermined way by electrical, mechanical, or chemical means. "Machinery" does not include a building.***

***(b) Beginning with the property tax assessments as of January 1, 2018, machinery, tools, and patterns, not including such items used in manufacturing.***

The Wisconsin attorney general issued an opinion on January 3, 2019, clarifying the type of assets exempt under the "machinery" exemption available under 70.111(27). The opinion clarified the asset is exempt regardless of which schedule the assets had been previously reported.

- 70.11(39), which states:  
***(39) COMPUTERS. Mainframe computers, minicomputers, personal computers, networked personal computers, servers, terminals, monitors, disk drives, electronic peripheral equipment, tape drives, printers, basic operational programs, systems software, and prewritten software. The exemption under this subsection does not apply to custom software, fax machines, copiers, equipment with embedded computerized components or***

**telephone systems, including equipment that is used to provide telecommunications services, as defined in s. 76.80 (3). For the purposes of s. 79.095, the exemption under this subsection does not apply to property that is otherwise exempt under this chapter.**

Association of Equipment Manufacturers filed their 2021 personal property tax return (PA-003) showing a reported taxable value of \$4,923,742. This amount was based upon guidance received from the assessor's office related to the taxation of a large, computerized audio visual system and a large remodeling the office area of the leased space.

After a detailed review of the supporting schedules on which the return was based, it was determined that several assets were incorrectly treated as taxable including:

- Various appliances which qualify as machinery
- Data cabling which is exempt under the computer peripheral exemption
- Architectural design costs which are intangible costs not associated with tangible personal property
- General contractor costs which relate to real property improvements for costs associated with demolition, electrical, HVAC, data, flooring and others.

Based upon the above items, we believe the corrected assessed value should be \$782,845. This results in a corrected tax of \$21,684,72.

This claim is being timely filed under 74.35(5)(a), which states: **Except as provided under par. (b), a claim under this section shall be filed by January 31 of the year in which the tax is payable.**

Association of Equipment Manufacturers has previously paid the assessed tax on December 29, 2021. Therefore, the claim for refund is in the amount of \$114,808.62, plus any applicable interest under 74.35(4), which states: **The amount of a claim filed under sub. (2) or an action commenced under sub. (3) may include interest computed from the date of filing the claim against the taxation district, at the rate of 0.8 percent per month.**

Sincerely,  
NTWR Consulting LLC

## Preliminary Estimate

**Customer: Fuller, Count**

**Job Number:**

2007 HOND Accord Sedan LX Automatic 4D SED 4-2.4L Gasoline MPFI

Estimate based on MOTOR CRASH ESTIMATING GUIDE and potentially other third party sources of data. Unless otherwise noted, (a) all items are derived from the Guide AEG4437, CCC Data Date 12/16/2021, and potentially other third party sources of data; and (b) the parts presented are OEM-parts. OEM parts are manufactured by or for the vehicle's Original Equipment Manufacturer (OEM) according to OEM's specifications for U.S. distribution. OEM parts are available at OE/Vehicle dealerships or the specified supplier. OPT OEM (Optional OEM) or ALT OEM (Alternative OEM) parts are OEM parts that may be provided by or through alternate sources other than the OEM vehicle dealerships with discounted pricing. Asterisk (\*) or Double Asterisk (\*\*) indicates that the parts and/or labor data provided by third party sources of data may have been modified or may have come from an alternate data source. Tilde sign (~) items indicate MOTOR Not-Included Labor operations. The symbol (<>) indicates the refinish operation WILL NOT be performed as a separate procedure from the other panels in the estimate. Non-Original Equipment Manufacturer aftermarket parts are described as Non OEM, A/M or NAGS. Used parts are described as LKQ, RCY, or USED. Reconditioned parts are described as Recond. Recored parts are described as Recore. NAGS Part Numbers and Benchmark Prices are provided by National Auto Glass Specifications. Labor operation times listed on the line with the NAGS information are MOTOR suggested labor operation times. NAGS labor operation times are not included. Pound sign (#) items indicate manual entries.

Some 2022 vehicles contain minor changes from the previous year. For those vehicles, prior to receiving updated data from the vehicle manufacturer, labor and parts data from the previous year may be used. The CCC ONE estimator has a list of applicable vehicles. Parts numbers and prices should be confirmed with the local dealership.

The following is a list of additional abbreviations or symbols that may be used to describe work to be done or parts to be repaired or replaced:

**INITIAL CALL FOR SERVICE**

On 12/06/2021 at 0725hrs, Officers responded to the 5700blk of W. Mitchell St. for a report of a single vehicle crash, called in by the fire department. I arrived on scene and made contact with a witness, Erika Van-Allen [REDACTED].

**CONTACT WITH ERIKA VAN-ALLEN**

Erika lives in the 1700blk of S 57 St. She stated she was scraping her windshield when she observed a West Allis Ambulance (M63) driving north bound on a one way south bound street. Erika stated the ambulance, passed her and then she heard a crash. She looked up from her vehicle and observed a small blue SUV had struck a pole. Erika stated the ambulance had briefly stopped but then continued driving north on S 57 St.

**CONTACT WITH GRACE ORLANDO**

I spoke with Grace who was the driver of the small SUV. She stated she was driving east on W. Mitchell St., taking her son to school. She stated as she approached the intersection of 57 and Mitchell, the ambulance came down a one way road. She stated the ambulance did not stop, which caused her to swerve. My name is Heliodoro De Lira. On November 18, 2015, we moved into our house at 6752 W. Becher St. in West Allis. Prior to that date, the City of West Allis had done some work in the street in front of my house and the contractor doing the work, which I believe was KS Energy Services LLC, removed a sewer line, apparently accidentally. The line was not replaced before the hole was filled in and the street was re-paved. However, the lack of the line caused the basement of my new house to flood during a heavy rain on the date we moved in.

As a result of that act, my wife Maria Emma Contreras and I have incurred the following expenses:

1. Roto-Rooter, \$1045, which we have not yet paid;
2. The IHN Company Inc., \$23,775, of which we have paid \$5000;
3. Roto-Rooter, \$450, which we have not paid;
4. Home Depot, \$75, to rent equipment. We have paid this.

I filed a claim with the City of West Allis on January 14, 2016.

MOTOR VEHICLE REPAIR PRACTICES ARE REGULATED BY CHAPTER ATCP 132, WIS. ADM. CODE, ADMINISTERED BY THE BUREAU OF CONSUMER PROTECTION, WISCONSIN DEPT. OF AGRICULTURE, TRADE AND CONSUMER PROTECTION, P.O. BOX 8911, MADISON, WISCONSIN 53708-8911.

THIS ESTIMATE HAS BEEN PREPARED BASED ON THE USE OF ONE OR MORE REPLACEMENT PARTS SUPPLIED BY A SOURCE OTHER THAN THE MANUFACTURER OF YOUR MOTOR VEHICLE. WARRANTIES APPLICABLE TO THESE REPLACEMENT PARTS ARE PROVIDED BY THE MANUFACTURER OR DISTRIBUTOR OF THE REPLACEMENT PARTS RATHER THAN BY THE MANUFACTURER OF YOUR MOTOR VEHICLE.

Estimate based on MOTOR CRASH ESTIMATING GUIDE and potentially other third party sources of data. Unless otherwise noted, (a) all items are derived from the Guide ARF3748, CCC Data Date 09/01/2021, and potentially other third party sources of data; and (b) the parts presented are OEM-parts. OEM parts are manufactured by or for the vehicle's Original Equipment Manufacturer (OEM) according to OEM's specifications for U.S. distribution. OEM parts are available at OE/Vehicle dealerships or the specified supplier. OPT OEM (Optional OEM) or ALT OEM (Alternative OEM) parts are OEM parts that may be provided by or through alternate sources other than the OEM vehicle dealerships with discounted pricing. Asterisk (\*) or Double Asterisk (\*\*) indicates that the parts and/or labor data provided by third party sources of data may have been modified or may have come from an alternate data source. Tilde sign (~) items indicate MOTOR Not-Included Labor operations. The symbol (<>) indicates the refinish operation WILL NOT be performed as a separate procedure from the other panels in the estimate. Non-Original Equipment Manufacturer aftermarket parts are described as Non OEM, A/M or NAGS. Used parts are described as LKQ, RCY, or USED. Reconditioned parts are described as Recond. Recored parts are described as Recore. NAGS Part Numbers and Benchmark Prices are provided by National Auto Glass Specifications. Labor operation times listed on the line with the NAGS information are MOTOR suggested labor operation times. NAGS labor operation times are not included. Pound sign (#) items indicate manual entries.

