Duty to Avoid Unnecess	ary Expenses of Serving a Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain defendants to cooperate in saving unnecessary expenses of serving a summons and complaint. A defendant who is located in the United States and who fails to return a signed waiver of service requested by a plaintiff located in the United States will be required to pay the expenses of service, unless the defendant shows good cause for the failure.

"Good cause" does *not* include a belief that the lawsuit is groundless, or that it has been brought in an improper venue, or that the court has no jurisdiction over this matter or over the defendant or the defendant's property.

If the waiver is signed and returned, you can still make these and all other defenses and objections, but you cannot object to the absence of a summons or of service.

If you waive service, then you must, within the time specified on the waiver form, serve an answer or a motion under Rule 12 on the plaintiff and file a copy with the court. By signing and returning the waiver form, you are allowed more time to respond than if a summons had been served.

ASSIGNMENT OF CIVIL CASES EASTERN DISTRICT OF WISCONSIN

At the time a new civil action is filed, it is assigned by random selection to either a district judge or a magistrate judge in accordance with the local rules. Pursuant to the provisions of 28 U.S.C. §636(c) and Rule 73 of the Federal Rules of Civil Procedure, a United States Magistrate Judge may, with the consent of the parties, conduct all proceedings in this civil action, including a bench or jury trial and order the entry of judgment. The statute provides for direct appeal to the U.S. Court of Appeals for the Seventh Circuit.

Once the assigned district or magistrate judge has been selected, the local rules of this district require that each party to the action receive a copy of the "consent form." Each party shall complete the form and file it with the Clerk of Court within 21 days after its receipt.

If this case has been randomly assigned to a **district judge** and all parties consent to have the magistrate judge conduct all proceedings in the case, the district judge may enter an order transferring the case to the magistrate judge.

If this case has been randomly assigned to a **magistrate judge** and not all parties consent, then the case will be reassigned by random selection to a district judge. If all parties consent, the magistrate judge will conduct all proceedings in the action.

While the decision to consent or not to consent to the exercise of jurisdiction by the magistrate judge is entirely voluntary, the duty to respond to this order is **mandatory**. Your response shall be made to the Clerk of Court only on the form on the reverse side of this notice.

IT IS THEREFORE ORDERED, that you complete this form and file it with the Clerk of Court within twenty-one (21) days from receipt.

AFFIDAVIT OF FACT NOTICE OF VIOLATION OF HUMAN RIGHTS

For The Record, To Be Read Into The Record Notice To Agent is Notice To Principal Notice to Principal is Notice to Agent

April 5th, 2024

From: John Sloan % 5354 N. 50th St Milwaukee, WI [53218]

To: United States District Court Eastern District of Wisconsin 517 E Wisconsin Ave, Milwauk WI 53202

To Whom It May Concern,

I. John of the family Sloan of full life, hereby make the following NOTICE OF CONDITION PRECEDENT, that my Human and fourth, fifth, and eighth Constitutional Rights have been molested/violated, on or about 03-29-2024 Time 1:54 A.M Location: corner of S. 84th st. / W. Mitchell St. P.O. Cooper of the West Allis Police Department of Wisconsin pulled me over and immediately got out of his patrol vehicle and asked me to get out of the car. I asked him "if he had an Articulate Reasonable Suspicion of me committing a crime" - He stated "no, the owner of this vehicle's license is suspended". I then told him "that is not a crime, it is a traffic infraction and that I am not getting out of the car" at this point I asked P.O. Cooper to call his Supervisor. P.O. Cooper asked me to turn off the car, unknowingly, turning off the car's engine automatically unlocked the car doors. P.O. Copper proceeded to pull open the driver side door and demanded me out of the vehicle, I attempted to close the door when P.O. Cooper blocked the door with the left side of his body. P.O. Lazaris informed me to "get out of the car or we will tase you". I remained still with my hands on the steering wheel. P.O. Lazaris proceeded to tase me while P.O. Cooper pepper sprayed me. I then pulled the electric prongs out of me while P.O. Cooper continuously pepper sprayed me. Somehow, I am out of the car and body slammed on my back being handcuffed. While on the ground handcuffed P.O. Lazaris used direct contact with the taser on the left side of my stomach. He began hollering "stop resisting", the voltage was so much I began to see light.

After the pain started to subside enough I turned my head to tell the P.O. Lazaris "I'm down on the ground in handcuffs, stop electrocuting me". P.O. Lazaris proceed to tase me three more times than he got up. I was then helped up and told to get in the patrol vehicle, to which I responded "I'm not getting in, I didn't commit a crime. Take these handcuffs off of me." P.O.

Lazaris said "you getting in" while he grabbed my head and banged it on the patrol vehicle. I then said "okay, you busted my head, Am I bleeding"? An officer said "no". At this point I said "okay I'm going to get in the SUV", while in the patrol vehicle there was an unlawful seizure of my vehicle- which is a violation of my Fourth and Fifth Amendment rights.

The Supervisor of Officers Cooper and Lazaris instructed them to release me as I was free to go. Two officers who were not involved in the incident helped me to the ambulance stating "We didn't touch you, and we don't know what's going on . We were on perimeter duty and didn't see anything". The ambulance took me to the West Allis Hospital from where I was released.

I encountered a similar situation with some of the same officers from the West Allis Police Department a few months ago. I refused to get out of the vehicle and asked the officer to call his supervisor. I was roughed up and the vehicle I was in was unlawfully seized.

There being nothing further I hereby declare (verify, state, and confirm) under penalty of perjury under the laws of the United States of America that the foregoing are true and correct.

Upon receival of this Affidavit, please send a confirmation notice to the above address.

UNITED STATES DISTRICT COURT EASTERN DISTRICT OF WISCONSIN

JOHN SLOAN, Plaintiff,

٧.

Case No. 24-cv-0546

WEST ALLIS POLICE DEPARTMENT, et al., Defendants.

ORDER

Plaintiff John Sloap has filed an action in this court and has filed a motion for leave to proceed without prepayment of the filing fee pursuant to 28 U.S.C. § 1915. ECF No. 2. Upon review of plaintiff's motion, I find that requiring plaintiff to pay this fee would impose a significant financial hardship on him.

THEREFORE, IT IS ORDERED that the plaintiff's motion for leave to proceed without prepaying the filing fee (ECF No. 2) is **GRANTED**.

IT IS FURTHER ORDERED that pursuant to Fed. R. Civ. P. 4(c)(3), that the U.S. Marshals Service shall serve a copy of the complaint, a waiver of service form and/or the summons, and this order upon defendants. Plaintiff is advised that Congress requires the U.S. Marshals Service to charge for making or attempting such service. 28 U.S.C. § 1921(b). The current fee for waiver-of-service packages is \$8 per item. 28 C.F.R. § 0.114(a)(2). Although Congress requires the court to order service by the U.S. Marshals Service precisely because in forma pauperis plaintiffs are indigent, it has not made any provision for these fees to be waived either by the court or by the U.S. Marshals Service.

Plaintiff should provide defendant or its counsel with copies of all future motions or papers filed by plaintiff in this action.

Dated at Milwaukee, Wisconsin this 10th day of May, 2024.

/s/ Lynn Adelman LYNN ADELMAN District Judge
