**Subject:** Resolutions - explanation

As I am receiving so many calls, I want to add to my last email.

- 1) Nothing needs to go on the lines in the middle of the resolution form (it's a State form and we can't change it).
- 2) Everyone was required to complete a resolution to join the Fund initially. Most of these forms are wrong/outdated/expired.
- 3) You do not need to return a list of your properties. As all property you choose to insure, is already on file with the State, we do not need another copy.
- 4) At your next meeting (or the one after), just pass a new resolution to have your insurance with the Fund, Sign the form and return to us.

Thanks for your help.
