DEC 18 2018

Resolution approving the transfer of \$10,000 from the Salary account in the West Allis Senior Center’s budget to the Equipment account in the West Allis Senior Center’s 2018 budget to purchase MySeniorCenter software package for the West Allis Senior Center.

WHEREAS, the Senior Center is currently operating on a predominately paper system and has limited options to efficiently manage membership enrollments, renewals and activity tracking in an electronic format; and

WHEREAS, the City Strategic Plan has identified assessing processes for streamlining, implementing software solutions to increase efficiency and customer access to services; and

WHEREAS, the funding to cover the purchase of the software is available in the Senior Center 2018 budget due to staff retirements; and

WHEREAS, the Health Commissioner is requesting the transfer \$10,000 from the Salary account to the Equipment account to purchase the MySeniorCenter software.

NOW, THEREFORE, BE IT RESOLVED, that the transfer of \$10,000 from the salary account in the West Allis Senior Center’s 2018 budget to the equipment account in the West Allis Senior Center’s budget to purchase the MySeniorCenter software is hereby approved.