Some 2022 vehicles contain minor changes from the previous year. For those vehicles, prior to receiving updated data from the vehicle manufacturer, labor and parts data from the previous year may be used. The CCC ONE estimator has a list of applicable vehicles. Parts numbers and prices should be confirmed with the local dealership.

Re: Notice of Claim by Peter Peckarsky – Announced Candidate for U.S. Senate.

Dear City Clerk:

We represent Peter Peckarsky who is an announced candidate for U.S. Senate. This letter accompanies a Notice of Claim regarding the manner in which your municipality processes and counts absentee ballots. Your municipality has provided by ordinance that all absentee ballots will be canvassed by the municipal board of absentee ballot canvassers at a Central Count Absentee Ballot site according to the Wisconsin Elections Commission website. <http://elections.wi.gov/index.php/clerks/guidance/central-count-absentee> (accessed October 25, 2021).

As part of the Central Count procedure, Wis. Stat., §7.52(3)(a) requires the canvassers to mark each ballot with the poll list number and to record either the elector's name or number on the poll list. Both the ballot and poll list are public records. Anyone may access the ballots and poll lists to determine how the individual voted. This violates the Wisconsin Constitution's guarantee of a secret ballot in all elections. Art. III, §3.

We are prepared to file a legal action challenging the constitutionality of the portion of Wis.Stat., §7.52(3)(a) that requires identifying information on centrally counted absentee ballots. We trust that your elected officials and election staff will consider modifying your procedures to eliminate the unconstitutional practice of placing identifying information on centrally counted absentee ballots. Please let us know us if there is any change in status. That will determine whether your municipality will be involved in any future litigation.

Thank you for your attention to this matter.

Very truly yours,

  
Robert Theine Pledl

## **NOTICE OF CLAIM**

To: West Allis City Clerk  
7525 W Greenfield Avenue- Room 108  
West Allis, WI 53214

Re: Claim of Peter Peckarsky – Announced Candidate for U.S. Senate

### **Circumstances of Claim**

1. The purpose of this Notice of Claim submitted pursuant to Wis. Stat., §893.80 is to challenge the unconstitutional practice of marking absentee ballots with identifying information when absentee ballots are counted at a central location pursuant to Wis. Stat., §7.52(3)(a).

2. Article III, §3 of the Wisconsin Constitution states: "All votes shall be by secret ballot."

3. Ballots canvassed at polling places, including absentee ballots, are processed and counted without placing upon the actual ballot any number or other information that identifies the person who cast that ballot.

4. Wis.Stat., §7.52(1)(a) authorizes municipalities to adopt an ordinance providing that all absentee ballots will be canvassed at a Central Count Absentee Ballot site.

5. Wis.Stat., §7.52(3)(a) requires municipalities that choose the central count procedure to mark each absentee ballot with information which reveals the true identity of each voter who submits an absentee ballot. It states:

The board of absentee ballot canvassers shall mark the poll list number of each elector who casts an absentee ballot on the back of the elector's ballot. The board of absentee ballot canvassers shall then deposit the ballot into the proper ballot box and enter the absent elector's name or poll list number after his or her name on the poll list.

6. Absentee ballots marked with the voter's poll list number are public records, and poll lists that contain the voter's name are public records. Wis. Stat., §19.35. Anyone can access those records to determine how someone voted.

7. The requirement in Wis.Stat., §7.52(3)(a) that information identifying each absentee voter be marked on each ballot as part of the Central Count procedure is unconstitutional because it denies voters the right to cast a secret ballot that is guaranteed by Article III, §3 of the Wisconsin Constitution.

**Relief Sought**

8. Central Count municipalities should modify their procedures to insure that no identifying information is marked on absentee ballots.

9. Claimant intends to file a legal action seeking a declaratory judgment that the portion of Wis.Stat., §7.52(3)(a) which requires identifying information on absentee ballots is unconstitutional.

10. Claimant also intends to seek both a preliminary injunction and a permanent injunction prohibiting Wisconsin municipalities from utilizing at any future elections a Central Count procedure for absentee ballots that violates the secret ballot requirement in the Wisconsin Constitution.

Unless otherwise noted, (a) all items are derived from the Guide DR1CC11, CCC Data Date 06/16/2021, and potentially other third party sources of data; and (b) the parts presented are OEM-parts. OEM parts are manufactured by or for the vehicle's Original Equipment Manufacturer (OEM) according to OEM's specifications for U.S. distribution. OEM parts are available at OE/Vehicle dealerships or the specified supplier. OPT OEM (Optional OEM) or ALT OEM (Alternative OEM) parts are OEM parts that may be provided by or through alternate sources other than the OEM vehicle dealerships with discounted pricing. Labor operation times listed on the line with the NAGS information are MOTOR suggested labor operation times. NAGS labor operation times are not included. Pound sign (#) items indicate manual entries.

Some 2022 vehicles contain minor changes from the previous year. For those vehicles, prior to receiving updated data from the vehicle manufacturer, labor and parts data from the previous year may be used. The CCC ONE estimator has a list of applicable vehicles. NOTICE OF CLAIM

Date of incident: September 28 2021 Time of day: 8:00pm  
Location: 1908 S. 71st West Allis, WI

Some helpful information may be the police report, pictures of the incident or damage, a diagram of the location, a list of injuries, a list of property damage, names and contact information for witnesses to the incident, and any other information relevant to the circumstances.

I was driving my car the night of September 28 2021. I was traveling southbound on 71st towards 71st and Becher street. It was completely dark outside and looked like a blackout driving down 71st street. Some street lights were burnt out and other street lights we're so dim I could barely see clearly driving down 71st. After I drove over the railroad tracks I ran over a giant piece of cement that had came from the pot hole and was in the middle of the street. I tried to dodge the pot hole and giant piece of cement and cars driving on the opposite side of the street but ended up hitting the pot hole and piece of cement at the same time. My car's left front driver side tire immediately popped and was flat so I pulled over to check the damage. Then I walked down the road to see what I hit and it was the pot hole and giant piece of cement that was from the pot hole. I took pictures of the scene the night of. After I took the pictures I called my insurance company to come tow my vehicle. The next day the dealership told me that I would have to purchase a new tire because the old tire is not repairable. The total amount I paid the dealership was \$273.68 and I would like to get compensated for the damages done to my vehicle. Thank You.

Dear Sir/Madam:

I am writing to request that you conduct a comprehensive investigation as to why I was misguided in being given incorrect information pertaining to constructing a residential fence and your site compliance codes in the City of West Allis by your Planning & Zoning Division (Mr. Tony Giron) and the Building Inspection Department.

On July 16, 2021, I visited the Assessment office regarding the property located at 8711A West Schlinger Ave., West Allis, WI pertaining to the property line and wanting to construct a fence as a division of the two properties, I was told I could. Before the start of the project, I again came to the Building Inspection office and asked would I need a permit to construct that fence? I was told not in the City of West Allis, I said OK. On September 23, 2021, the project begun, by October 29, 2021, it was completed. On November 4, 2021, I received a phone call from the landlord telling me the fence had to come down because it was the wrong type of material which was against West Allis building codes. I removed the entire fence completely on November 8, 2021.

My request for an investigation is based upon these truths and fact "No person in the Assessment office nor the Building Inspection office ever said to me there are building codes one must follow as to the height of the fence, six (6) feet and to the type of material one can only use". And because of failing to share this vital information, it has cost me a great financial lost, around \$1,500.00 or more with labor, material, equipment, and time. I am looking in recovering this lost from the City of West Allis because of your professional workers failing to inform me of your fence codes which was valuably needed to be known by me.

In my fence being inspected, did you not notice the neighbor's west of me, their fence is turn the wrong way according to your building codes.

