To whom it may concern:

I am looking for reimbursement for the damages on my vehicle that were caused by a shootout involving the police. The incident happened at around 2:00am on Saturday, May 13th 2017. The police were directly involved with the shooting and Lieutenant David Ashenhurst of Oak Creek said that they were most likely police bullets that caused the damage. My car was shot three times on the passenger side of the vehicle, one bullet going all the way through to the inside of my vehicle. My car was taken for five days and I had to borrow a family member's vehicle for the time that my vehicle was gone. Having my vehicle taken for those five days cost me time that cannot be replaced and inconvenience to me and the family member that let me borrow their vehicle.

I have attached two estimates of damages to my vehicle and what it would cost to get it repaired. Please look those over. I have also attached photos of the damage done to my vehicle and where my vehicle was when it was damaged.

Thank you for your time and the work you do.

Sincerely,

A handwritten signature in black ink that reads "Emily Hangartner". The signature is written in a cursive style with a long, sweeping underline.
