RECEIVED

JAN 28 2008

CITY OF WEST ALLIS
CLERK/TREASURER

11301 W. Lincoln Avenue West Allis, Wisconsin 53227 Telephone (414) 302-8183

TO THE HONORABLE COMMON COUNCIL:

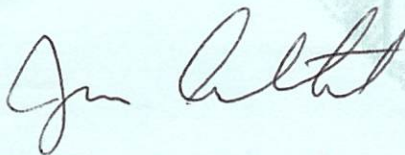

The West Allis Professional Police Association requests your permission to hold our annual picnic at the city of West Allis Satellite Station. This picnic is held for all Department employees and their families. The picnic will be held on a weekday in August. The exact date has not been set yet. Our desire is to use the Satellite Station building to set up food and beverages, and have use of the bathrooms. We would assume all responsibility for cleaning up the building and the grounds after use.

We also set up a moonwalk for the children, thus our function will require a small portion of Vets Park. The park also has a playground for the children to use. Our goal is to make this event as inconspicuous as possible.

This event has been held for many years in County parks in the City. Due to the increasing cost of the permit required, we are hoping to avoid that \$600 expense.

For your information we also serve beer at this picnic.

Thank you for your consideration in this matter. Any questions please call me at 414-507-1631.

Jim Schumitsch-President
West Allis Professional Police Association