I would appreciate if you would please investigate this matter as soon as possible, so that I my find some closer and deal with my disappointment in not being able to keep my fence up.

Thank you for your prompt attention to this request.

Sincerely,

A handwritten signature in cursive script that reads "Florine Hicks".

Date of incident: 08/08/2021

Time of day: 10:00 AM

Describe the circumstances of your claim here. You may attach additional sheets or exhibits. Some helpful information may be the police report, pictures of the incident or damage, a diagram of the location, a list of injuries, a list of property damage, names and contact information for witnesses to the incident, and any other information relevant to the circumstances.

On the morning of August 8, 2021, sewage came up into my basement through the basement drain. Luke K. from Milestone plumbing came on August 10, 2021 to resolve the issue. He noted, 'Attempted to snake backed up sewer from main cleanout in basement with 6" cutter. Estimate distance from cleanout to city sewer approximately 70-80'. Attempted drain clean with 6" cutter but upon reaching around 70' hit a hard blockage that caused cable to turn in pipe. Retrieved cable and attempted to snake with 4" cutter but again cable was unable to go through blockage. Upon retrieving cutters both times found that they were shiny like they had been cutting on stone or earth, we are unable to clean drain at this time and believe there may be a collapsed pipe under the ground.' I contacted MMSD regarding the 'Pipe Check Program' and made an appointment with Gene Wagner Plumbing Co., Inc. (414-541-9217 | www.genewagnerplumbing.com), since they are an approved contractor for the 'Pipe Check Program'. The team came on August 16, 2021, dug up the area where a sinkhole had formed in the median on 76th Street and determined the area where the pipe was damaged. According to the plumber, Dave, it appeared that the damage most likely occurred when work was completed on the storm sewer. The material used to 'patch' the lateral had failed. As the homeowner, I was never notified that damage to my property had occurred when work had been done on the storm sewers a few years ago. Since I was not notified, I was not given the opportunity to determine how repair should be handled when it originally occurred. The team completed the repair on August 17, 2021. Invoice 22414 details the work completed. Included with this claim are pictures of the broken lateral. The broken section of the lateral is still in my possession.

### DESCRIPTION OF WORK

Upon arrival replaced valve serving outside boiler drain as well as boiler drain itself. Attempted to snake backed up sewer from main cleanout in basement with 6" cutter. Estimate distance from cleanout to city sewer approximately 70-80'. Attempted drain clean with 6" cutter but upon reaching around 70' hit a hard blockage that caused cable to turn in pipe. Retrieved cable and attempted to snake with 4" cutter but again cable was unable to go through blockage. Upon retrieving cutters both times found that they were shiny like they had been cutting on stone or earth, we are unable to clean drain at this time and believe there may be a collapsed pipe under the ground. Recommend Rozga for possible sewer repair or replacement solution. We are only billing for time spent on hose bib as courtesy due to us being unable to snake drain.

Mr. Lucas,

As discussed at the meeting tonight, you may surrender your Class B licenses by February 14 to avoid non-renewal.

If you choose to surrender the licenses, you may apply for a new license at any later time. If you do not surrender the licenses, the council will non-renew your license, which means you will not be able to apply for a new license for 12 months.

The only thing you need to do to surrender the licenses is reply to all on this email and say "I surrender the Class B licenses for R&K Entertainment Enterprises, LLC, d/b/a Slurp-N-Burp Fun Bar at 1454 S. 92 St"

Feel free to reach out to me with any questions.

**COMPLAINT**

---

Plaintiff Home Depot USA, Inc. ("Plaintiff"), by its undersigned counsel, Reinhart Boerner Van Deuren s.c., for its Complaint against the defendant City of West Allis (the "City"), alleges as follows:

**NATURE OF ACTION AND PARTIES**

1. This action is brought under Wis. Stat. § 74.37(3)(d), for a refund of excessive real estate taxes imposed on Plaintiff by the City for the year 2020, plus statutory interest, with respect to a parcel of real property in the City (the "Property").

2. Plaintiff is the owner on the Property, is responsible for the payment of property taxes and the prosecution of property tax disputes involving the Property and is authorized to bring this claim in its own name.

3. The City is a body corporate and politic, duly organized as a municipal corporation under Wisconsin law, with its principal office located at 7525 West Greenfield Avenue in the City.

4. The Property is located at 11071 West National Avenue in the City and is identified in the City's records as Tax Parcel Nos. 520-9965-035 and 520-9965-032.

### JURISDICTION AND VENUE

5. This Court has personal jurisdiction over the City pursuant to Wis. Stat. § 801.05(1).

6. Venue is appropriate in Milwaukee County pursuant to Wis. Stat. § 801.50(2)(a).

### BACKGROUND FACTS

#### *2020 Assessment - Background Facts*

7. The aggregate ratio of property assessed in the City as of January 1, 2020 has not been determined as of the date of filing.

8. For 2019, property tax was imposed on property in the City at the rate of \$27.154981 per \$1,000 of assessed value of property.

9. For 2020, the City's assessor set the assessment of the Property at \$9,775,700.

10. Plaintiff appealed the 2020 assessment of the Property by filing a timely objection with the City's Board of Review pursuant to Wis. Stat. § 70.47 and otherwise complying with all of the requirements of Wis. Stat. § 70.47, except Wis. Stat. § 70.47(13).

11. By virtue of hearing waiver pursuant to Wis. Stat. § 70.47(8m) the Board of Review sustained the 2020 assessment on the merits without hearing at \$9,775,700. A true and correct copy of the 2020 Stipulation Waiving Hearing ("Hearing Waiver") is attached hereto as **Exhibit A** and is incorporated herein by reference.

12. The Hearing Waiver indicates that the taxpayer was advised of the waiver on June 16, 2020. However, Plaintiff did not receive the Hearing Waiver until August 4, 2020.

13. Assuming the 2020 mill rate will be essentially the same as the 2019 mill rate, the City will impose tax on the Property in the approximate amount of \$265,459.

14. Plaintiff will timely pay the property taxes imposed by the City on the Property for 2020, or the required installments thereof.

### CLAIM FOR RELIEF

15. The allegations of paragraphs 1-14 are incorporated as if fully re-alleged herein.

#### *2020 Assessment - Claim for Relief*

16. The fair market value of the Property as of January 1, 2020 was no higher than \$5,691,400.

17. Assuming an aggregate ratio of 100%, the correct assessment of the Property for 2020 is no higher than \$5,691,400.

18. Based on the tax rate of \$27.154981 per \$1,000 of assessed value, the correct amount of property tax on the Property for 2020 should be no higher than \$154,550.

19. The 2020 assessment of the Property, as set by the City's Assessor and compared with other commercial Property in the City is excessive and, upon information and belief, violates Article VIII, Section 1 (i.e., the Uniformity Clause) of the Wisconsin Constitution. As a result, the property tax imposed on the Property for 2020 may be excessive in at least the amount of \$110,909.

20. Upon information and belief the City will take the position that the assessment of property in the City is at market value and, if true, then an over assessment of the Property

constitutes a Uniformity Clause violation. As a result of the assessment of the Property, the Property bears an unreasonably disproportionate share of taxes on an ad valorem basis.

21. Plaintiff is entitled to a refund of 2020 tax in the amount of at least \$110,909, or such greater amount as may be determined to be due to Plaintiff, plus statutory interest.

WHEREFORE, Plaintiff respectfully requests the following relief:

A. A determination that the assessment of the Property for 2020 should be no higher than \$5,691,400;

B. A determination that the correct tax on the Property for 2020 should be no higher than \$154,550;

C. Judgment in the amount of \$110,909, or such greater amount as may be determined due to Plaintiff, plus statutory interest;

D. An award of all litigation costs incurred by Plaintiff in this action, including the reasonable fees of its attorneys; and

E. Such other and further relief as the Court deems appropriate and just.

Dated this 14<sup>th</sup> day of August, 2020.

