NARRATIVE

INITIAL CALL FOR SERVICE

On 10/13/14 at about 1600hrs, I received a phone call from Mary E. Huot (F/W 11/19/58), asking for advice on whether she could file a complaint for an incident that occurred earlier in the day. Mary informed me she was sexually harassed while working at the Drunken Duck, 5906 W Burnham St, by who she described as the owner of the bar, Hector E. Guillermo (M/W 3/13/53). I informed Mary she needed to file a police report "in person" either here at the station or with an officer at her residence. Mary stated she did not have a vehicle and had no way to get to the station.

After speaking with Lt. Pye, arrangements were made for Mary to be picked up by PO Krueger and brought to the station so I could take her complaint.

STATEMENT OF MARY E. HUOT (VICTIM)

At about 1630 hrs, Mary was brought to the station. I spoke with Mary, alone, in the front desk conference room, where I received the following statement.

Mary sat down and appeared to be very nervous and upset. Mary was crying and her hands were shaking. Mary said she was very nervous about telling me what happened

because she thought it was her fault. I explained to Mary if something happened that she did not consent to it was not her fault and needed to be documented. Mary nodded her head and began explaining what happened.

Mary said at about 0700hrs this morning, she was walking in the area of S 57 St and W Burnham St. Mary was on her way to the gas station (Speedway 57/Burnham) to buy a soda, which she does almost every morning. Mary stated while she was walking, a red sedan pulled over to the side of the road and honked several times at her. Mary stopped walking and looked at the driver, who she recognized as Hector Guillermo.

Mary stated she has known Hector for about two and a half years. Mary said Hector is the manager/owner of the Drunken Duck Bar and she used to clean the bar for cash. Mary said she has not cleaned the bar in about a year. Mary stated she met Hector through her now ex-boyfriend, John M. Harris (M/W 8/27/52). Mary explained she cleaned the bar back when she and John were still together.

Hector stopped his vehicle and shouted to Mary through the passenger window. Hector said hi and asked Mary if she wanted to clean the bar (Drunken Duck) for a little extra cash (like she has done in the past). Mary stated she told Hector she would stop by the bar (Drunken Duck) after she stopped home to drop off the items she was going to purchase. Hector drove off and Mary proceeded to the gas station and bought some sodas. Mary then went home and then walked to the Drunken Duck.

Mary began crying again and asked, "Is this all my fault because I agreed to go to the bar?" I reassured Mary this was not her fault and encouraged her to continue. Mary then asked me, "Am I in trouble?" I asked Mary why she would be in trouble. Mary said she thinks she did something bad because she agreed to clean the business for cash. Mary said she was having troubles with her finances and needed money desperately. I again told Mary to tell me what happened.

Mary said when she got to the bar she began cleaning. Mary said when she got to the bar; Hector put his arm around her and kissed her on the cheek. Hector kept saying, "I'm so glad you're back." Mary said she found this strange because Hector has never been this friendly to her but she thought he was just being overly nice. Mary went on with her duties and emptied the trash and cleaned up around the bar. Mary said Hector asked her to go with him to the basement to get some supplies for the bar. Mary went downstairs where Hector walked up to her and put his finger in the neck of her shirt, pulled it out and looked down her shirt. "Hector stated, "Those are nice."

Hector then pulled up the right side of Mary's shirt, exposing her breasts (in a bra). Mary quickly pulled her shirt down and Hector stated, "It's okay, I like little ones." Mary stated she felt very uncomfortable but did not want to offend Hector. Mary stated she turned to walk up the stairs and Hector grabbed her by the hips from behind, turned her around and tried to "French" kiss her. Mary said

when he did this, her arms were at her sides and he was "bear hugging" her. Mary said she did not open her mouth and just stood there. Mary said she told Hector to stop and said she needed to finish cleaning.

