2/17/21

My name is Adam Campbell and I have owned a hobby/card shop (baseball cards, pokemon cards etc...) for the last year. A very small part of my business is buying cards from my customers and selling those cards to other customers. Because of this my business has a second hand dealers license through the city.

I am planning to move my shop from address: 7540 W Greenfield Avenue
To: 8633 W Greenfield Avenue Lower

I've already had the unit inspected and checked with the city to make sure my business was allowed to open in that location. Ideally, I would like to be completed and ready to open by early March. I was advised by the city employee at city hall to write this letter.

On this date 2/17/2021 I humbly request permission to continue my business at the new location (8633 W Greenfield Avenue) and will pay all applicable fees required.

Thank you,

Adam Campbell
