**Subject:** West Allis Library

Hello Tim,

At last evening's West Allis Library board meeting, the board members carefully discussed and considered your request to be allowed back into the West Allis Public Library and reinstate your library privileges. After discussing the situation and reviewing your letter, the Library board decided not to reinstate your privileges at the West Allis Public library at this time.

The board asked that you provide them with documented changes you have made that will guarantee that the behavior that led to your ban in 2016 will not be repeated. The board will again review your request in six months at their board meeting on Wednesday, October 26, 2022. In the meantime, the board would welcome any documented indication that support your assertion that you have made changes in your behavior that will persuade the West Allis Library board members to confidently reinstate your library privileges. Until then, you are not able to be present on library property in West Allis, but you are free to use any other public library in Milwaukee County.

For your information, I'm attaching the letters sent to you in 2016 that document the process for the ban that was imposed upon you.

If you have any questions please feel free to contact me. If you would like a hard copy of this email and attached letters sent to you through the mail, I will be happy to do so, just let me know.

Best,

**Michael Koszalka**