Common Council  
City of West Allis

RE: Summons and Complaint by Home Depot USA alleging excessive assessment – Circuit Court Case 2020CV4822  
– Legistar No. 2020-0763

Dear Council Members:

The above claim was referred to this office in accordance with Section 3.05(8) of the Revised Municipal Code and Policy No. 801. The claim was filed by Home Depot alleging that the City assessor excessively valued tax parcels 520-9965-035 and 520-9965-032 in the year 2020 and 2021. The City Attorney's Office recommends that the council settle the claim pursuant to the terms of the enclosed proposed settlement agreement. Accordingly, the value of parcel 520-9965-035 would be reduced to \$9,303,600 for the years 2020, 2021, and 2022. This would result in a total refund of \$26,260.95 for 2020 and 2021. Taxes for 2022 have not been billed or paid, yet.

Facts: Home Depot filed a timely Board of Review objection to the 2020 tax assessments of its two parcels within the City of West Allis. The Board of Review waived those objections to Circuit Court in June 2020. Home Depot repeated this process for the 2021 tax assessments. Ultimately, both years were incorporated in Circuit Court case 20CV4822.

Claim: Home Depot claimed that the City's tax assessments reflected an above market valuation of the property. Home Depot's conclusion was based on several vacant stores said to be comparable to the Home Depot, which is a fully functioning retail space and is not currently vacant.

Analysis: Home Depot's reliance on largely vacant stores was misplaced. However, during discussion Home Depot agreed with the City Assessor to consider the 2018 sale of Walmart

on Capitol Dr. as the metric by which to judge an appropriate valuation of Home Depot's property. That property was a fully operational Walmart both before and after the sale making it much more like the Home Depot property as opposed to the vacant properties.

In considering the Walmart comparable sale, Home Depot felt that some of the adjustments made by the City Assessor did not completely capture the differences that exist between the Walmart property and Home Depot. When such adjustments are made, they are subjective and informed by the expert appraiser's own experience. Ultimately the City Assessor believes that the adjustments applied to reach the proposed settlement with Home Depot are within the range of what a reasonable expert would apply. Therefore, it is our office's position that it makes more sense to proceed with this settlement rather than continue litigation where the adjustments and final valuation could fall short of reasonable when the valuation is determined by a judge, who is not an expert appraiser.

Therefore, based on the above analysis, the City Attorney's Office recommends that the Council approve resolution of this claims per the terms of the settlement agreement, resulting in a refund of \$26,260.95 to Home Depot.

Respectfully submitted,

A handwritten signature in blue ink that reads "Rebecca Monti".

Rebecca Monti

Principal Assistant City Attorney

## SETTLEMENT AGREEMENT, WAIVER AND RELEASE

THIS SETTLEMENT AGREEMENT, WAIVER AND RELEASE (“Agreement”) is made by and between HOME DEPOT USA, INC. (“Plaintiff”) and the CITY OF WEST ALLIS (“City”).

WHEREAS, The Plaintiff filed a lawsuit against the City entitled *Home Depot USA, Inc. v. City of West Allis*, Milwaukee County Case No. 2020CV4822, for the partial refund of property taxes previously paid, on the basis that their 2020-2021 property tax assessments were excessive; and

WHEREAS, the Plaintiff has a similar dispute in regard to the pending 2022 assessment; and

WHEREAS, the parties wish to resolve this matter without the expense and disruption of further litigation between them by amicably entering into this full and final settlement as to all claims the Plaintiff may have against the City in connection with their 2020, 2021, and 2022 assessments;

NOW, THEREFORE, for good and valuable consideration, the parties stipulate and agree as follows:

1. Approval. This Agreement is subject to approval in its entirety by the Common Council and the Mayor of the City of West Allis. It shall be deemed null and void, and have no force, effect, or admissibility in the event it is not so approved in its entirety.

2. Definitions. In this Agreement:

(a) The “Property” means the land and improvements located at 11071 West National Avenue within the City of West Allis, Wisconsin and identified as tax parcel numbers 520-9965-035 and 520-9965-032.

(b) “Case” means the action pending in the Milwaukee County Circuit Court titled *Home Depot USA, Inc. v. City of West Allis*, Milwaukee County Case No. 2020CV4822.

(c) “Court” means the Circuit Court of Milwaukee County.

(d) A “tax year” means the year in which an assessment is made as of January 1, 2020, January 1, 2021, and January 1, 2022, with taxes based on the assessment payable in the year following the tax year.

3. Refund of Taxes. In consideration of the stipulation to dismiss the Case provided in Section 7, and the release of all claims provided in Section 8, and upon the approval of Common Council and the Mayor, the City shall remit a refund, strictly for settlement purposes with no admission as to the fair market value of the Property for tax years 2020-2021, pursuant to Wis. Stat. § 74.37, in the total sum of \$26,260.95 payable to Michael Best &

Friedrich LLP Client Trust Account for the benefit of the Plaintiff and representing partial refunds of property taxes previously paid by Plaintiff based on the property assessments of the Property for tax years 2020-2021. The parties agree that no portion of this amount constitutes interest.

4. 2022 Assessment. The parties agree that the 2022 assessment of the Property shall reflect a total assessed value not to exceed \$9,303,600. In the event the 2022 assessment as indicated on the 2022 tax bill for the Property exceeds the above amount, the City shall be liable to Plaintiff for a refund of any taxes imposed on the Property with respect to the 2022 assessment of the Property in excess of the tax that would have been imposed on the Property if the Property had been assessed at the amount identified above (“2022 Refund”) and the City shall pay such 2022 Refund to Plaintiff within forty-five (45) days after receipt of notice from Plaintiff that a 2022 Refund is owed.

5. Waiver of Costs. Each party waives all claims for costs.

6. Time of Payment. The City shall pay the refund provided in Section 3 of this Agreement in full no later than April 15, 2022.

7. Interest. No interest is to be paid to Plaintiffs.

8. Stipulation for Dismissal. No later than the 10th business day following Plaintiffs’ receipt of the Refund of Taxes described in Section 3 of this Agreement, the parties shall take the following actions:

(a) With respect to the Case, the parties shall enter into a stipulation substantially identical to Exhibit A to this Agreement, signed by their respective attorneys, for the dismissal of the Case (including but not limited to, all claims asserted in the Complaint in the Case) on the merits, with prejudice and without costs to either party; and

(b) File the stipulation described in paragraph 7(a) with the Court.

9. Release. In exchange for the Refund of Taxes, 2022 Assessment and dismissal contemplated by this Agreement, the Plaintiff hereby terminates, waives and discharges any further claims, demands, or actions which it might assert or bring in the future or have brought to date, whether mature or not, currently actionable or not, and any suits, appeals, objections, administrative actions and legal proceedings whatsoever against the City with respect to its assessments for tax years 2020, 2021 and 2022 with respect to the Property, and hereby releases, discharges and acquits the City, its officers, board members, employees, agents and contractors, for any claims, causes of action, alleged injuries, or damages, of any kind, character or nature whatsoever, which have been, could have been, or might be asserted against the City or any officer, employee, agent or contractor acting on its behalf, arising out of the assessments of the Property for tax years 2020, 2021 and 2022.

10. Responsibility for Fees and Expenses of Attorneys and Experts. Each party

shall be solely responsible for the fees of its attorneys and experts.

11. No Representations. Each party acknowledges and agrees that no representation or promise not expressly contained in this Agreement has been made by the opposing party or any of its employees, attorneys, agents, or representatives. Each party acknowledges that it is not entering into this Agreement on the basis of any such representation or promise, express or implied.

12. Binding on Successors. This Agreement shall be binding upon and inure to the benefit of each of the parties and their respective heirs, successors, and assigns.

13. Governing Law. This Agreement shall be governed and interpreted by the laws of the State of Wisconsin.

14. Interpretation of Agreement. The parties acknowledge that this Agreement is the product of joint negotiations. If any dispute arises concerning the interpretation of this Agreement:

- (a) Neither party shall be deemed the drafter of this Agreement for purposes of its interpretation; and
- (b) The parties shall attempt in good faith to resolve the dispute.

The parties agree that the Court retains jurisdiction to enforce this Agreement and that a party may ask the Court to enforce this Agreement by filing a motion in the Case and serving the same on the other party.

15. Representation By Counsel; Reliance. Each party acknowledges that it has been represented throughout all negotiations leading up to this Agreement by attorneys of its choice and that its attorneys have approved this Agreement. Each party represents that in entering into this Agreement, the party has relied on its own judgment and on the advice of its attorneys, and that no statements or representations made by the other party or any of its agents, except statements or representations expressly made in this Agreement, have influenced or induced the party to sign this Agreement.

