RE: Future Milwaukee County Transportation Department Agreement

Dear Board Members:

This is related to the National/Oklahoma/Root River Pkwy project scheduled for 2004-2005. Last week, we met with members of the County's Transportation Department to discuss this project. During that meeting, they mentioned that they could help us design the project for us. This has a number of advantages for us, which I will discuss on Tuesday night. The intent of this letter is to ask if the Board is comfortable with contracting with County for this work or if we should hire a private consultant.

Respectfully,

Michael G. Lewis
City Engineer
