Subject: Appointment of 2010 U.S. Census Complete Count Committee Members

Dear Common Council Members:

This letter is to inform you that 2010 U.S. Census Complete Count Committee Members, as authorized by Council approved Resolution No. R-2009-0133, are being appointed. The purpose of the Committee will be to promote the Census to ensure that all residents of our community are counted.

An accurate and complete Census count is important to our community in determining federal and state aids and grants, economic development, housing assistance, transportation improvements, and many other uses. Census information is also used to determine how many members our state has in the U.S. House of Representatives and is also used to determine districts in our state legislature and local governing bodies. Every resident of our community counts and deserves to be counted.

The Complete Count Committee will consist of members representing a broad spectrum of community interests, including government, education, media, religious, community-based organizations, and business. Committee members' terms will continue until Census Day, April 1, 2010 and shortly thereafter. Attached to this letter is a membership list for the Complete Count Committee.

Your confirmation of these appointments will be appreciated. Thank you for your support and cooperation in this effort.

Sincerely,

A handwritten signature in black ink that reads "Dan Devine".

Dan Devine,
Mayor