16. No Assignment or Transfer. Plaintiff hereby represents and warrants that it is the sole and lawful owner of all claims, matters and causes of action they are releasing or dismissing pursuant to this Agreement. Plaintiff represents and warrants that it has not assigned or transferred to anyone and will not assign or transfer to anyone any of the claims in the Case.

17. Entire Agreement. This Agreement states and constitutes the entire agreement of the parties concerning its subject matter and supersedes all prior or contemporaneous agreements (written or oral), representations, negotiations, and discussions concerning its subject matter, including but not limited to, all agreements (written or oral), representations, negotiations, and discussions made in the course of negotiation of the Case.

18. Use of this Agreement. This Agreement shall not be filed with the Court in this Case or in any other case or proceeding, except for the sole purpose of enforcing this Agreement. This Agreement and any part of this Agreement shall not be admissible in any future judicial or administrative proceeding, except for the sole purpose of enforcing this Agreement.

19. No Admissions of Liability or Concerning Assessments or Fair Market Value. This Agreement is the settlement of disputed claims. By entering into this Agreement, the City does not admit any liability to Plaintiff for any of the claims asserted in the Case or Plaintiff's objections to the assessments. Further, the payment made under this Agreement, and/or the reduction of the Property's assessed value shall not be construed as an admission of any such liability. Neither party makes an admission about the assessments or the fair market value of the Property as of January 1, 2020, January 1, 2021, or January 1, 2022. In addition, neither (a) the 2020-2022 assessments of the Property, nor (b) any changes to the 2020-2022 assessments of the Property that may occur as a result of the implementation of this Agreement, nor (c) any other putative values of the Property for any of the years 2010-2022 derived from the assessments or from the refund amount due under this Agreement, shall be admissible in any proceeding or assessment challenge regarding the assessment of the Property in any subsequent year, except for the purpose of enforcing this Agreement.

20. Waiver. No waiver of any breach of this Agreement shall be deemed a continuing waiver of that breach or a waiver of any other breach of this Agreement.

21. Amendments or Modifications. This Agreement may not be amended, modified or altered in any manner whatsoever, except by a further written agreement duly authorized and signed by the parties.

22. Authorization to Sign Agreement. Each person signing this Agreement on behalf of either party represents and warrants that the person holds the position indicated beneath the person's signature and that the person has the requisite corporate or other authority to sign this Agreement on behalf of the party. Each party represents that entry into this Agreement is not in contravention of any agreement or undertaking to which the party is bound.

23. Reading of Agreement. Each person signing this Agreement on behalf of either party acknowledges that the person has read this Agreement, that the person understands the terms and conditions of this Agreement, that the person (if other than an attorney for the party) has been advised by legal counsel concerning this Agreement, and that the person freely and voluntarily signs this Agreement.

COMPLAINT FOR CERTIORARI REVIEW

---

Wilde Family Limited Partnership (hereinafter Wilde), by its attorneys, Rogahn Jones LLC, as its certiorari complaint against the City of West Allis (hereinafter City) alleges as follows:

1. This action is brought pursuant to Wis. Stat. §70.47(8m) and Wis. Stat. §74.37(3)(d) against the City for certiorari review and correction of its Board of Review (hereinafter BOR) disallowance of Wilde's claims of excessive assessment under Wis. Stat. §70.47(8m) and Wis. Stat. §74.37(3)(d), for a correction of the assessor's assessment and for a refund of excessive real estate taxes imposed on Wilde by the City for the year 2019, plus statutory interest, with respect to a parcel of real property in the City (hereinafter the Property).

2. Wilde is the owner of the Property, is responsible for the payment of property taxes and the prosecution of property tax disputes involving the Property and is authorized to bring this claim in its own name.

3. The City is a body corporate and politic, duly organized as a municipal corporation under Wisconsin law, with its principal office located at 7525 West Greenfield Avenue, in the City.

4. The Property is located at 3225 S. 108<sup>th</sup> Street within the City, and is identified in the City records as Tax Parcel No. 523-9946-009.

5. This court has personal jurisdiction over the City pursuant to Wis. Stat. §801.05(1).

6. Venue is appropriate in Milwaukee County pursuant to Wis. Stat. §801.50(2)(a).

7. The aggregate ratio of property assessed in the City as of January 1, 2019, has not been determined as of the date of filing.

8. For 2018, property in the City was assessed at 97.21% of its fair market value as of January 1, 2018.

9. For 2018, property tax was imposed on property in the City at the rate of \$27.48 per \$1,000 of the assessed value for property.

10. For 2019, the City's assessor set the assessment of the Property at \$9,286,300.00.

11. Wilde appealed the 2019 assessment of the Property by filing a timely objection with the BOR pursuant to Wis. Stat. §70.47 and otherwise complying with all of the requirements of Wis. Stat. §70.47, except 70.47(13).

12. The BOR waived the hearing of Wilde's objection pursuant to Wis. Stat. §70.47(8m). A true and correct copy of the waiver of hearing for the Property is attached hereto.

13. The effect of the BOR's waiver is the disallowance of Wilde's claim of excessive assessment, and maintenance of the 2019 assessment of the Property, without a hearing, at \$9,286,300.00.

14. Assuming the 2019 mill rate will be essentially the same as the 2018 mill rate, the City will impose tax on the Property in the amount of \$255,187.52.

15. The BOR's disallowance of Wilde's claim of excessive assessment entitles Wilde to appeal that disallowance to the circuit court through this action for certiorari review pursuant to Wis. Stat. §70.47(13) and Wis. Stat. §74.37(3)(d).

16. The fair market value of the Property as of January 1, 2019, was no higher than \$5,955,000.00.

17. Assuming an aggregate assessment ratio of 97.21%, the correct assessment of the Property for 2019 is no higher than \$5,788,855.50.

18. Assuming a tax rate of \$27.48 per \$1,000.00 of assessed value, the correct amount of property tax on the Property for 2019 should be no higher than \$159,077.75.

19. The 2019 assessment of the Property, as set by the BOR was excessive and, upon information and belief, violated Article VIII, Section 1 (i.e., the Uniformity Clause) of the Wisconsin Constitution. As a result, the property assessment of the Property for 2019 was excessive in at least the amount of \$3,497,444.50, and the tax imposed on the Property for 2019 was excessive in at least the amount of \$96,109.77.

20. Wilde is entitled to a correction of the assessment of the Property for 2019 to \$5,788,855.50.

21. Wilde is entitled to a refund of 2019 tax in the amount of \$96,109.77, or such greater amount as may be determined to be due to Wilde, plus statutory interest.

WHEREFORE, Wilde requests the following relief:

1. A determination and declaration that the assessment of the Property for 2019 should be no higher than \$5,788,855.50.
2. A determination that the correct tax on the Property for 2019 should be no higher than \$159,077.75.
3. Judgment in the amount of \$96,109.77, on the Property for 2019 or such greater amount as may be determined due to Wilde, plus statutory interest.
4. An award of all litigation costs incurred by Wilde in this action, including the reasonable fees of its attorneys.
5. Such other and further relief as may be appropriate.

Dated this 9<sup>th</sup> day of September 2019.

## Settlement Agreement

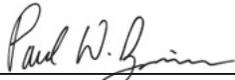

Wilde Family Limited Partnership (“Wilde”), and the City of West Allis (“City”) hereby agree to the following terms and conditions of settlement in the matter of 19CV6923 and Wilde’s 2021 tax assessment objection not yet filed in Circuit Court:

1. Wilde is the owner of four (4) tax parcels located within the City of West Allis: 523-9946-009; 523-9947-001; 523-9949-002; and 523-9992-004. Wilde filed timely objections with the West Allis Board of Review regarding the 2019, 2020, and 2021 tax assessment for these parcels. All three years were waived to Circuit Court by the Board of Review, but only the years 2019 and 2020 are before the Court in 19CV6923.
2. Wilde and the City agree that the aggregate valuation of all Wilde’s properties within West Allis should be \$10,097,000 for the three years at issue, only.
3. In order to most efficiently process this adjustment the City has agreed to apply a deduction to Wilde’s primary tax parcel, 523-9946-009, for the years 2019, 2020, and 2021. This reduction will result in the overall valuation agreed to in paragraph 2 above.
4. The City makes this adjustment on the basis of functional obsolescence as identified in the Wisconsin Property Assessment Manual. This concept merits a minor downward adjustment in valuation due to the remaining cosmetic and/or functional issues related to the initial design and construction flaws, as well as those issues caused by the repairs that have since been completed.
5. This adjustment results in a return of taxes already paid for the year 2019 in the amount of \$20,241.32 and \$20,800.16 for the year 2020. Accordingly, the City will issue a check in the amount of \$41,041.48 to Wilde.

