Dear Friend of the West Allis Community:

The West Allis Community Improvement Foundation, in partnership with the West Allis Rotary Club and West Allis Woman's Club, is holding its Annual Community Dinner Dance on Saturday, March 24, 2018, at the Zoofari Center.

This year's beneficiary is **The Village Playhouse**. We are asking for your assistance in sponsoring event expenses as outlined on the enclosed Sponsorship Opportunities flyer. Recognition of your donation will be given based on sponsorship level.

Started in 1978, the Village Playhouse was housed for 20 years in only two locations. From 1998, the group spent the next 15 years as a "homeless" theatre, performing in a variety of different venues. In 2013, the theater found permanent residence in West Allis when a group member purchased an old funeral home at 1500 S. 73 St. and transformed it into Inspiration Studios, an art gallery and performance space. Although the Village Playhouse found permanent residency here, they have yet to establish their desired presence within the community. They hope to do so by erecting exterior signage in order to make themselves more visible to the West Allis community while providing its volunteers, and the community, with the reassurance that the group they are putting so much love into is here to stay.

We ask for your consideration in support of The Village Playhouse in its efforts to establish its presence and make itself more visible to the West Allis community, as well as support future productions. Please show your support by making a donation today.

We also invite you to attend the Dinner Dance on March 24. Ticket information is included on the enclosed flyer. We hope to see you there!

Sincerely,

Patricia Wikenhauser, President

Foundation, Inc.