Mary went upstairs and continued to clean the bar. At one point, Mary was walking out the front of the bar to shake out the rugs. Hector stopped her and stated, "If you take care of me, I will take care of you." Mary thought Hector was suggesting paying her for sexual favors. Mary said she told Hector no and walked outside with the rugs. Once outside, Hector continued to tell Mary he would "take care of her." Mary became so uncomfortable she tried to call her sister from her cell phone. Mary said her sister did not answer so she pretended to talk someone anyways so Hector would leave her alone. Mary pretended she had to leave right away and told Hector an emergency came up and she had to go home.

Hector then said, "let me pay you," and walked back into the bar. Mary followed to receive her compensation for cleaning. Hector paid her \$15.00 cash for cleaning and then handed her an extra \$5.00 and stated, "I told you, you take care of me I'll take care of you." Hector told Mary she should stop by next Saturday and asked her for her phone number. Mary said she gave him the wrong number because she did not want him to call her. Mary then left the bar and walked to her residence at 5324 W Beloit Rd #3.

Mary said she immediately called her ex-boyfriend, John Harris, who came to residence to console her. John told Mary Hector has "done this before" with other female employees and told her to call the police. Mary said she was initially reluctant to call police because she thought that by accepting money from Hector she was consenting to his unwanted sexual advances, or at least that is what the police would think.

During my initial phone contact with Mary, I could hear John yelling in the background. John kept yelling we (police) needed to go and arrest Hector or he (John) was going to "handle this himself". John was instructed to let the police handle this incident.

Mary stated as long as she has known Hector, they have never engaged in a consensual sexual relationship.

After I received the above statement, I advised Mary a Detective would be contacting her and she avoid all contact with Hector while this investigation was ongoing.

LACK OF CONSENT

Mary did not give Hector consent to pull her shirt up, exposing her bra and breast area. Mary did not give Hector consent to kiss her and make unwanted sexual advances toward her, causing her to feel uncomfortable and to fear for her safety.

IDENTIFICATION OF HECTOR E. GUILLERMO

During my interview with Mary, she was unable to provide Hector's last name or date of birth. Mary described Hector as a Filipino male in his late 50's - early 60's, about 508, heavy set with black hair. Mary said Hector is either the manager or the owner of the Drunken Duck bar and works there every day. He opens and closes the bar.

A search through locals revealed a Hector E. Guillermo (M/W 3/13/53) listed as a keyholder for the Drunken Duck Bar. Guillermo matches the description provided by Mary. I asked Mary if any other "Hector" works at the Drunken Duck and she replied, "No, not that I know of."

CASE DISPOSITION

On 10/13/14 at about 1600hrs, I received a phone call from Mary E. Huot (F/W 11/19/58), asking for advice on whether she could file a complaint for an incident that occurred earlier in the day. Mary informed me she was sexually harassed while working at the Drunken Duck, 5906 W Burnham St, by the owner of the bar, Hector E. Guillermo (M/W 3/13/53). This case will be forwarded to the Sensitive Crimes Unit of the Detective Bureau for further investigation.

times, her boyfriend Dan went to the bar and confronted him and told him that this had to stop. Hector has not touched her since.

Melissa stated that before this, Hector once "smacked her on the ass" in front of her boyfriend Dan. She stated that on other occasions, Hector has attempted to grab her breasts several times but was only able to actually touch them one time. She stated that the other times, she was able to grab his hands and tell him "no". Melissa stated that some time after Dan confronted Hector and the harassment stopped, she hurt her arm and came into work late. She stated that Hector then fired her. She stated that Dan then informed her that she had hurt her arm. Dan then threatened to go to the police for his harassment if she did not get her job back. Hector then hired her back. I asked Melissa why she took this course of action when he fired her. Melissa stated that she has seen fire other girls and how he treated them when he did not get his way with them. She stated that she was not going to let him do this to her.

Melissa states that she technically still works for the bar but that she has been ill and Dan has been doing her work for her. She stated that she is not a bartender but cleans the bar. She is willing to testify to the facts she has given me if called to do so.