6. The mill rate has not been set for 2021 so the amount of reduction cannot be calculated, but the Wilde tax bill for this year will be modified accordingly.
7. With the execution of this document Wilde hereby releases, acquits, and forever discharges the City of West Allis, Wisconsin, A Municipal Corporation, Its Departments, Commissions, Officials, Agents and Employees, his, her, it's or their successors and assigns and all other persons, firms or corporations who are or might be liable from any and all claims, demands, damages, costs, and causes of action related to the claims of excessive assessment for the years 2019, 2020, and 2021.
8. This settlement agreement contains the ENTIRE AGREEMENT between the parties hereto, and the terms of this agreement are contractual and not a mere recital.

Dated this 13<sup>th</sup> day of August, 2021.

RE: Summons and Complaint by Wilde Family Limited Partnership alleging excessive 2019 assessment of the property for 3185 S. 108th St. (Case 2019CV006923)  
– Legistar No. 2019-0778

Dear Council Members:

The enclosed claim has been referred to this office in accordance with Section 3.05(8) of the Revised Municipal Code and Policy No. 801. Though this matter was referred as a multitude of related claims (2019-0778; 2019-0779; 2019-0777; 2019-0776; 2020-0814; 2020-0815; 2020-0816; 2020-0817), all matters were consolidated into on court case – 19CV6923, which correlates to Legistar claim 2019-0778. This office's recommendation is to resolve the claim on behalf of Wilde pursuant to the terms of the attached settlement agreement.

The recommended settlement agreement reflects a stipulation to a total assessed value for all four of Wilde's City of West Allis Properties at \$10,097,000. In order to effectuate that total, the value of the property located at 3225 S 108<sup>th</sup> Street, Parcel #523-9946-009, will be adjusted to \$8,540,900, while the other three parcels remain the same. This change is to be reflected for the years 2019, 2020, and 2021. Once made this adjustment will result in a total refund of \$41,041.48 to Wilde Limited Partnership.

Facts: In 2019, the City of West Allis' Assessor's Office conducted a complete commercial property revaluation. Wilde filed a timely Board of Review objection to the 2019 tax assessments of its four parcels within the City of West Allis. The Board of Review waived those objections to Circuit Court in June 2019. In September 2019, Wilde filed four separate court actions, one for each parcel in the City. Wilde repeated this process for the 2020 tax assessments. The Circuit Court ultimately consolidated all of Wilde's lawsuits for all parcels and all years into one case – 19CV6923.

Claim: Wilde claimed that the City’s tax assessments did not account for a degree of functional obsolescence related to the main structure located on the business’ primary parcel: 3225 S 108<sup>th</sup> Street, Parcel #523-9946-009. This obsolescence was related to a major structural flaw that existed in the building containing Wilde’s showroom, service department, and business offices. The structural flaw was addressed by Wilde with the addition of numerous, large, internal, and external, steel supports. It was Wilde’s position that the assessment of the property should be reduced as potential buyers would place less value on the property given the structural issues. One such concern being the restriction on the space in the service bays where certain dimensions of space are needed to accommodate larger model vehicles. Other concerns Wilde noted would be the need for routine monitoring to ensure that the supports were continuing to be sufficient and simply the aesthetics of the obvious additional supports, particularly the “exoskeleton” on the outside of the building.

Analysis: It is in the City’s interest to settle the claim and avoid any additional costs of litigation. Wilde had retained two experts to support the claim that the value was reduced by this structural issue, despite the efforts made to address the structural defect. The concept of functional obsolescence is a recognized factor that an assessor must consider according to the Wisconsin Property Assessment Manual published by the Department of Revenue. In considering the concept of functional obsolescence, City Assessor Jason Williams’ thought the agreed upon reduction in value was a reasonable adjustment in his professional opinion.

Therefore, based on the above analysis, the City Attorney’s Office recommends that the Council approve resolution of this claims per the terms of the settlement agreement, resulting in a refund of \$41,041.48 to Wilde.

## Settlement Agreement

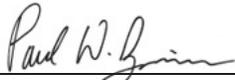

Wilde Family Limited Partnership (“Wilde”), and the City of West Allis (“City”) hereby agree to the following terms and conditions of settlement in the matter of 19CV6923 and Wilde’s 2021 tax assessment objection not yet filed in Circuit Court:

1. Wilde is the owner of four (4) tax parcels located within the City of West Allis: 523-9946-009; 523-9947-001; 523-9949-002; and 523-9992-004. Wilde filed timely objections with the West Allis Board of Review regarding the 2019, 2020, and 2021 tax assessment for these parcels. All three years were waived to Circuit Court by the Board of Review, but only the years 2019 and 2020 are before the Court in 19CV6923.
2. Wilde and the City agree that the aggregate valuation of all Wilde’s properties within West Allis should be \$10,097,000 for the three years at issue, only.
3. In order to most efficiently process this adjustment the City has agreed to apply a deduction to Wilde’s primary tax parcel, 523-9946-009, for the years 2019, 2020, and 2021. This reduction will result in the overall valuation agreed to in paragraph 2 above.
4. The City makes this adjustment on the basis of functional obsolescence as identified in the Wisconsin Property Assessment Manual. This concept merits a minor downward adjustment in valuation due to the remaining cosmetic and/or functional issues related to the initial design and construction flaws, as well as those issues caused by the repairs that have since been completed.
5. This adjustment results in a return of taxes already paid for the year 2019 in the amount of \$20,241.32 and \$20,800.16 for the year 2020. Accordingly, the City will issue a check in the amount of \$41,041.48 to Wilde.

6. The mill rate has not been set for 2021 so the amount of reduction cannot be calculated, but the Wilde tax bill for this year will be modified accordingly.
7. With the execution of this document Wilde hereby releases, acquits, and forever discharges the City of West Allis, Wisconsin, A Municipal Corporation, Its Departments, Commissions, Officials, Agents and Employees, his, her, it's or their successors and assigns and all other persons, firms or corporations who are or might be liable from any and all claims, demands, damages, costs, and causes of action related to the claims of excessive assessment for the years 2019, 2020, and 2021.
8. This settlement agreement contains the ENTIRE AGREEMENT between the parties hereto, and the terms of this agreement are contractual and not a mere recital.

Dated this 13<sup>th</sup> day of August, 2021.

# General Conditions of the Agreement for Professional Services

## SECTION I – SERVICES OF CONSULTANT

### A. General

1. Consultant agrees to perform professional services as set forth in the Agreement for Professional Services or Supplemental Letter Agreement (“Basic Services”). Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the Client or the Consultant. The Consultant’s services under this Agreement are being performed solely for the Client’s benefit, and no other party or entity shall have any claim against the Consultant because of this Agreement or the performance or nonperformance of services hereunder.

### B. Schedule

1. Unless specific periods of time or dates for providing services are specified, Consultant’s obligation to render services hereunder will be for a period which may reasonably be required for the completion of said services.
2. If Client has requested changes in the scope, extent, or character of the Project or the services to be provided by Consultant, the time of performance and compensation for Consultant’s services shall be adjusted equitably. The Client agrees that Consultant is not responsible for damages arising directly or indirectly from delays beyond Consultant’s control. If the delays resulting from such causes increase the cost or the time required by Consultant to perform its services in accordance with professional skill and care, then Consultant shall be entitled to a equitable adjustment in schedule and compensation.

