# Issues

---

\*People will receive more benefit than they are paying for; decrease of recouped administrative costs.

\*\*Significant time is spent on the phone talking to people who are attempting to game the night time parking permission so they can limit their purchase to a half month permit or not have to pay for a month (changing vehicles in streets, incorrect license numbers, fake names, etc.).

# Recommendations

---

## Short-Term

- Create Pamphlet, Education of Residents.
- Eliminate the half price monthly permit if purchased in last 14 days of month.

## Long-Term

- Reduce Number of Days for Special Night time Parking Permission.
- Prorate Quarterly Permits.
- Kiosk.
- Eliminate Stickers.