### C. Additional Services

1. If Consultant determines that any services it has been directed or requested to perform are beyond the scope as set forth in the Agreement or that, due to changed conditions or changes in the method or manner of administration of the Project, Consultant’s effort required to perform its services under this Agreement exceeds the stated fee for Basic Services, then Consultant shall promptly notify the Client regarding the need for additional services. Upon notification and in the absence of a written objection, Consultant shall be entitled to additional compensation for the additional services, and to an extension of time for completion of additional services absent written objection by Client.
2. Additional services shall be billed in accord with agreed upon rates, or if not addressed, then at Consultant’s standard rates.

### D. Suspension and Termination

1. If Consultant’s services are delayed or suspended in whole or in part by Client, or if Consultant’s services are delayed by actions or inactions of others for more than 60 days through no fault of Consultant, then Consultant shall be entitled to either terminate its agreement upon 7 days written notice or, at its option, accept an equitable adjustment of rates and amounts of compensation provided for elsewhere in this Agreement to reflect reasonable costs incurred by Consultant.
2. This Agreement may be terminated by either party upon seven days written notice should the other party fail substantially to perform in accordance with its terms through no fault of the party initiating the termination.
3. This Agreement may be terminated by either party upon thirty days’ written notice without cause. All provisions of this Agreement allocating responsibility or liability between the Client and Consultant shall survive the completion of the services hereunder and/or the termination of this Agreement.
4. In the event of termination, Consultant shall be compensated for services performed prior to termination date, including charges for expenses and equipment costs then due and all termination expenses.

## SECTION II – CLIENT RESPONSIBILITIES

### A. General

The Client shall, in proper time and sequence and where appropriate to the Project, at no expense to Consultant, provide full information as to Client’s requirements for the services provided by Consultant and access to all public and private lands required for Consultant to perform its services.
2. The Consultant is not a municipal advisor and therefore Client shall provide its own legal, accounting, financial and insurance counseling and other special services as may be required for the Project. Client shall provide to Consultant all data (and professional interpretations thereof) prepared by or services performed by others pertinent to Consultant’s services, including but not limited to, previous reports; sub-surface explorations; laboratory tests and inspection of samples; environmental assessment and impact statements, surveys, property descriptions; zoning, deed and other land use restrictions; as-built drawings, electronic data base and maps. The costs associated with correcting, creating or recreating any data that is provided by the Client that contains inaccurate or unusable information shall be the responsibility of the Client.
3. Client shall provide prompt written notice to Consultant whenever the Client observes or otherwise becomes aware of any changes in the Project or any defect in Consultant’s services. Client shall promptly examine all studies, reports, sketches, opinions of construction costs, specifications, drawings, proposals, change orders, supplemental agreements and other documents presented by Consultant and render the necessary decisions and instructions so that Consultant may provide services in a timely manner.
4. Client shall require all utilities with facilities within the Client’s Project site to locate and mark said utilities upon request, relocate and/or protect said utilities as determined necessary to accommodate work of the Project, submit a schedule of the necessary relocation/protection activities to the Client for review and comply with agreed upon schedule. Consultant shall not be liable for damages which arise out of Consultant’s reasonable reliance on the information or services furnished by utilities to Client or others hired by Client.
5. Consultant shall be entitled to rely on the accuracy and completeness of information or services furnished by the Client or others employed by the Client and shall not be liable for damages arising from reasonable reliance on such materials. Consultant shall promptly notify the Client if Consultant discovers that any information or services furnished by the Client is in error or is inadequate for its purpose.

## SECTION III – PAYMENTS

### A. Invoices

1. Undisputed portions of invoices are due and payable within 30 days. Client must notify Consultant in writing of any disputed items within 15 days from receipt of invoice. Amounts due Consultant will be increased at the rate of 1.0% per month (or the maximum rate of interest permitted by law, if less) for invoices 30 days past due. Consultant reserves the right to retain Instruments of Service until all invoices are paid in full. Consultant will not be liable for any claims of loss, delay, or damage by Client for reason of withholding services or Instruments of Service until all invoices are paid in full. Consultant shall be entitled to recover all reasonable costs and disbursements, including reasonable attorney’s fees, incurred in connection with collecting amounts owed by Client.
2. Should taxes, fees or costs be imposed, they shall be in addition to Consultant’s agreed upon compensation.
3. Notwithstanding anything to the contrary herein, Consultant may pursue collection of past due invoices without the necessity of any mediation proceedings.

## SECTION IV – GENERAL CONSIDERATIONS

### A. Standards of Performance

1. The standard of care for all professional engineering and related services performed or furnished by Consultant under this Agreement will be the care and skill ordinarily exercised by members of Consultant's profession practicing under similar circumstances at the same time and in the same locality. Consultant makes no warranties, express or implied, under this Agreement or otherwise, in connection with its services.
2. Consultant neither guarantees the performance of any Contractor nor assumes responsibility for any Contractor's failure to furnish and perform the work in accordance with its construction contract or the construction documents prepared by Consultant. Client acknowledges Consultant will not direct, supervise or control the work of construction contractors or their subcontractors at the site or otherwise. Consultant shall have no authority over or responsibility for the contractor's acts or omissions, nor for its means, methods or procedures of construction. Consultant's services do not include review or evaluation of the Client's, contractor's or subcontractor's safety measures, or job site safety or furnishing or performing any of the Contractor's work.
3. If requested in the scope of a Supplemental Letter Agreement, then Consultant may provide an Opinion of Probable Construction Cost. Consultant's Opinions of Probable Construction Cost provided for herein are to be made on the basis of Consultant's experience and qualifications and represent Consultant's best judgment as a professional generally familiar with the industry. However, since Consultant has no control over the cost of labor, materials, equipment or service furnished by others, or over the Contractor's methods of determining prices, or over competitive bidding or market conditions, Consultant cannot and does not guarantee that proposals, bids or actual construction cost will not vary from Opinions of Construction Cost prepared by Consultant. If Client wishes greater assurance as to probable Construction Cost, Client shall employ an independent cost estimator or negotiate additional services and fees with Consultant.

### B. Indemnity for Environmental Issues

1. Consultant is not a user, generator, handler, operator, arranger, storer, transporter or disposer of hazardous or toxic substances, therefore the Client agrees to hold harmless, indemnify and defend Consultant and Consultant's officers, directors, subcontractant(s), employees and agents from and against any and all claims, losses, damages, liability and costs, including but not limited to costs of defense, arising out of or in any way connected with, the presence, discharge, release, or escape of hazardous or toxic substances, pollutants or contaminants of any kind at the site.

### C. Limitations on Consultant's Liability

1. The Client hereby agrees that to the fullest extent permitted by law, Consultant's total liability to the Client for any and all injuries, claims, losses, expenses, or damages whatsoever arising out of or in any way related to the Project or this Agreement from any cause or causes including, but not limited to, Consultant's negligence, errors, omissions, strict liability, breach of contract or breach of warranty shall not exceed five hundred thousand dollars (\$500,000). In the event Client desires limits of liability in excess of those provided in this paragraph, Client shall advise Consultant in writing and agree that Consultant's fee shall increase by 1% for each additional five hundred thousand dollars of liability limits, up to a maximum limit of liability of five million dollars (\$5,000,000).
2. Neither Party shall be liable to the other for consequential damages, including, without limitation, lost rentals, increased rental expenses, loss of use, loss of income, lost profit, financing, business and reputation and for loss of management or employee productivity, incurred by one another or their subsidiaries or successors, regardless of whether such damages are foreseeable and are caused by breach of contract, willful misconduct, negligent act or omission, or other wrongful act of either of them.
3. It is intended by the parties to this Agreement that Consultant's services shall not subject Consultant's employees, officers or directors to any personal legal exposure for the risks associated

with this Agreement. The Client agrees that as the Client's sole and exclusive remedy, any claim, demand or suit shall be directed and/or asserted only against Consultant, and not against any of Consultant's individual employees, officers or directors, and Client knowingly waives all such claims against Consultant individual employees, officers or directors.

### D. Assignment

1. Neither party to this Agreement shall transfer, sublet or assign any rights under, or interests in, this Agreement or claims based on this Agreement without the prior written consent of the other party. Any assignment in violation of this subsection shall be null and void.

## SECTION V – DISPUTE RESOLUTION

### A. Mediation

1. Any dispute between Client and Consultant arising out of or relating to this Agreement or services provided under this Agreement, (except for unpaid invoices which are governed by Section III), shall be submitted to nonbinding mediation as a precondition to litigation unless the parties mutually agree otherwise. Mediation shall occur within 60 days of a written demand for mediation unless Consultant and Client mutually agree otherwise.

### B. Litigation – Choice of Venue and Jurisdiction

1. Any dispute not settled through mediation shall be settled through litigation in the state where the Project at issue is located.

## SECTION VI – INTELLECTUAL PROPERTY

### A. Proprietary Information

### B. Client Use of Instruments of Service

1. Provided that Consultant has been paid in full for its services, Client shall have the right in the form of a license to use Instruments of Service resulting from Consultant's efforts on the Project. Consultant shall retain full rights to electronic data and the drawings, specifications, including those in electronic form, prepared by Consultant and its subcontractants and the right to reuse component information contained in them in the normal course of Consultant's professional activities. Consultant shall be deemed to be the author of such Instruments of Service, electronic data or documents, and shall be given appropriate credit in any public display of such Instruments of Service.
2. Records requests or requests for additional copies of Instruments of Services outside of the scope of services are available to Client subject to Consultant's current rate schedule.

### C. Reuse of Documents

1. All Instruments of Service prepared by Consultant pursuant to this Agreement are not intended or represented to be suitable for reuse by the Client or others on extensions of the Project or on any other Project. Any reuse of the Instruments of Service without written consent or adaptation by Consultant for the specific purpose intended will be at the Client's sole risk and without liability or legal exposure to Consultant; and the Client shall release Consultant from all claims arising from such use. **Using the Hourly Basis Option**

The Agreement for Professional Services is amended and supplemented to include the following agreement of the parties:

**A. Hourly Basis Option**

The Client and Consultant select the hourly basis for payment for services provided by Consultant. Consultant shall be compensated monthly. Monthly charges for services shall be based on Consultant's current billing rates for applicable employees plus charges for expenses and equipment.

Consultant will provide an estimate of the costs for services in this Agreement. It is agreed that after 90 percent of the estimated compensation has been earned and if it appears that completion of the services cannot be accomplished within the remaining 10 percent of the estimated compensation, Consultant will notify the Client and confer with representatives of the Client to determine the basis for completing the work.

Compensation to Consultant based on the rates is conditioned on completion of the work within the effective period of the rates. Should the time required to complete the work be extended beyond this period, the rates shall be appropriately adjusted.

**B. Expenses**

The following items involve expenditures made by Consultant employees or professional consultants on behalf of the Client. Their costs are not included in the hourly charges made for services and shall be paid for as described in this Agreement but instead are reimbursable expenses required in addition to hourly charges for services:

9. All taxes levied on professional services and on reimbursable expenses.
10. Other special expenses required in connection with the Project.
11. The cost of special consultants or technical services as required. The cost of subconsultant services shall include actual expenditure plus 10 percent markup for the cost of administration and insurance.

The Client shall pay Consultant monthly for expenses.

The Client, therefore, agrees to pay the cost for the use of such specialized equipment on the project. Consultant invoices to the Client will contain detailed information regarding the use of specialized equipment on the project and charges will be based on the standard rates for the equipment published by Consultant.

The Client shall pay Consultant monthly for equipment utilization.

I received a notice of public hearing in regards to a special use permit for a restaurant to be located at 7629 W Greenfield Ave. I will not be attending the meeting but the letter states to express my opinion in writing to you.

I live just down the street at 1437 S 77th St, and last week I said to my husband, what downtown needs is a coffee shop and a week later it appears! As a neighbor I have no issues with this restaurant and look forward for a short stroll to visit it.

12. Lapse. If the applicant does not meet all of the terms and conditions set forth in this grant of a special use within one year of the granting thereof, then the Special Use Permit shall lapse and become null and void and the applicant shall forfeit any right to use the property as conferred by the Special Use Permit. The failure of the applicant to meet the terms and conditions of the Special Use Permit shall subject the permit to being declared void by the Common Council after notice to the applicant and a hearing before the Safety and Development Committee. Upon a finding and recommendation by the Committee to the Common Council on the matter, the applicant and/or any interested person may make comments regarding the matter to the Common Council prior to the Common Council's next regular meeting following the recommendation. Upon the Common Council's finding that the Special Use Permit has lapsed and become void, the applicant shall cease all operations at the property.

We assigned you a tax classification (corporation, partnership, etc.) based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2020-1, 2020-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

**Plan of Operation**

**Describe, in detail, the nature of the business, kind of materials to be collected, bought, sold or otherwise handled.**

The space will be used as an ecommerce hub/office. This would include things like shipping, listing, and storing my items. It will not be a traditional shop with regular hours for the public. I would like to book private appointments for buying/selling goods.

I specialize in vinyl records, but have handled a wide variety of collectibles and antiques (vintage electronics, toys, books, Mid Century Modern furniture, post cards, paintings are some examples). Items are sold on a variety of online platforms where I have an established history like Ebay and discogs (<https://www.discogs.com/seller/packers4eva/profile> (<https://www.discogs.com/seller/packers4eva/profile>)) <https://www.ebay.com/usr/lushlife2014> (<https://www.ebay.com/usr/lushlife2014>)). I also have a successful antique booth in Waukesha and hope to expand into other antique stores.

Please note that for hours of operation, these are the timeframes I would expect to be in the office. At this time I will be the only worker.

**CALLER: Lynn A. Alioto**

**Officer Stelter Reports:**

On 01/01/22 at 1901hrs., officers were dispatched to Dog House, 1641 S. 68th Street, for a report of a possible overdose. Contact was made with James M. Mullins [REDACTED] who was not overdosing but stated he took acid, molly and mushrooms. While on scene, Mullins became uncooperative and was subsequently handcuffed. Contact was made with bar employee, Lynn A. Alioto [REDACTED], who stated she wanted Mullins banned from the business. There were no Chapter 51 issues and Mullins was advised not to return to the business. A local flag was added to Phoenix and there were no further issues.

**CALL #22-000111 – 01/01/22 – 2024hrs. – Flappers – 7527 W. Becher St.**

**CALLER: Austin L. Lynn**

**Officer Evan Reports:**

On 01/01/21 at 2024hrs., I responded to Flappers, 7527 W Becher St., for a vandalism. Upon arrival, I spoke with Austin L Lynn [REDACTED] who stated his ex-girlfriend, Alexandra Grubor [REDACTED] got into an argument with him at the bar, causing her to take a cigarette ash bucket from outside, and throw it onto the windshield of his vehicle. I observed Austin's White Honda Accord [REDACTED] to have damage to its front windshield. Austin stated later during my contact with him that he did not want anything done besides reporting the incident and that he wanted to handle the matter civilly from there.

Common Council,

Please see the attached map showing 9 potential polling places in the city. Under Wis. Stat. 5.25, the council is tasked with assigning a polling place for each of the city's 25 wards. Staff has created the assignment option below for your consideration:

Location	Wards	Total Pop.	18+ Pop.	# of Wards
City Hall	7, 8, 9, 10	9,535	7,531	4
Central	12, 13, 14	7,656	6,128	3
Lane	15, 21, 22	7,048	5,783	3
Senior Center	1, 2, 3	7,434	5,714	3
Hale	23, 24, 25	6,692	5,298	3
Rec Center	4, 5, 16	6,471	5,207	3
Frank Lloyd Wright	18, 19	6,136	5,030	2
McCarty Park	6, 17	5,099	3,989	2
Mother of Perp. Help	11, 20	4,254	3,410	2

City Hall is the largest polling place, although it has one less ward than the prior election. The rationale for leaving 4 wards at City Hall was because there will be more city staff on site to handle the higher traffic. The remaining sites go down to 2 or 3 wards. This means most polling places will serve 40-60% fewer voters than the prior election.

As an alternative, Wards 10 and 13 could be swapped. That would put them geographically closer to their respective polling places. That would increase the number of voters served by Central and decrease voters at City Hall.

If you've got any questions regarding this topic, please reply to this email or call. Otherwise, the advisory committee is scheduled to discuss this during the Feb. 17 council meeting. Thanks.

Kail
